ARTICLE III

COVENANT FOR MAINTENANCE ASSESSMENTS

1. The Declarant may assess initially, for each Lot (excepting specifically Lot 1 of Section A, having no subdivision road frontage), up to Seventy-Five (\$75.00) Dollars per year, for the use, upkeep, and maintenance of the rights-of-way within all sections of said Capin at Capon Bridge Subdivision, and such other common facilities as the said Declarant may provide therein, subject to any increase as provided herein-after.

2. Any assessment made pursuant to this paragraph, including late fee of Five (\$5.00) Dollars, interest at the rate of ten (10%) percent per annum from the date of delinquency, and reasonable attorney's fees incurred in the collection thereof, shall constitute a lien on this property until paid and all grantees do bind themselves, their heirs, and successors in title to this lien and to the covenants herein written. The lien is expressly inferior and subordinate to any mortgage liens presently or hereafter encumbering the property affected by these protective covenants. This assessment may not be raised by more than ten (10%) percent per year without the written affirmative vote of two-thirds (2/3) of the members of the Association entitled to vote. Sweetwater Farm, Inc., assumes the responsibility for the collection of the monies due and under the lien assessment and for the maintenance of the roads, rights-of-way and common areas until May 30, 1983, or until 80% of the property has been sold, whichever is first. At that time, the rights and responsibilities as created by this Declaration of Protective Covenants will be delegated to the Cabin at Capon Bridge Property Owners Association, who shall assume full responsibility for the collection of the fee and the maintenance of the roads, rights-of-way and common areas. The payment of said assessment and levy shall initiate upon sale of any parcel in the Cabin at Capon Bridge subdivision, and on or before the thirty-first day of January of each year. Lots may be used only for single-family residential purposes and for purposes incidental or accessory thereto, including a guest apartment or guest house, which may be rented when not otherwise occupied. No dwelling may be constructed or maintained on any Lot with a ground floor area of less than 480 square feet, exclusive of porches and garages; provided that the Declarant or Board of Directors of the Association may authorize a lesser area in unusual cases where justified by architectural design, location on Lot, and landscaping. Nor shall any dwelling be erected less than twenty-five (25) feet from the side or rear line of any Lot, nor less than forty (40) feet from the center line of any road or right of way; provided that the Board of Directors of the Association may authorize lesser set-backs where dictated by terrain conditions; and provided that side line set-backs shall not apply to a property line between lots in single ownership. All exterior construction must be completed and closed within eight (8) months of the commencement of construction. No building of temporary nature shall be erected or placed on any of said Lots except those customarily erected in connection with building construction operations; and in such cases, for a period not to exceed four (4) months. Consequently, in construction of a driveway into any lot, a twelve (12) inch diameter culvert, or larger, if necessary, shall be used in constructing the driveway in order to prohibit blockage of natural drainage or any drainage ditch. No parking is permitted upon any road within the Property at any time; and as part of the development of any Lot, the Owner shall provide adequate off-road parking for himself and his guest(s).
3. No sign of any kind larger than one square foot shall be displayed on any lot, except temporary signs in connection with the construction, lease, or sale of buildings on lots, except road name and directional signs.

ON ANY OTHER LOTS within said subdivision the use of trailers is unauthorized, except for the use of temporary camping trailers. Camping trailers may not exceed twenty-five (25) feet in length. This covenant shall not be construed to permit the use of a camping trailer or camper as permanent housing; no such camping trailer or camper shall be permitted to remain on any Lot for a period in excess of four (4) months.
5. No noxious or offensive trade or activity shall be carried on upon any Lot or right of way, nor shall anything be done thereon which may be or become an annoyance or nuisance to the community. Without exclusivity, the following items and activities must be thoroughly screened by appropriate planting or a fence of approved design:
 - a. Refuse containers. All refuse must be kept in closed sanitary containers at all times.

7. The use of any motorcycle or motor vehicle without proper noise abatement and equipment is prohibited within the subdivision.

8. The Owner shall maintain, repair and restore, as necessary, the exterior of any building or other improvements erected on any Lot owned by him. Owners likewise agree to repair and restore promptly to its prior condition any part of a subdivision road damaged by equipment of Owner or his contractor enroute to or from Owner's Lot. All Lots improved or unimproved, must be maintained by Owner in a neat and orderly condition at all time. No garbage, trash or inoperative vehicle or other debris shall be permitted to accumulate or remain on any Lot. In the event any Owner shall fail to discharge his aforesaid responsibilities in a manner satisfactory to the Declarant or Board of Directors of the Association, upon two-thirds (2/3) vote of the Board of Directors, and after fifteen (15) days notice to the Owner, shall have the right, through its agents and employees, to enter upon said Lot and perform necessary maintenance, repairs and restoration, or to remove any offending material or object. Such action shall not be deemed a trespass, and all cost of same when performed by the Declarant or Association shall be added to and become part of the assessment to which such Lot is subject.

9. The "conservation zones" shown on the subdivision plat shall constitute an easement for the use of all property owners and their guests in order that they may enjoy more fully the ecology and natural environment of Cabin at Capon Bridge subdivision. Therefore, no permanent structure shall be erected within these zones.

10. No Part of any Lot may be sold or used as a road or right-of-way to any Land outside the property without the advance, written premission of Declarant.

11. The Association, by a vote of two-thirds (2/3) of its members may make additional rules, covenants and restrictions for the use of the Property, which together with the above, may be enforced by fines or other penalties.

ARTICLE V GENERAL PROVISIONS

1. Declarant reserves the right to replat any Lot or Lots prior to delivery of a deed to an original purchaser. Nothing herein shall be construed to prevent Declarant from imposing additional covenants or restrictions on any Lot not already conveyed by it. No Lot in said subdivision may be resubdivided by the Purchaser, his heirs, successors and assigns into more than two (2) Lots. The minimum size of each Lot subdivided, including the Lot retained by the Owner, shall not be less than five (5) acres.

8. The Association, or any Owner, shall have the right to enforce, by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges not and hereafter imposed by the provisions of this Declaration. Failure by the Declarant or Association or by any Owner to enforce any provision herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9. Additional property may be annexed to the Property with the consent of two-thirds (2/3) of the members of the Association.

10. The covenants, restrictions, and other provisions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety (90) percent of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five (75) percent of the Lot Owners.

Invalidation of any of the covenants, restrictions, or other provisions of this Declaration by judgment or Court Order shall in no wise affect any other provisions, which shall remain in full force and effect.
