SURVEYOR'S NOTES:
1. This is a boundary survey made on the ground under the supervision of a registered land surveyor. Field survey was completed on November 21, 2018.
2. Consulted the latest Federal Insurance Rate Map (FIRM) for Shelby County, Alabama, dated 2013 and found that the Parcels shown herein lie in Zone X and Zone A. The flood information is scaled from the referenced FIRM.
3. This survey was conducted without the benefit of an abstract of title, therefore, there may be other easements, restrictions, or other similar matters of public record not depicted on this survey.
4. Bearings are based on Alabama State Plane West Zone NAD 83.
