The termination of any action, suit or proceedings by settlement, or upon a plea of Nolo Contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee,

ARTICLE VI ARCHITECTURAL CONTROL COMMITTEE

6.1 Approval of Plans and Specifications. All Dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or professional designer unless otherwise approved by the Committee. All fill brought onto the Lot must be approved by the Committee prior to placing on Lot. No Improvement shall be commenced, erected, constructed, placed or maintained upon any Lot, no site or dirt work shall be commenced, and no exterior addition to or change or alteration shall be made until the Plans and Specifications therefor shall have been submitted to and approved by the Architectural Control Committee. Construction of any structure approved by the Committee shall be commenced within six months of such approval or the approval shall be null and void and of no further effect and such plans and specifications must then be resubmitted for approval.

6.2 Membership of Architectural Control Committee. The Architectural Control Committee shall consist of not less than three nor more than five voting members ("Voting Members") and such additional nonvoting members serving in an advisory capacity ("Advisory Members") as the voting members of the Committee deem appropriate. The members of the Architectural Control Committee are not required to be Lot Owners or Members of the Association.

6.3 Actions of the Architectural Control Committee. The Architectural Control Committee may, by resolution, unanimously adopted in writing, designate one or two of its members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Architectural Control Committee. In the absence of such designation, the vote of a majority of all the members of the Architectural Control Committee taken without a meeting, shall constitute an act of the Architectural Control Committee.

6.4 Term. The Declarant shall appoint the initial members of the Architectural Control Committee. Such members shall serve until the termination of the Development Period or until Developer delegates its rights by execution of a written document filed with the records of the Association. If any member resigns during the Development Period, the Declarant shall appoint its replacement. Such members are not required to be a Lot Owner. The Architectural Control Committee will act solely in the Declarant's interest and will owe no duty to any other Owner or the Association until the earlier of the termination of the Development Period or the Declarant delegates its rights, in writing, to the Members.

6.5 Adoption of Rules. The Architectural Control Committee may adopt such procedural and substantive rules, not in conflict with this Declaration, as it may deem necessary or proper for the

performance of its duties, including but not limited to, a building code, a fire code, a housing code, and other similar codes as it may deem necessary and desirable. The Architectural Control Committee shall adopt Design Guidelines which shall be incorporated herein for all purposes.

6.6 Review of Proposed Construction. Whenever in this Declaration, or in any Supplemental Declaration, the approval of the Architectural Control Committee is required, it shall consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts and information which, in its sole discretion, it considers relevant, and may require an Owner to provide such other information as it deems relevant. Except as otherwise specifically provided herein, prior to the commencement of any construction of any Improvement on the Lot or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Control Committee, and construction thereof may not commence unless and until the Architectural Control Committee has approved such Plans and Specifications in writing. The Architectural Control Committee may postpone review of the Plans and Specifications until such time as the Architectural Control Committee has received all information reasonably requested. If the Architectural Control Committee fails to approve or disapprove in writing any plans and specifications within thirty days following the submission of plans, or the receipt of any requested additional information, such plans and specifications shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance of such plans and specifications. The Architectural Control Committee shall perform such other duties assigned to it by this Declaration or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Architectural Control Committee. The Architectural Control Committee's approval of any Plans and Specifications shall not be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes. All decisions of the Architectural Control Committee may be appealed to the Board of Directors of the Association. The appeal process shall be established by the Board of Directors but shall be similar to the process set forth in Section 209.006 and 209.007 of the Texas Property Code.

Simultaneously with the submission of any plans and specifications, the Builder or Owner of the Lot shall submit \$1,000.00 for a construction deposit to the Association. Such amount may be increased by the Board of Directors and set forth in the Design Guidelines so long as it is not increased by more than 10% in any one year. This deposit shall be to guarantee that the Owner of the Lot, as well as any Contractor or Subcontractor, adheres to the provisions of this Declaration. If the Committee or the Association must remedy a violation, the cost of such remedy shall be charged against these funds. This provision does not limit any other relief to which the Association or Committee is entitled to under this Declaration, at law or in equity or limit the amount of damages for which the Owner is liable. If, upon the completion of the Dwelling and all landscaping, the covenants have been complied with, the lesser of one-half of the deposit or any amount not used for remedying a violation shall be returned to the person or entity which deposited the funds. No interest shall accrue on such funds.

