"Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).

"Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

provider,	6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance including the National Flood Insurance Program (NFIP)?* yes _v no if yes, explain (attach sheets as necessary):
Even	es in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the ure(s).
Administ	7. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business ration (SBA) for flood damage to the Property?yes _v_no If yes, explain (attach additional necessary):
	B. Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) not aware.)
Y N	Room additions, structural modifications, or other alterations or repairs made without necessary permits, with unresolved permits, or not in compliance with building codes in effect at the time.
_ 🗸	Homeowners' associations or maintenance fees or assessments. If yes, complete the following: Name of association: Manager's name: Fees or assessments are: \$
	below or attach information to this notice. Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided interest with others. If yes, complete the following: Any optional user fees for common facilities charged?yes no if yes, describe:
	Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.
	Any lawsuits or other legal proceedings directly or indirectly affecting the Property. (Includes, but is not limited to: divorce, foreclosure, heirship, bankruptcy, and taxes.)
_ ✓	Any death on the Property except for those deaths caused by: natural causes, suicide, or accident unrelated to the condition of the Property.
	Any condition on the Property which materially affects the health or safety of an individual.
/	Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold. If yes, attach any certificates or other documentation identifying the extent of the remediation (for example, certificate of mold remediation or other remediation).
	Any rainwater harvesting system located on the Property that is larger than 500 gallons and that uses a public water supply as an auxiliary water source.
