##### I. INDIAN CREEK RANCHES SUBDIVISION ROAD AND WATER WELL MAINTENANCE COMMITTEE

There is hereby created and activated the INDIAN CREEK RANCHES SUBDIVISION ROAD AND WATER WELL MAINTENANCE COMMITTEE for the purpose of supervising, controlling, constructing and maintaining the road easement(s) and maintaining, repairing or replacing the water well located on Tract #9 and for the further purpose of performing such other duties and responsibilities as are allocated to it under any of the other terms, conditions and provisions of this Declaration. The Committee is also given the authority to enforce this Declaration in any manner it deems appropriate and to act for the best interest of the INDIAN CREEK RANCHES SUBDIVISION, PHASE III, a subdivision in Edwards County, Texas. The initial member of the Committee shall be Declarant's President, William C. Cocke, Sr. Thereafter, and upon the sale of all of the acreage comprising INDIAN CREEK RANCHES SUBDIVISION, PHASE III, the Committee shall be composed of three (3) members chosen by the Association as hereinafter provided. If any one (1) or more of the Committee members fails, refuses or is unable to serve, the remaining members are hereby authorized to and shall appoint a person or persons as replacement members. In the event all of the Committee members fail, refuse or are unable to serve, then the Association shall elect a new Committee, each Owner to have one (1) vote in such election for each tract which said Owner owns.

##### II. INDIAN CREEK RANCHES PHASE III LANDOWNERS ASSOCIATION

2.01 There is hereby created and established the INDIAN CREEK RANCHES SUBDIVISION, PHASE III Landowner Association. Each Owner shall be a Member of the Association. By the acceptance of a Deed to any portion of the acreage comprising the subject property, the Owner thereof personally agrees to be and becomes a Member of the Association and agrees to be and becomes bound and obligated by the terms, conditions and provisions of this Declaration. The Association shall be activated at such time as may be determined by the Declarant in its sole and absolute discretion, but in no event shall such Association be activated later than thirty (30) days following the date that the Declarant has sold all of the acreage comprising the subject property. A meeting of all of the Members of the Association shall be called within thirty (30) days following the date of the activation of the Association for the purpose of electing a new INDIAN CREEK RANCHES SUBDIVISION ROAD AND WINDMILL/WATER WELL MAINTENANCE COMMITTEE and conducting such other business as may be properly brought before such meeting. Each Member shall be entitled to one (1) vote in the Association for each tract owned. When more than one (1) person owns an interest in any of the acreage which comprises the subject property, all persons shall be members of the Association, but they shall collectively cast only one

(1) vote for each tract owned. The Association shall not be incorporated but shall act by simple majority vote in accordance with the terms, conditions and provisions of this Declaration; provided, however, should a majority of the owners so elect for good cause, then the Association may become a corporation under the Texas Non-Profit Corporation Act, subject to its Articles and By-laws being substantially in compliance with the terms hereof.

### III. ASSESSMENTS OR CHARGES

3.01 Annual Assessments. Each tract which comprises the subject property is subject to an annual road, water well, waterline maintenance assessment or charge, as follows: Each Owner authorizes the Declarant, and Declarant's successors in interest and assigns, including the Committee, to improve and maintain the easement(s), and to maintain, repair and replace, if necessary, the water well located on Tract #9 and the waterline laid throughout the Subdivision. Further, the Declarant, and the Association (when formed) is authorized to assess and charge each tract owner a fee of Two and No/100 Dollars (\$2.00) per acre per year, not to exceed \$300.00 per year. Such charge shall not be assessed against the Declarant or Declarant's successors and assigns. Such charge shall be made by direct billing to each property owner. If any property Owner refuses or fails to pay the charge, then at Declarant's option, Declarant may deduct the charge from payments made by the property Owner on any purchase money promissory note owing by property owner to Declarant, and any such charge so deducted will not be credited to the payment on the balance owing on any such promissory note, principal or interest. The maintenance charge, if not paid within 60 days from the date of the billing date, will become a lien against the tract so assessed, and the enforcement of the lien will be made according to the provisions contained herein and as allowed by law. The annual charge may be increased annually by majority vote of the Committee, provided, said increase may not exceed ten percent (10%) without a majority vote of the votes entitled to be cast at a special meeting of the Association called for that purpose.

If such annual maintenance charge is not paid within the 60 day period, then the annual maintenance charge shall be deemed delinquent and shall bear interest at the amount of ten percent (10%) per annum. As used in this Declaration, the terms "annual assessment" and "maintenance charge" shall be considered to be the same.

3.02 Special Assessments. In addition to the annual assessments authorized above, and subject to the assent of fifty-one percent (51%) of Owners voting in person or by proxy at a meeting called for that purpose, the Association may levy, only as provided herein, in any assessment year, a single special assessment applicable to that year only for the purpose of defraying, in whole or in part, the expense and cost of any construction, renewal, maintenance, repair and replacement of the Easement(s), the water well, the waterline and for any other purpose as may be deemed necessary or desirable by the Association to maintain, operate or improve the subdivision in the manner which it considers to be the greatest benefit to the Owners. Notice of the meeting called for this purpose shall be sent to all Owners not less than fifteen (15) days nor more than fifty (50) days in advance of the meeting, with the meeting to be held in Edwards County, Texas on the date and at the time and place specified in the notice. Any such special assessment or charge, as the case may be, must be fixed at a uniform rate for all of the acreage comprising the subject property.

### IV. OBLIGATIONS OF THE OWNERS.

4.01 Payment of Assessments. Each Owner of any portion of the acreage which comprises the subject property covenants and agrees, by acceptance of a Deed to any such acreage or tract, to pay to the Association an annual assessment or charge each year, as the case may be, as well as any special assessment duly authorized. The annual assessment and/or special assessment or charge, together with interest, cost and reasonable attorneys fees, shall, to the full extent permitted by law, be a charge against and a lien upon that portion of the acreage which comprises the subject property owned or held by each

respective Owner and shall be a continuing lien upon that portion of the acreage which comprises the subject property against which such annual assessment or charge, as the case may be, is made. Each such annual assessment, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of that portion of the acreage which comprises the subject property against which such assessment is made at the time such assessment or charge, as the case may be, was due. The Committee is expressly authorized and may collect and administer all assessments or charges, as the case may be.

4.02 Lien for Annual Assessment or Charge. The lien for any assessment or charge, as the case may be, shall be subordinate to the lien created by any superior mortgage securing a purchase money or improvement loan. The sale or transfer, as the case may be, of any portion of the acreage which comprises the subject property shall not affect the assessment or charge, as the case may be, lien and such sale or transfer, as the case may be, shall be subject to such lien. No sale or transfer, as the case may be, shall relieve the Owner of any portion of the acreage which comprises the Subject Property against which such assessment or charge, as the case may be, is made from individual liability for the assessment or charge, as the case may be, made during the period of his, her, their, or its ownership and extinguishment of the lien shall not relieve such Owner of his, her, their or its personal obligation and liability. No lien for any assessment or charge, as the case may be, shall be impressed against any portion of the acreage which comprises the subject property as long as the Veterans Land Board of the State of Texas holds record title thereto; provided, however, that this only applies to purchases made under The Veterans Land Board of the State of Texas Program.
