Payment instructions

Please send only a check or money order with your payment stub. **DO NOT** mail cash. **Your cancelled check is proof of payment.**

Property tax payments **MUST** be credited to the earliest year that taxes are due.

Tax statements for **less** than \$40 must be paid in full.

Discounts/payment schedule (choose one)

To receive a discount, payments **MUST** be delivered, U.S. postmarked, or transmitted by private express carrier on or before November 15. Returned checks may cause a loss of the discount.

To receive any applicable discount you **MUST** make:

- **Full payment**—Receive a three percent (3%) discount on the amount of current year tax, as shown on your tax statement, if full payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**.
- **Two-thirds payment**—Receive a two percent (2%) discount on the amount of current year tax paid, as shown on your tax statement, if two-thirds payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**. Pay the final one-third (with no discount) by **May 15** to avoid interest charges.
- **One-third payment**—No discount allowed. Pay one-third by **November 15**, followed by another one-third payment by **February 15**. Pay the final one-third balance by **May 15**.

Interest is charged at a rate of 1.333% monthly, 16% annually. Interest is accrued on past due installment payments accordingly:

- First one-third installment payment, interest begins accruing on **December 16**.
- Second one-third installment payment, interest begins accruing **February 16**.
- Remaining one-third payment, interest begins accruing on **May 16**.

If the 15th falls on a weekend or legal holiday, the due date will be extended to the next business day.

Delinquent taxes and lien dates

All personal property tax is delinquent when any installment is not paid on time. The responsible taxpayer can be served with a warrant 30 days after delinquency. Personal property can be seized and other financial assets can be garnished.

Real property tax is delinquent if not paid by May 15. Foreclosure proceedings on real property begin when taxes have been delinquent for three years.

(*) Accounts subject to foreclosure

Real property tax accounts with an unpaid balance for any tax year marked with an (*) on the front of this statement are subject to foreclosure if not paid on or before May 15. Payments **MUST** be applied to the oldest tax first.

Review your value

If you think your property value is incorrect or if there has been a change to the value that you did not expect or understand, review it with the county assessor's office. Many assessors provide value information online. Visit your county assessor's website or call them for more details.

Appeal rights

If you think the **VALUE** of your property as shown on this statement is too high, you can appeal. Your appeal is to the county board of property tax appeals (BOPTA), except for state appraised industrial property. To appeal industrial property appraised by the Department of Revenue, you must file a complaint in the Magistrate Division of the Oregon Tax Court.

If you disagree with a **PENALTY** assessed for late filing of a real, personal, or combined property return, you may ask the county BOPTA to waive all or a portion of the penalty. See www.oregon.gov/dor/programs/property/pages/property-appeals.aspx.

When and where to appeal to BOPTA

File your petition by **December 31** with the **county clerk** in the county where the property is located. You can get petition forms and information from your **county clerk**, or at www.oregon.gov/dor/forms.

What to pay if you appeal

Follow the payment schedule to avoid interest charges and to receive applicable discounts. If your tax is reduced after appeal, any overpayment of property tax will be refunded.

Tax statement information is available in alternate formats, in compliance with the Americans with Disabilities Act (ADA). Contact your county tax collector.

Payment instructions

Please send only a check or money order with your payment stub. **DO NOT** mail cash. **Your cancelled check is proof of payment.**

Property tax payments **MUST** be credited to the earliest year that taxes are due.

Tax statements for **less** than \$40 must be paid in full.

Discounts/payment schedule (choose one)

To receive a discount, payments **MUST** be delivered, U.S. postmarked, or transmitted by private express carrier on or before November 15. Returned checks may cause a loss of the discount.

To receive any applicable discount you **MUST** make:

- **Full payment**—Receive a three percent (3%) discount on the amount of current year tax, as shown on your tax statement, if full payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**.
- **Two-thirds payment**—Receive a two percent (2%) discount on the amount of current year tax paid, as shown on your tax statement, if two-thirds payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**. Pay the final one-third (with no discount) by **May 15** to avoid interest charges.
- **One-third payment**—No discount allowed. Pay one-third by **November 15**, followed by another one-third payment by **February 15**. Pay the final one-third balance by **May 15**.

Interest is charged at a rate of 1.333% monthly, 16% annually. Interest is accrued on past due installment payments accordingly:

- First one-third installment payment, interest begins accruing on **December 16**.
- Second one-third installment payment, interest begins accruing **February 16**.
- Remaining one-third payment, interest begins accruing on **May 16**.