6.7 Variances. The Committee and/or the Developer (prior to the termination of the Development Period) may, on a case by case basis, authorize variances from compliance with any of the provisions of either (i) the Restrictions or (ii) minimum acceptable construction standards, regulations and Design Guidelines as promulgated from time to time by the Developer or the Committee. Notwithstanding, after the termination of the Development Period, both the Developer

and the Committee shall have the right to grant a variance from the Building set-back line restrictions. Either party may grant this variance as it determines, in its sole discretion is needed, without the consent of the other. Such variances must be evidenced in writing and shall become effective when signed by the Developer or by at least a majority of the members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of these Restrictions for any purpose except as to the particular Lot and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lot concerned.

6.8 No Waiver of Future Approvals. The approval or consent of the Architectural Control Committee to any Plans or Specifications for any work done or proposed in connection with any other matter requiring the approval or consent of the Architectural Control Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatsoever, subsequently or additionally submitted for approval or consent by the same or a different person.

6.9 Work in Progress. The Architectural Control Committee, at its option, may, but shall not be required to, inspect all work in progress to ensure compliance with approved Plans and Specifications. For this purpose, the Committee shall have a nonexclusive easement for ingress and egress across each Lot.

6.10 Certificate of Compliance. Upon completion of any Improvement approved by the Architectural Control Committee and upon written request by the Owner of the Lot, the Architectural Control Committee shall issue a "Certificate of Compliance With Approved Plans and Specifications" in a form suitable for recordation. The Certificate shall identify the Lot and the Improvements, the use or uses to be conducted thereon, and the Plans and Specifications on file with the Architectural Control Committee pursuant to which the Improvements were made and shall specify that the Improvements comply with the approved Plans and Specifications. The Certificate shall not be construed to certify the acceptability, sufficiency or approval by the Architectural Control Committee of the actual consideration of the Improvements or of the workmanship or material thereof.

The Owner is hereby notified that the Certificate in no way warrants, except as set forth above, the sufficiency, acceptability or approval by the Architectural Control Committee of the construction workmanship, material and or equipment of the Improvements. Preparation and recordation of such a Certificate shall be at the expense of the Owner of the Lot.

6.11 Non-Liability of Committee Members. NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

ARTICLE VII
FUNDS AND ASSESSMENTS

7.1 Assessments.

(A) Developer shall not be required to pay an Assessment on any Lot owned by Developer. All other Assessments established hereunder or by the Board pursuant to the provisions of this Article VII shall be levied on a uniform basis against each Lot within the Property. Lots which have been re-platted to create a larger lot shall continue to pay assessments at a rate equal to one assessment for Each Lot. The Developer shall determine the assessments against each Lot until the end of the Development Period.

(B) Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Lot against which the Assessment falls due, and shall become a lien against each such Lot and all Improvements thereon. The Developer and/or the Association may enforce payment of such assessments in accordance with the provisions of this Article.

(C) Where the obligation to pay an Assessment first arises after either the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose to the duration of the Assessment year or other period remaining after said date.

7.2 Maintenance Fund. The Developer shall initially establish, and the Board shall thereafter continue, a maintenance fund into which shall be deposited all monies paid the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration. The funds of the Association must be used solely for purposes authorized by this Declaration, as it may from time to time be amended. Nothing contained herein shall limit, preclude or impair the establishment or other maintenance funds by a Sub-association pursuant to any Supplement Declaration.

