CALL AGENT FOR A SCHEDULED VIEWING

This is a rare opportunity in the heart of western MN prairie country. Over a quarter section of top end hunting ground located approx. 3 miles east of Appleton. The property is in the state Reinvest in MN conservation easement, but this isn't just a block of prairie grass that gets laid down with the first heavy snow. Check out the property video, drone pictures and interactive map to see that there are plenty of areas of prairie grass but it is intermixed between a whole variety of small to large winter cover wetland/slough complexes, willow patches, tree clusters, brush, ditch lines and tree lines. All together it's about diversity for providing needed habitat throughout the entire year and making a property attractive to wildlife. I have not only been on the property obviously in recent times to witness the quality of the nesting components but have personally had the pleasure to hunt it as well in the late season for pheasants. I'm here to tell you, that the cover is nothing short of superior and all one could hope for from early season to late. Besides this, it hunts "big" given all the nooks and crannies one has to check out which is great for small or larger groups. This fall is going to be great in my opinion for pheasants given the number of birds I have seen/heard on the property much less in the area. My personal hunting experience was a couple of times and on both occasions, there was a number of deer that got bumped out of the thick cover. Again, the variety of habitats provides screening all over, which allows for already established and plenty of potential future stand locations. Speaking of which, there is a Muddy and multiple Banks Outdoors enclosed blinds that will be included with the sale. If not familiar, these are top-end quality blinds not just cheap plastic on legs. You may be thinking about food plots, food plots are generally allowed on RIM and verification one way or the other will be obtained from the SWCD office but, there are some nice areas for these as well. One also has to look at the overall bigger picture and this property is already big but, this property has additional larger blocks of habitat adjacent to it much less within the surrounding sections adding to the ability of the area as a whole to grow and hold wildlife. There's not a ton of open water on the property, but I wouldn't rule out some utilization of the variety of smaller pockets, especially early season. If this property seems intriguing but you also would like more waterfowl opportunities, one is in arguably one of if not the best areas in the state for public land waterfowl hunting, and its literally right next door west of Appleton in the Marsh Lake/Lac Qui Parle Lake areas much less traveling a short distance out towards Ortonville. Keep in mind as well that Lac Qui Parle Lake is a tremendous fishery much less Big Stone Lake just to the west for when there's work to do on the property in the off-season and you'd like to make a weekend out of it and lodging is available right in Appleton much less all the amenities one would need. All in all, you simply have to see the property in person to appreciate and understand all that it has to offer as its impressiveness is only fully witnessed in person.

TERMS OF SALE

Please familiarize yourself with the terms and conditions as all sales are final and irrevocable. The terms of sale are non-negotiable. Good luck and good bidding!

Registration at the auction (online and/or in person) finalizes each bidder's agreement to the terms and conditions of sale as stated in the Contract and its Addenda which are incorporated by reference into your bidding. Do not bid until you have read and agree to the terms and conditions. By bidding you are representing that you have read and agree to be bound by the terms and conditions for this sale as stated herein. DO NOT BID unless you have registered, received a Bidder's Card or paddle number and have read and agreed to be bound by the terms of sale in the Contract as they are enforceable against you upon becoming a high bidder. The successful bidder will be required to execute a Sales Agreement at the conclusion of the auction and submit the appropriate down payment in a timely manner as instructed by the Auctioneer.

All properties are sold "AS IS, WHERE IS" with no financing, inspection or other contingencies to sale. The Broker and Auction Company represent the seller only and do not inspect properties on the bidder's behalf. Read the Contract and Auction Day Notes to determine the existence of any disclosures, exclusions, representations and disclaimers. Do not bid if you have not inspected the property(ies). By bidding you agree to all disclosures.

Buyers receive a deed and Title Insurance Policy as provided by the Closer indicated in the Contract (any mobile/manufactured housing not legally affixed to the property shall only be conveyed by a Hold Harmless Agreement or Quitclaim Bill of Sale unless otherwise noted in the Disclosures). The current year's taxes are prorated through the day of closing as is customary unless otherwise noted or announced on sale day.

