House

There is a 1½-story home with 1,195 finished square feet, built in 1904. The main level includes an eat-in kitchen, family room, living room, mud/laundry room, a bedroom and a full bathroom. There are two bedrooms on the upper level. An enclosed porch is on the west side of the home and an attached porch is on the east side of the home, which provides access to the basement. The basement is block and limestone foundation.

Land Description

Topography is gently rolling.

Drainage

Drainage is natural.

Buildings/Improvements

Outbuildings include a two-stall detached garage, small work shed and old livestock barn.

Water & Well Information

The well is located northeast of the house.

Septic System

The septic is located west of the house. The Seller is exempt from the time of transfer inspection as the Seller is an Estate.

LP Tank

The LP Tank is rented from Linn Coop for \$75 per year.

Water Softener

The water softener is rented from Neal's Water Conditioning.

Comments

This 8.92-acre property boasts some of the most captivating views in all of Linn County. To the west, an attractive timber changes with the seasons. To the east, rolling prairie stretches out toward the horizon. The 3-bedroom home has a warm and inviting ambiance, with natural light and fresh breeze streaming in through large windows in the family room and enclosed porch. Outside are opportunities

to soak in the beauty of the natural world from the southeast facing deck, around the fire pit or while picking fruit from mature fruit trees (three peach trees and one apple tree). This is an opportunity to own a slice of rural paradise with easy access to Marion and Cedar Rapids.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate.
