

Property	Right		Use	Type	Priority	Acres	
Gold River Ranch/Martin Road	Certificate 83395 ¹		Primary Irrigation	Surface-Althouse Creek	1929	Approx. 4.00 ²	TL403
Gold River Ranch/Martin Road	Certificate 83396 ³		Primary Irrigation	Surface-Althouse Creek	1920	Approx. 11.00 ⁴	Approx. 1.0 ⁵ TL403
							Approx. 10 ⁶ TL404
Gold River Ranch/Martin Road	Certificate 83397		Primary Irrigation	Surface-East Fork Illinois River	1947	1.2	TL1200
Gold River Ranch/Martin Road	Certificate 83398 ⁷		Primary Irrigation	Surface-Junction of Illinois River, Sucker Creek, and Althouse Creek	1912	3.0	TL1003
Gold River Ranch/Martin Road	Transfer T-8126 ⁸	Underlying Certificate 10110	Primary Irrigation	Surface-Althouse Creek	1929	3.0	TL300
			Supplemental Irrigation			7.0	

¹ Only a portion of this water right is appurtenant to this property. The remaining 5.0 acres under the right is within TL700 and 701.

² This number is an approximation based on review of the County tax lot mapping in conjunction with the transfer map for T-8126. In order to confirm this number survey mapping must be completed.

³ Only a portion of this water right is appurtenant to this property. The remaining 5.0 acres under the right is within TL402.

⁴ This number is an approximation based on review of the County tax lot mapping in conjunction with the transfer map for T-8126. In order to confirm this number survey mapping must be completed.

⁵ See footnote 4 above.

⁶ See footnote 4 above. Additionally, TL404 has only 9.82 acres, thus the confirming certificate issued on T-8126 may only include 9.82 acres for this tax lot.

⁷ 112.8 acres under this water right are within tax lots outside of property.

⁸ OWRD issued a proposed certificate for T-8126 on September 9, 2016 that should have been mailed to the client unless OWRD's records regarding water right ownership is not up to date. If proposed certificate not received, follow up with OWRD is necessary. The proposed certificate may propose changes to the information contained herein.
