

C.S. # 10,408
FILED 9-28-83
LINCOLN COUNTY SURVEYOR

SURVEY OF THE N.W. 1/4 OF THE S.E. 1/4 OF SECTION 6,
TOWNSHIP 13 SOUTH, RANGE 11 WEST, OF THE WILLAMETTE
MERIDIAN, EXCEPTING THE S. 1/2 OF THE S 1/2 OF THE
N.W. 1/4 OF THE S.E. 1/4 OF SAID SECTION 6, LINCOLN
COUNTY, OREGON

NARRATIVE: This survey is based on County Surveys 4210
and 10,319. I began this survey by recovering hubs set
along the line between the C.E. 1/16 and the E. 1/16 cor-
ner as established by County Survey 10,319. These points
were used for a basis of bearings and for position. I
then ran a random traverse to set the corner shown as set.
