Description

Grayson Island sits on the Sacramento-San Joaquin Delta at the confluence of the two Rivers in Sacramento County. The Island is a 20-acre private island about 100' from Sherman Island. The island was previously a family compound with two cabins but has not been visited for over 50 years! The cabins are uninhabitable, but their footprint remains. There are remains of a dock and possible electricity at one time. Across from Eddo's Marina, one can enjoy such recreation as Fishing, Boating, and Camping. The private island is accessible by boat, with sunset views of Mt. Diablo. By Car, Sherman Island is an hour from San Francisco or 34 nautical miles by boat. The area is a highly desired windsurfing spot!
