nets. The main floor master bedroom includes a full bathroom with a standalone tub and walk in shower. The second floor includes two bedrooms with a jack and jill bathroom.

Walk out the back door onto the deck overlooking the large lake. This west facing back deck is ideal for watching the sunset over the lake. The owner tells us the lake is full of largemouth bass, crappie, and bluegill. Behind the lake there is room for hunting among natural grasses and cedar trees.

The property also includes a nice shed with two large roll up doors. This shed has water lines pre-run in the floor if you wish to attach a stove to heat it. The property does not currently have a well or county water. The current owner hauls water in and uses a buried 1,200 gallon tank. This tank has a pump and filtration system that supplies water to the home. Hauling tanks will also convey with the property.

If you're looking for rural living or that country getaway, this is it! The home is 15 minutes Vandalia, 16 minutes to Middletown, 28 minutes to Bowling Green, 1 hour to Wentzville and Hannibal.
