This Mineral Title Opinion is prepared for Jeffrey Willis, jeff@jeffreyllislaw.com on behalf of the Doris G. Brown Estate. Disclosure to third parties may constitute waiver of attorney-client privilege.

TITLE PAPERS SUBMITTED:

This is to certify we have examined the records of the Register of Deeds Office and Clerk of the District Court of Barber County, Kansas, from the issuance of the government patent to January 25, 2023, at 8:00 a.m.

TITLE FINDINGS:

After examination of the above described records, assuming the validity thereof and the accuracy of the indexing thereof, we now find as of January 25, 2023 at 8:00 a.m. good marketable title for mineral title purposes is as follows:

75% - Carol J. Brown and the Estate of D. G. Brown
6.25% - Sharon Ross
4.6875% - Craig Ross
4.6875% - Jeffrey Ross
4.6875% - Bryan Ross
4.6875% - Lara Gene Wolf

by reason of a Stipulation of Interest and Cross Conveyance dated October 16, 2008 recorded in Book 321 at page 229 .

SUBJECT HOWEVER to the terms and provisions of the following deed, to-wit:

Deed dated March 20, 1983 recorded in deed Book 109 at page 423 wherein Darlene Ross and Dwight Ross, her husband conveyed to Carol J. Brown and D. G. Brown an undivided ½ interest in the West Half of the Northwest Quarter (W/2 NW/4) of Section 13 and the East Half of the

Mineral Title Opinion

Northeast Quarter (E/2 NE/4) of Section 14, all in Township 33 South, Range 10 West of the 6th P.M., Barber County, Kansas. Said deed contains the following reservation:

Grantors reserve 50% of the mineral rights for as long as Grantees (Carol J. Brown and D. G. Brown) shall own the real property and 25% of said mineral rights for 20 years after said property is sold by Grantees.

NOTATION: This examiner is unaware of whether Carol J. Brown and/or the Estate of D. G. Brown have sold this property. If not, the 75% interest set forth above would be only as to ½ of the mineral interest i.e. 37.5% of the entire mineral interest in and under this property. In addition thereto, there are no deeds of record from Carol J. Brown and D. G. Brown reflecting that any sale of this property has taken place since the deed dated March 20, 1983 recorded in deed Book 109 at page 423 set forth above.

Even after the sale of said property, the Grantors, Darlene Ross and Dwight Ross or their heirs, successors and assigns would own 25% of the mineral rights for 20 years from the date of sale of said property. During that 20 years, the 75% interest owned by Carol J. Brown and the Estate of D. G. Brown would be 56.25%. In summary, as long as Carol J. Brown and the Estate of D. G. Brown are the owners of the above described real property, their 75% of the minerals would only reflect 75% of ½ of the minerals for a total mineral ownership of 37.5%. A copy of the deed referred to above is attached to this opinion as Exhibit A.

TAXES:

Our examination of the records of the County Treasurer of Barber County, Kansas, shows that taxes are current as of the date of this opinion.

REMARKS:

1. You should ascertain who is in possession of the above described real property and determine what right, title or interest he claims therein, as you obtain your interest in the property subject to tenant's rights.
2. You should further ascertain whether or not any repairs or improvements have been made to the property within the last four months, and if so, that all charges for labor and materials have been paid in full.
3. This opinion makes no representations as to the boundary lines of the above described real property. If you have any questions as to the boundary lines, the same should be determined by a competent surveyor.
4. This opinion makes no representations as to the current zoning of the above

Mineral Title Opinion

described real property. We further make no representations as to whether or not the current usage or any intended usage will be in compliance with applicable zoning laws. If you have any questions regarding the zoning classification of this property or the permissible uses under a specific zoning classification, you should inquire of the appropriate government officials to determine the same.

5. This opinion only covers Uniform Commercial code financing statements shown on the Abstract of Title. Ordinarily, the Abstract of Title will only list financing statements which are indexed by legal description and filed with the Register of Deeds in the County where the real estate is located. Uniform Commercial Code financing statements for certain types of personal property and fixtures are ordinarily filed with the Secretary of State in Topeka, Kansas. Upon proper application and payment of a search fee, the Secretary of State will supply you with a list of financing statements indexed by the name of the debtor.

