

Murray's Farm

New Era Land Company

288 Acres - \$936,000 - Schley County, GA

Approximately 200 acres are planted with some of the best stands of pre merch pine around with the rest consisting of massive old-growth hardwoods. Plentiful acorns, established food plots, and persimmon trees provide wildlife with abundant food sources. Located along the Buck Creek corridor, quality deer and turkey have been taken in recent years. If you are looking for a premier timber investment and recreational tract, Murray's Farm is for you.