Or in abstract states, the seller shall provide a continuation of the abstract of title through the date of sale for the buyer or buyers attorney to examine.

The sale of this property may be subject to a Buyer's Premium, which will be added to the high bid and included in the total purchase price. Please see the Auction Day Notes, The Contract for Sale, and/or the Auctioneer for specifics about the property you wish to bid on.

Tracts sold by the acre - The contract will indicate the current acreage, bid per acre and the high bid will be the current acreage multiplied by the high bid per acre. If a survey is required prior to closing that would result in a change to acreage, the contract will be adjusted to that acreage prior to closing and the purchase price will reflect that change in acreage.

If a survey is required, it is typically done immediately following the auction. The per acre bid at auction will then be multiplied by actual surveyed acres to determine the final sales price at closing. The purchase agreement and sales day announcements will identify the party responsible for survey cost.

Each high bidder must sign a purchase agreement and make a 10% non-refundable deposit immediately following the auction to the designated Title Company or escrow agent noted on the Purchase Agreement. Cash, wire transfers, cashier's checks, personal checks and business checks (electronically processed) are accepted. For online only auctions, wire transfers are the preferred method for deposits. Wire instructions will be sent from the escrow agent or title company at the conclusion of the auction or the next day. The balance of the purchase price and all closing costs are due within 30 days unless otherwise noted or announced.

Bidding starts at the nominal Opening Bid(s) indicated and is open to the public. The Auctioneer reserves the right to group, add to, delete, withdraw, consolidate or break down lots and/or quantities offered, to sell out of scheduled sequence, to reject any bid which is only a fraction advance over the preceding bid, to regulate bidding, to accept or reject any or all bids, and to cancel or reschedule an auction. The Auctioneer will call the sale and control any increments of bidding. To make a bid, raise your hand or Bid Card to be recognized. The bidding happens quickly. Absentee bids may be accepted at the discretion of the Auctioneer. The Auctioneer reserves the right to enter bids on behalf of absentee bidders. Any mistakes during bidding as to who has the high bid and/or at what price may be called to the Auctioneer's attention and corrected. The Auctioneer is the sole arbiter and controller of the conduct of the auction and shall be the final and absolute authority without liability to any party.

For online only sales, click the "Bid Now" button to enter your bid. Be sure to create an account and sign in early so you do not miss the opportunity to bid. You can also enter a maximum bid to allow for bids to be increased by the noted increments up to your high bid. If you cannot log in, feel free to call (217) 922-0811 to reach customer service to register and bid by phone.

Your inspection of the property(ies) and attendance at this auction are at your own risk. Broker and Seller, their agents and employees, expressly disclaim any "invitee" relationship and shall not be liable to any person for damage to their person or property while in, on or about these properties, nor shall they be liable for any defects, dangers or conditions on the property(ies). All persons enter the property(ies) and attend the auction at their own risk and shall defend, indemnify, and save harmless Broker and Seller, their agents and employees, from any and all liability attendant thereto.

All auctions are subject to court or seller approval unless otherwise noted as "Absolute". Most sales are approved within 2 business days. Buyers are not allowed possession until closing and filing of the deed, at which time the property should be re-keyed if required. If for any reason the court or Seller approval is not granted, the Down Payment shall be returned in its entirety to the high bidder. "Showing" requests from Buyers after the auction may not be able to be accommodated.

If more than one property is being auctioned, the Auctioneer may choose to offer a group of the properties for auction at the same time. This is called "BUYER'S CHOICE" and is to accommodate buyers who have an interest in more than one property and/or have 2nd and 3rd choices if they are outbid for a favorite property. Upon winning the bid, please choose which property, or properties, you want. You pay the high bid price for each property selected. Each sale is final and stands alone. Remaining properties are then offered in another round of bidding. Anyone may bid at any time, including prior High Bidders.
