Product Performance Information:

U-Factor, Solar Heat Gain Coefficient (SHGC), and Visible Light Transmittance (VLT) are certified by the National Fenestration Rating Council (NFRC).

For more information regarding the finishing, maintenance, service and warranty of all Pella® products, visit the Pella® website at www.pella.com

Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any products and does not warrant the suitability of any product for any specific use.

Design Pressure (DP), Performance Class, and Performance Grade (PG) are certified by a third party organization, in many cases the Window and Door Manufacturers Association (WDMA). The certification requires the performance of at least one product of the product line to be tested in accordance with the applicable performance standards and verified by an independent party. The certification indicates that the product(s) of the product line passed the applicable tests. The certification does not apply to mulled and/or product combinations unless noted. Actual product results will vary and change over the products life.

For more performance information along with information on Florida Product Approval System (FPAS) Number and Texas Dept. of Insurance (TDI) number go to www.pella.com/performance.

TERMS & CONDITIONS:

TERMS AND CONDITIONS OF SALE

This sales agreement consists of and is subject to the Terms and Conditions set forth on subsequent pages of this document and referred to collectively as the "Contract". Please read the entire Contract carefully before signing. These Terms and Conditions of Sale apply to and are part of the Agreement set forth in this document. The terms "Customer" and "Pella Sales Branch" and/or "Seller" throughout this Agreement shall refer to the Customer signing the Agreement and to Pella Windows and Doors Mountain West, respectively. Prices are valid for 30 days.

Contract becomes binding only upon written acceptance by Pella Windows and Doors Mountain West ("Seller").

PAYMENT TERMS: The Customer agrees to pay Pella Sales Branch the amount set forth in the Contract (the "Contract Price") for the products and services described in this Agreement. The lesser amount of one-half of the Contract Price or the maximum percentage allowed by local law is due upon the execution of this Agreement as a deposit if the customer has not been granted credit OR if the Customer wishes to reduce their balance owing. If the Customer fails to pay all amounts when due, the Customer agrees to pay a finance charge on the unpaid balance at the lower of 1.5% per month or the maximum rate allowed by

state and local law upon the earliest date allowed by state and local law or thirty (30) days from the date of the original invoice.

PERFORMANCE: All promises of shipment are estimated as closely as possible and our best efforts are used in every case to ship within the time promised, but there is no guarantee to do so. Seller shall not be liable for any direct, indirect or consequential damage or loss caused by delay in shipment. The Customer represents that it has reviewed the local building ordinances and that the material it is ordering and its intended use comply with such ordinances.

CAUSES BEYOND OUR CONTROL: Seller shall not be responsible for default, damage, loss or delay in performance due to labor trouble, fires, accidents, floods or other causes beyond its control, or due to shortages of material or transportation failures resulting from war, national or local emergency, riots, governmental priorities, embargoes and like conditions and regulations.

GLAZING: Attention is directed to the Consumer Product Safety Act and the Federal Regulation for "Architectural Glazing Materials (16 CFR 1201)." THIS LAW SPECIFIES WHERE THE USE OF TEMPERED GLASS IS MANDATORY. In any instances of claims arising from the use of non-tempered glass, it will be the sole liability of the contractor or customer who accepted the glass as specified in our proposal that the use of such non-tempered glass is not prohibited by law, and that this glass will be used in areas in which non-tempered glass is allowable. Distortion in tempered glass is common and is not considered a defect.

MATERIAL HOLD: Product not yet delivered thirty (30) days beyond the customer's original need date is subject to payment due in full at that time. Product not yet delivered forty-five (45) days beyond the customer's original need date is subject to a warehousing charge of 2% of the pre-tax project total per month. This will be due and payable before or at the time of delivery.

TAXES: The Contract Price includes all sales, consumer, use, and similar taxes with respect to the Project. The taxes shown on this contract reflect the tax rate in the appropriate jurisdiction as of the date this contract was signed as understood by Pella Sales Branch and Customer. The Customer is responsible for paying the appropriate tax for the applicable jurisdiction at the time this contract is executed including any changes that have occurred since this contract was signed.

CONSEQUENTIAL DAMAGE: Seller shall not be liable for any direct, indirect or consequential damage or loss for any reasons, including but not limited to: any defect or defects in materials, improper installation, breakage, bursting or leakage.

ACCEPTANCE OF WORK AND MATERIALS: The Customer shall immediately upon delivery inspect all material. All work performed and materials supplied under

this Proposal shall be deemed to comply with all terms of the Proposal unless Seller is notified to the contrary within five (5) days following delivery.

EXTRAS: Should Customer or Customer's representative or agent, request or agree to any deletion from, modification of, or addition to the work covered by this Agreement or request the substitution of any products listed in the Window Purchase Contract, the Customer and Pella Sales Branch shall, in advance of such deletion, modification, or addition, execute a Change Order. Any products added by Change Order may require a 50% nonrefundable deposit to be paid with the execution of the Change Order. The terms of this Sales Contract shall apply to any and all additions or changes requested by Purchaser or the Purchaser's agent. The Total Cost will be adjusted by Pella to adjust for the additions and changes. Verbal changes will not be accepted.

CANCELLATIONS AND/OR CHANGES: Because these products are custom manufactured for your order, no changes or cancellations can be made within eight (8) weeks of need date, or a cancellation fee equal to 100% of the selling price will apply.

RIGHT TO LIEN: Pella reserves any and all rights under applicable law to secure payment of all sums owing under this Sales Contract, including but not limited to the right to assert a construction lien for any materials furnished under this Sales Contract. Pella may take any and all such action to secure its right to payment at any time before or after delivery of the materials furnished to purchaser.

DEFAULTS: If the customer fails to pay pursuant to the terms of this accepted proposal, the Customer agrees to pay all reasonable attorney fees and costs (of whatever nature) incurred by the Seller to obtain collection and also agree that jurisdiction and venue for said legal action shall be with Maricopa County, Arizona.

DELIVERY CONFIRMATION: You will receive a telephone call four days before your scheduled delivery with a two hour window of when to expect your delivery. If we cannot reach you we will leave a message. If we do not receive your confirmation within forty-eight hours it will be assumed that you are not ready for delivery, and your order will be rescheduled on the next available delivery in your area. Changes to confirmed delivery dates less than 24 hours before scheduled delivery will result in a \$150 rescheduling charge.

DELIVERY DAY: Pella Windows and Doors Mountain West provides delivery assistance to the customer's garage only. We also require customers to provide assistance in unloading and delivering product to the garage.

ENTIRE AGREEMENT: There are no representations, promises, agreements, understandings or conditions (precedent or subsequent) which are not expressed herein.
