Weighted Average					129

Comments

This is a secluded property with approximately 22.56 acres of timber and a creek, making it a prime hunting location. This property also provides potential building locations for quiet, rural living.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