7.3 Regular Annual Assessments. Prior to the beginning of each fiscal year the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under Creekside at Camp Verde, Phase 1, Restrictions, including but not limited to, the cost of all maintenance, the cost of enforcing Creekside at Camp Verde, Phase 1, Restrictions, and a reasonable provision for contingencies and appropriate replacement reserves. Assessments sufficient to pay such estimated net expenses and the level of Assessment set by the Board shall be final and binding so long as it is made in good faith. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal quarterly installments on or before the first day of each quarter, or in such other manner as the Board may designate in its sole and absolute discretion. In no event shall the regular Assessment per Lot for the year 2022 exceed the sum of \$695.00 per year.

7.4 Special Assessments. In addition to the Regular Annual Assessment, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against all Lots and may be enforced in the same manner as the Regular Annual Assessment.

7.5 Owner's Personal Obligation for Payment of Assessments. The regular Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such Assessments. No Owner may exempt himself from liability for such Assessments by nonuse of the Common Areas or sale of his Lot. In the event of default in the payment of any such Assessment, the Owner of the Lot shall be obligated to pay interest on the amount of the Assessment from the due date at a percentage rate of twelve percent (12.0%) per annum, or the highest amount allowed by law, whichever is lower, together with all costs, and expenses of collection, including reasonable attorney's fees.

7.6 Creation of Lien and Personal Obligation. In order to secure the payment of the assessments, fees and other charges hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Lot which may be foreclosed on, either judicially or non-judicially, in compliance with the applicable law, such as Section 51 of the Texas Property Code (and any successor statute) and Section 209 of the Texas Property Code and each such owner hereby expressly grants the Association a power of sale in connection with such statute. The Association shall, whenever it proceeds with foreclosure pursuant to the provisions of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Kerr County, Texas. In the event that the Association has determined to foreclose the lien pursuant to the provisions of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended and shall convey such Lot to the highest bidder for cash by Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third, the remaining balance shall be paid to such Owner. Subject to Section 51 and 209 of the Texas Property Code, following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder. In the event of non-payment by any Owner of any assessment, fee or other charge levied hereunder, the Association may, in addition to foreclosing the lien and exercising the remedies provided, upon ten (10) days prior written notice to such non-paying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 7.6 to comply with the provisions of Section 51 and 209 of the Texas Property Code and Rules 735 and 736 of the Texas Rules of Civil Procedure relating to non-judicial foreclosure sales by power of sale and, in the event of the amendment of Sections 51, or 209 of the Texas Property code, or Rules 735 or 736 of the Texas Rules of Civil Procedures hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration file in the Real Property Records of Kerr County, Texas, amend the provisions hereof so as to comply with

said amendments to said Sections.

7.7 Notice of Lien. In addition to the right of the Association to enforce the assessments, fees or other charge levied hereunder, the Association may file a claim or lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have accrued thereon, (d) the legal description and street address of the Lot against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured hereby and all subsequently accruing amounts are fully paid or otherwise satisfied.

When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument.

7.8 Liens Subordinate to Mortgages. The lien described in this Article VII shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit-sharing trusts or plans, or any other third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Lot and any renewal, extension, rearrangement or refinancing thereof, including home equity loans. Each such Mortgagee of a Mortgage encumbering a Lot who obtains title to such Lot pursuant to the remedies provided in the deed of trust or Mortgage or by judicial foreclosure shall take title to the Lot free and clear of any claims for unpaid assessments, fees or other charges against such Lot which accrued prior to the time such holder acquired title to such Lot. No such sale or transfer shall relieve such holder from liability for any assessments, fees or other charges thereafter becoming due or from the lien thereof. Any other sale or transfer of a Lot shall not affect the Association's lien for assessments, fees or other charges. The Association shall make a good faith effort to give each such Mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of lien described herein, which notice shall be sent the nearest office of such Mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent assessments, fees or other charges upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VII.

