Franklin County makes every effort to produce and publish the most current and accurate information possible. This information is furnished as a public service. The information must be accepted and used by the recipient with the understanding that the data was developed and collected for the purpose of determining property values, using the criteria of fair market value as established by the state. The Appraisal Value and Tax Information is based on different times during the year and, therefore, may not always reflect same year values. Franklin County assumes no liability whatsoever associated with the use or misuse of such data, and disclaims any representation or warranty regarding the completeness or accuracy of the data.

Note: Acreage and Square Footage data shown are approximate and may not be consistent with records maintained for appraisal purposes.