TERMS AND CONDITIONS

1. Any person who registers or bids at this auction (the “Bidder”) agrees to be bound by these Terms and Conditions and any auction announcements. A bid placed by Bidder will be deemed conclusive proof that Bidder has read, understands, and agrees to be bound by these Terms and Conditions.
2. Auction announcements or postings take precedence over anything previously stated or printed, including these Terms and Conditions. In the event of a conflict between these Terms and Conditions and any other rules, terms, or agreements governing the use of the online bidding platform, these Terms and Conditions govern.
3. The real estate offered for sale at auction (the “Real Estate”) is legally described in the Contract for Purchase and Sale, a copy of which is available for inspection from McCurdy Real Estate & Auction, LLC (“McCurdy”) at Bidder’s request.
4. The Real Estate is not offered contingent upon inspections. The Real Estate is offered at public auction in its present, “as is where is” condition and is accepted by Bidder without any expressed or implied warranties or representations from the owner of the Real Estate (the “Seller”) or McCurdy, including, but not limited to, the following: the condition of the Real Estate; the Real Estate’s suitability for any or all activities or uses; the Real Estate’s compliance with any laws, rules, ordinances, regulations, or codes of any applicable government authority; the Real Estate’s compliance with environmental protection, pollution, or land use laws, rules, regulations, orders, or requirements; the disposal, existence in, on, or under the Real Estate of any hazardous materials or substances; or any other matter concerning the Real Estate. It is incumbent upon Bidder to exercise Bidder’s own due diligence, investigation, and evaluation of suitability of use for the Real Estate prior to bidding. It is Bidder’s responsibility to have any and all desired inspections completed prior to bidding including, but not limited to, the following: roof; structure; termite; environmental; survey; encroachments; groundwater; flood designation; presence of lead-based paint or lead based paint hazards; presence of radon; presence of asbestos; presence of mold; electrical; appliances; heating; air conditioning; mechanical; plumbing (including water well, septic, or lagoon compliance); sex offender registry information; flight patterns; or any other desired inspection. Bidder acknowledges that Bidder has been provided an opportunity to inspect the Real Estate prior to the auction and that Bidder has either performed all desired inspections or accepts the risk of not having done so. Any information provided by Seller or McCurdy has been obtained from a variety of sources. Seller and McCurdy have not made any independent investigation or verification of the information and make no representation as to its accuracy or completeness. In bidding on the Real Estate, Bidder is relying solely on Bidder’s own investigation of the Real Estate and not on any information provided or to be provided by Seller or McCurdy.
5. Notwithstanding anything herein to the contrary, to the extent any warranties or representations may be found to exist, the warranties or representations are between Seller and Bidder. McCurdy may not be held responsible for the correctness of any such representations or warranties or for the accuracy of the description of the Real Estate.
6. It is the sole responsibility of Bidder to monitor McCurdy’s website with respect to any updates or information regarding any Real Estate on which Bidder is bidding. Bidder acknowledges that information regarding the Real Estate may be updated or changed on McCurdy’s website at any time prior to the conclusion of bidding and that Bidder has timely reviewed the Real Estate information or assumes the risk of not having done so.

7. Once submitted, a bid cannot be retracted.
8. There will be a 10% buyer's premium (\$1,500.00 minimum) added to the final bid. The buyer's premium, together with the final bid amount, will constitute the total purchase price of the Real Estate.
9. The Real Estate is not offered contingent upon financing.
10. In the event that Bidder is the successful bidder, Bidder must immediately execute the Contract for Purchase and Sale and tender a nonrefundable earnest money deposit in the form of cash, check, or immediately available, certified funds and in the amount set forth by McCurdy, by 4:00 p.m. (CST) on the business day following the auction. The balance of the purchase price will be due in immediately available, certified funds at closing on the specified closing date. The Real Estate must close within 30 days of the date of the auction, or as otherwise agreed to by Seller and Bidder.
11. These Terms and Conditions, especially as they relate to the qualifications of potential bidders, are designed for the protection and benefit of Seller and do not create any additional rights or causes of action for Bidder. On a case-by-case basis, and at the sole discretion of Seller or McCurdy, exceptions to certain Terms and Conditions may be made.
12. In the event Bidder is the successful bidder at the auction, Bidder's bid constitutes an irrevocable offer to purchase the Real Estate and Bidder will be bound by said offer. In the event that Bidder is the successful bidder but fails or refuses to execute the Contract for Purchase and Sale, Bidder acknowledges that, at the sole discretion of Seller, these Terms and Conditions together with the Contract for Purchase and Sale executed by the Seller are to be construed together for the purposes of satisfying the statute of frauds and will collectively constitute an enforceable agreement between Bidder and Seller for the sale and purchase of the Real Estate.
13. It is the responsibility of Bidder to make sure that McCurdy is aware of Bidder's attempt to place a bid. McCurdy disclaims any liability for damages resulting from bids not spotted, executed, or acknowledged. McCurdy is not responsible for errors in bidding and Bidder releases and waives any claims against McCurdy for bidding errors.
14. Bidder authorizes McCurdy to film, photograph, or otherwise record the auction or components of the auction process and to use those films, recordings, or other information about the auction, including the sales price of the Real Estate, for promotional or other commercial purposes.
15. Broker/agent participation is invited. Broker/agents must pre-register with McCurdy by returning the completed Broker Registration Form no later than 5 p.m. on the business day prior to the either the auction or scheduled closing time for an online auction, as the case may be. The Broker Registration Form is available on McCurdy's website.
16. McCurdy is acting solely as agent for Seller and not as an agent for Bidder. McCurdy is not a party to any Contract for Purchase and Sale between Seller and Bidder. In no event will McCurdy be liable to Bidder for any damages, including incidental or consequential damages, arising out of or related to this auction, the Contract for Purchase and Sale, or Seller's failure to execute or abide by the Contract for Purchase and Sale.
17. Neither Seller nor McCurdy, including its employees and agents, will be liable for any damage or injury to any property or person at or upon the Real Estate. Any person entering on the premises assumes any and

