Tract 9

Tract 18

Tracts w/Well Water on the Property:

Tract 1

Tract 2

Tract 9

Tract 24

*The City of Richland Springs currently has water lines adjoining all tracts. They have made the seller aware of a grant that has been approved to make water lines larger, so they can add more meters. This will allow them to service all tracts. The seller has applied for (15) water meters and put-up deposits. When these are available, they will be transferred to the buyers at cost.

Options for water:

1. Accreditable Water Well Companies
2. Community Water from the City of Richland Springs, TX
