It is incumbent upon buyer to exercise buyer's own due diligence, investigation, and evaluation of suitability of use for the real estate prior to bidding. It is buyer's responsibility to have any and all desired inspections completed prior to bidding including, but not limited to, the following: roof; structure; termite; environmental; survey; encroachments; groundwater; flood designation; presence of lead-based paint or lead based paint hazards; presence of radon; presence of asbestos; presence of mold; electrical; appliances; heating; air conditioning; mechanical; plumbing (including water well, septic, or lagoon compliance); sex offender registry information; flight patterns, or any other desired inspection. Any information provided or to be provided by seller or McCurdy was obtained from a variety of sources and seller and McCurdy have not made any independent investigation or verification of such information and make no representation as to the accuracy or completeness of such information. The Title Commitment Schedule B Part II-Exceptions will be added as a supporting document on McCurdy.com at the time it is provided by the title company. Auction announcements take precedence over anything previously stated or printed. Total purchase price will include a 10% buyer's premium (\$2,500.00 minimum) added to the final bid.