all risks whatsoever for their safety and for any minors or guests accompanying them. Seller and McCurdy expressly disclaim any “invitee” relationship and are not responsible for any defects or dangerous conditions on the Real Estate, whether obvious or hidden. Seller and McCurdy are not responsible for any lost, stolen, or damaged property.

18. McCurdy has the right to establish all bidding increments.
19. McCurdy may, in its sole discretion, reject, disqualify, or refuse any bid believed to be fraudulent, illegitimate, not in good faith, made by someone who is not competent, or made in violation of these Terms and Conditions or applicable law.
20. Bidder represents and warrants that they are bidding on their own behalf and not on behalf of or at the direction of Seller.
21. The Real Estate is offered for sale to all persons without regard to race, color, religion, sex, handicap, familial status, or national origin.
22. These Terms and Conditions are binding on Bidder and on Bidder’s partners, representatives, employees, successors, executors, administrators, and assigns.
23. Bidder warrants and represents that they are at least 18 years of age and are fully authorized to bid.
24. In the event that any provision contained in these Terms and Conditions is determined to be invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions of the Terms and Conditions will not be in any way impaired.
25. When creating an online bidding account, Bidder must provide complete and accurate information. Bidder is solely responsible for maintaining the confidentiality and security of their online bidding account and accepts full responsibility for any use of their online bidding account. In the event that Bidder believes that their online bidder account has been compromised, Bidder must immediately inform McCurdy at auctions@mccurdy.com.
26. Bidder uses the online bidding platform at Bidder’s sole risk. McCurdy is not responsible for any errors or omissions relating to the submission or acceptance of online bids. McCurdy makes no representations or warranties as to the online bidding platform’s uninterrupted function or availability and makes no representations or warranties as to the online bidding platform’s compatibility or functionality with Bidder’s hardware or software. Neither McCurdy or any individual or entity involved in creating or maintaining the online bidding platform will be liable for any damages arising out of Bidder’s use or attempted use of the online bidding platform, including, but not limited to, damages arising out of the failure, interruption, unavailability, or delay in operation of the online bidding platform.
27. The ability to “pre-bid” or to leave a maximum bid prior to the start of the auction is a feature offered solely for Bidder’s convenience and should not be construed as a call for bids or as otherwise beginning the auction of any particular lot. Pre-bids will be held by McCurdy until the auction is initiated and will not be deemed submitted or accepted by McCurdy until the auction of the particular lot is formally initiated by McCurdy.

28. In the event of issues relating to the availability or functionality of the online bidding platform during the auction, McCurdy may, in its sole discretion, elect to suspend, pause, or extend the scheduled closing time of the auction.
29. In the event that Bidder is the successful bidder but fails to comply with Bidder's obligations as set out in these Terms and Conditions by 4:00 p.m. (CST) on the business day following the auction, then Bidder will be in breach of these Terms and Conditions and McCurdy may attempt to resell the Real Estate to other potential buyers. Regardless of whether McCurdy is able to successfully resell the Real Estate to another buyer, Bidder will remain liable to Seller for any damages resulting from Bidder's failure to comply with these Terms and Conditions.
30. Bidder may not use the online bidding platform in any manner that is a violation of these Terms and Conditions or applicable law, or in any way that is designed to damage, disable, overburden, compromise, or impair the function of the online bidding platform, the auction itself, or any other party's use or enjoyment of the online bidding platform.
31. These Terms and Conditions are to be governed by and construed in accordance with the laws of Kansas, but without regard to Kansas's rules governing conflict of laws. Exclusive venue for all disputes lies in either the Sedgwick County, Kansas District Court or the United States District Court in Wichita, Kansas. Bidder submits to and accepts the jurisdiction of such courts.
