

INFORMATION ABOUT SQUARE FOOTAGE

PROPERTY ADDRESS: 402 Hidden Oaks

Measuring the square footage in a home is not an exact science. Calculations can vary based on the person doing the measurement, the information available, and the age of the calculation. RE/MAX LakeSide Dreams does not measure for or calculate square footage of the homes it either lists or assists you in buying. If the square footage of the house you are interested in purchasing is a factor in your decision, you are encouraged to have the measurement calculated by a qualified professional, such as an appraiser, engineer or architect.

In marketing this home, RE/MAX LakeSide Dreams was provided with the following square footage calculations, provided by the following sources. Again, RE/MAX LakeSide Dreams has not, and cannot verify the accuracy of the following information. Rather, you are encouraged to make your own inspection or inquiry if the amount of square footage is a factor in your decision.
