Property Overview

Lithia Woods welcomes you with 4 available lots in rural Hillsborough County with convenient access to Brandon, Plant City, and Lakeland! Lot 1 of Lithia Woods features a recently remodeled 1,950 SF home with 4 bedrooms and 2.5 bathrooms. With all new flooring, paint, appliances and updates throughout, this home is move-in ready! With vaulted ceilings, exposed wood beams and large picture windows into the front yard, you'll love the ranch-house charm and views of the peaceful property! On the 3.5 acres you'll find mature landscaping, an assortment of towering trees and a small pond. Plenty of room for animals and a garden! Lot 2 of Lithia Woods brings you into a small clearing with a beautiful back drop of large trees. There is an old frame house on the property that will reduce the impact fees and there is already a working-well on the property! A perfect small-acreage homesite for your dream home! Lots 3 and 4 of Lithia Woods are both 2.5± acres situated back off the road with easement access. The lots provide extreme privacy and feature a nice balance of scattered trees and open spaces! This is a blank canvas for you to create your own rural homestead.
