PROFESSIONAL BACKGROUND

Harrison is a native of Lake County, Florida, who graduated from the University of Central Florida with a bachelor's degree in finance and a minor in economics. While earning his degree, he started his career in corporate finance, working for a defense subcontractor as a finance intern. Before graduation, his internship evolved into becoming the company's Controller, reporting directly to the CFO.

Through the process of purchasing his first home, Harrison fell in love with real estate. He received his real estate license at the beginning of 2021 and decided to pursue the industry full-time. While working with his first broker, Harrison formed his own company to help investors find opportunities in the red-hot post-COVID real estate market. Through working with these investors, Harrison has helped build many single-family rental portfolios, as well as his own.

While helping investors build and liquidate their portfolios, Harrison worked with some of the Advisors at SVN | Saunders Ralston Dantzler. He was so impressed with the company's support and available resources that he decided to join the team.

Harrison still has his own consulting firm assisting smaller businesses with various financial services, from bookkeeping to real estate development analysis. He also is a partner in a family-owned home care business in The Villages, where he applies his financial expertise. Harrison's specialties include Land Development Sales & Analysis, SFR portfolios, and Business Financial Review.

When he is not working, Harrison enjoys playing soccer, traveling, free diving, spearfishing, sailing, and taking out his Mastercraft.

Harrison specializes in:

- Land Development Sales
- SFR Portfolios
- · Highest & Best Land Use
- Business Financial Review
- Negotiation