ARTICLE VIII EASEMENTS

8.1 Reserved Easements. All dedications, limitations, restrictions and reservations shown on a Plat and all grants and dedications of easements, rights-of-way, restrictions and related rights, made by Declarant prior to the Property becoming subject to this Declaration, are incorporated herein by reference and made a part of this Declaration for all purposes, as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Property. Declarant reserves the right to make changes in and additions to the said easements and rights-of-way for the purpose of most efficiently and economically developing the Property. Further, Declarant reserves the right,

By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service lines or other utility facilities or appurtenances thereto, under the Property, within the public utility easements from time to time existing and from service lines situated within such easements to the point of service on or in any Improvement. Notwithstanding any provision contained in this section, no sewer, electrical lines, water lines or other utilities or appurtenances thereto may be relocated on the Property until approved by Declarant or the Architectural Control Committee. Additionally, it shall be expressly permissible for the utility companies and other entities supplying service to trim overhanging trees and shrubs which are located on portions of the Property abutting such easements in the event it shall be determined that such overhanging limbs and shrubs shall interfere with the maintenance of the utilities.

8.3 Drainage Easements. Each Owner covenants to provide easements for drainage and water flow, as contours of land and the arrangement of Improvements approved by the Architectural Control Committee thereon, require. Each Owner further covenants not to disturb or displace any trees or other vegetation within the drainage easements as defined in this Declaration and shown on the Plat. There shall be no construction of Improvements, temporary or permanent in any drainage easement, except as approved in writing by the Architectural Control Committee.

8.4 Surface Areas. Each Owner shall maintain the surface area of all easements located within his Lot and all improvements located therein except for such improvements for which a public authority or utility company is responsible. The surface of easement areas for underground utility services may be used for planting of shrubbery, trees, lawns or flowers. However, neither the Declarant nor any supplier of any utility or service using any easement shall be liable to any owner or to the Association for any damage done by them or either of them or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of any activity relating to the construction, maintenance, operation or repair of any facility in any such easement area.

8.5 Title to Easement and Appurtenances Not Covered. Title to any Lot conveyed by Declarant by contract, deed or other conveyance shall not be held or construed in any event to include the title to any roadways or Common Area or any drainage, water, gas, sewer, storm sewer, electrical light, electrical power, telegraph or telephone way, or any pipes, lines, poles or conduits on or in any utility facility or appurtenances thereto, constructed by or under Declarant or its agents through, along or upon any Lot or any part thereof to serve said Lot or any other portion of the Property, and the right to maintain, repair, sell, or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved by Declarant.

8.6 Common Areas. Each Owner shall have an easement of use and enjoyment in and to all Common Areas which shall be appurtenant to and shall with title to such Owner's Lot, subject to the following restrictions:

(A) The right of the Association to suspend the Owner's voting rights and right to use the Common Areas for any period, during which any Assessment against such Owner's Lot remains unpaid, and for any period during which the Owner is in violation of the rules and regulations of the Association;

(B) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be approved by a majority vote of the Members;

(C) The right of the Association to borrow money for the purpose of improving the Common Areas and, in furtherance thereof, to Mortgage the Common Areas, all in accordance with the Certificate of Formation and Bylaws;

(D) The right of the Association to make reasonable rules and regulations regarding the use of the Common Areas and any facilities thereon, including but not limited to the number of guests allowed; and

(E) The right of the Association to contract for services with third parties on such terms as the Association may determine.

8.7 Road Easement. The roads within Creekside at Camp Verde, Phase 1, have been or will be conveyed to the Association for use as a road. Each Lot Owner is hereby granted a nonexclusive easement for vehicular or pedestrian ingress and egress to and from their Lot(s), any public right-of-way and all Common Areas over and across said roads. The Association shall, at all times, allow Lot Owners access over such easements, regardless of whether such Lot Owner is current with his dues or in compliance with these restrictions. Except as specifically set forth herein, no improvement shall be constructed on or over such easement by any Lot Owner and no action shall be taken by any Lot Owner on or over this easement which would prevent other Lot Owners to have access to their individual properties. The Association shall be responsible for the maintenance of such road. Developer reserves the right to grant easements over the roads to third parties who are not Owners within the Property.

