893/1021 Shooting Star Drive

Beautiful Wyoming Range views from this meticulously maintained turnkey Shooting Star ranch with generous 5 bed/3 bath main home on 11+ acres with barn, two rv hook ups, two over-sized garage bays, irrigated pastures & a 760 sqft studio-style guest house with its own rv hook up.

Barn stalls are approximately 12'x15' each with their own runs, new pipe corrals & gates, automatic waterers in all the outside corrals & pens. All with the possibility to rent the 117 acres south of the property. Extra vehicles and toys will fit comfortably in the over-sized bays.

The parcel features a mix of hay meadow and irrigated pastures, making feeding horses easy. Finished basement has potential to be secondary living space with two bedrooms, one bath and large living area with private ingress and egress.

893/1021 Shooting Star Drive

5 BR | 3.0 BA | 4,089 SQ. FT. & Guest House

Hike, ride or snowmobile directly from the 11.92 acre property to countless acres of Bridger National Forest.

Enjoy proximity to the serenity and recreational outlets of the surrounding wilderness while being less than 30 minutes from the restaurants, shops and amenities of Alpine.
