RE: Easement - Robertson County

COMMENTS:

Mr. Corbell,

Enclosed is a plat showing the existing easement and the proposed easement. If we need to discuss anything, please contact me at your convenience (800-299-4082).

We will try to close the transaction on the 187 acres during the 1<sup>st</sup> part of August. When the proposed easement change has been drawn up, I will send you a copy for your review and approval.

Since a new fence has been constructed along the property line as indicated on the plat, it would probably be best for you to enter the property at the cattle guard west of the house.

If you have any questions, please give me a call. Thanks!

Respectfully,

Howard Hoegemeyer