8.8 Drainage Easement. The easements located on the plat as drainage easements shall be maintained by the Lot Owner. The Lot owner shall not fence this area or place any other obstructions within such area that would prevent drainage along this area for the benefit of the subdivision.

8.9 Access Easement. Access easements are located within the private roads for the purpose of providing public safety services, police, fire and medical services, utility meter reading and other similar services as more fully set forth on the plat.

8.10 Easements to Serve Additional Land. The Declarant hereby reserves for itself and its duly authorized agents, representatives and employees, successors, assigns, licensees and mortgagees, an

easement over the roadways within the Subdivision and/or the Property and any other roadways or access easements and Common Areas for the purposes of enjoyment, use, access, and development of Additional Land, whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of the roads, for the posting of signs and for connecting and installing utilities serving the Additional Land. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Areas as a result of vehicular traffic connected with development of Additional Land. Declarant reserves the right to convey this non-exclusive easement to any current or successive owner or owners of any part of the Additional Lands.

8.11 Oak Wilt. All Owners are advised to secure from the Texas Forest Service, the Texas Extension Forester at Texas A & M University or its local county agent information on oak wilt and other diseases which may infect their trees and possibly spread to trees on other Lots. Each Owner is responsible for taking such actions as may be necessary on his property to ensure that oak wilt and other diseases are not spread to the trees of other Owners. Because there is no known cure for oak wilt and oak wilt almost always spreads from a diseased tree to its neighboring oak trees, each Owner shall properly treat or destroy all infected oak trees, avoid unnecessary pruning, and shall immediately apply dressing to all wounds on all oak trees. If oak wilt is detected, a trench of 48 inches in depth should be established a minimum of 100 feet from the last symptomatic tree so as to prevent the oak wilt from spreading through connecting roots. Oak trees are most susceptible to oak wilt from February 1 to June 1. As a precaution, Owners should (i) avoid using firewood from infected oak trees, (ii) dispose of unused oak firewood after one heating season, and (iii) cut firewood only in the summer. Owners should use fungicide propiconazole to treat uninfected oaks when first informed of oak wilt being present on nearby trees. The foregoing information regarding oak wilt is provided to alert Owners and neither Declarant nor the Association shall be liable to any Owner in connection with the existence of spread of oak wilt on any Lot.

8.12 Geological Features: Caves and Sinkholes. Natural caves, sinkholes and/or other geological features may exist on some of the Lots in the Property. Each prospective Owners should personally inspect the Lot in which he is interested and/or seek the advice of a professional engineer and/or geologist to assure himself of the location of any such caves, sinkholes and/or other geological features which may be located thereon.

(C) By Directors. The Board of Directors may amend these Restriction acting alone solely to comply with any State statute.

9.4 Notices. Any notice permitted or required to be given this Declaration shall be in writing and may be delivered either personally or by mail. right of Declarant to excavate and grade, to construct and alter drainage patterns and facilities to construct any and all other types of improvements anywhere within the Property, however, the construction of sales and leasing offices and the posting of signs advertising the sale and leasing of Lots by Declarant shall be limited to Lots owned by the Declarant.

9.7 Assignment by Declarant. Notwithstanding any provision in this Declaration to the contrary, Declarant may assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any other person or entity and may permit the participation, in whole or in part, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder.

9.8 Enforcement and Nonwaiver.

(A) Right of Enforcement. Except as otherwise provided herein, any Owner at his own expense, Declarant and/or the Board shall have the right to enforce all of the provisions of the Creekside at Camp Verde, Phase 1, Restrictions.

(B) Nonwaiver. The failure to enforce any provision of the Creekside at Camp Verde, Phase 1, Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of said restrictions.

(C) Liens. The Association shall have the right, when appropriate in its judgment, to claim or impose a lien upon any Lot or Improvement constructed thereon in order to enforce any right or effect compliance with this Declaration.