If the 15th falls on a weekend or legal holiday, the due date will be extended to the next business day.

Delinquent taxes and lien dates

All personal property tax is delinquent when any installment is not paid on time. The responsible taxpayer can be served with a warrant 30 days after delinquency. Personal property can be seized and other financial assets can be garnished.

Real property tax is delinquent if not paid by May 15. Foreclosure proceedings on real property begin when taxes have been delinquent for three years.

(*) Accounts subject to foreclosure

Real property tax accounts with an unpaid balance for any tax year marked with an (*) on the front of this statement are subject to foreclosure if not paid on or before May 15. Payments **MUST** be applied to the oldest tax first.

Review your value

If you think your property value is incorrect or if there has been a change to the value that you did not expect or understand, review it with the county assessor's office. Many assessors provide value information online. Visit your county assessor's website or call them for more details.

Appeal rights

If you think the **VALUE** of your property as shown on this statement is too high, you can appeal. Your appeal is to the county board of property tax appeals (BOPTA), except for state appraised industrial property. To appeal industrial property appraised by the Department of Revenue, you must file a complaint in the Magistrate Division of the Oregon Tax Court.

If you disagree with a **PENALTY** assessed for late filing of a real, personal, or combined property return, you may ask the county BOPTA to waive all or a portion of the penalty. See www.oregon.gov/dor/programs/property/pages/property-appeals.aspx.

When and where to appeal to BOPTA

File your petition by **December 31** with the **county clerk** in the county where the property is located. You can get petition forms and information from your **county clerk**, or at www.oregon.gov/dor/forms.

What to pay if you appeal

Follow the payment schedule to avoid interest charges and to receive applicable discounts. If your tax is reduced after appeal, any overpayment of property tax will be refunded.

Tax statement information is available in alternate formats, in compliance with the Americans with Disabilities Act (ADA). Contact your county tax collector.

Payment instructions

Please send only a check or money order with your payment stub. **DO NOT** mail cash. **Your cancelled check is proof of payment.**

Property tax payments **MUST** be credited to the earliest year that taxes are due.

Tax statements for **less** than \$40 must be paid in full.

Discounts/payment schedule (choose one)

To receive a discount, payments **MUST** be delivered, U.S. postmarked, or transmitted by private express carrier on or before November 15. Returned checks may cause a loss of the discount.

To receive any applicable discount you **MUST** make:

- **Full payment**—Receive a three percent (3%) discount on the amount of current year tax, as shown on your tax statement, if full payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**.
- **Two-thirds payment**—Receive a two percent (2%) discount on the amount of current year tax paid, as shown on your tax statement, if two-thirds payment is delivered, U.S. postmarked, or transmitted by private express carrier by **November 15**. Pay the final one-third (with no discount) by **May 15** to avoid interest charges.
- **One-third payment**—No discount allowed. Pay one-third by **November 15**, followed by another one-third payment by **February 15**. Pay the final one-third balance by **May 15**.

Interest is charged at a rate of 1.333% monthly, 16% annually. Interest is accrued on past due installment payments accordingly:

- First one-third installment payment, interest begins accruing on **December 16**.
- Second one-third installment payment, interest begins accruing **February 16**.
- Remaining one-third payment, interest begins accruing on **May 16**.

If the 15th falls on a weekend or legal holiday, the due date will be extended to the next business day.

Delinquent taxes and lien dates

All personal property tax is delinquent when any installment is not paid on time. The responsible taxpayer can be served with a warrant 30 days after delinquency. Personal property can be seized and other financial assets can be garnished.

Real property tax is delinquent if not paid by May 15. Foreclosure proceedings on real property begin when taxes have been delinquent for three years.

(*) Accounts subject to foreclosure

Real property tax accounts with an unpaid balance for any tax year marked with an (*) on the front of this statement are subject to foreclosure if not paid on or before May 15. Payments **MUST** be applied to the oldest tax first.

Review your value

If you think your property value is incorrect or if there has been a change to the value that you did not expect or understand, review it with the county assessor's office. Many assessors provide value information online. Visit your county assessor's website or call them for more details.

Appeal rights

If you think the **VALUE** of your property as shown on this statement is too high, you can appeal. Your appeal is to the county board of property tax appeals (BOPTA), except for state appraised industrial property. To appeal industrial property appraised by the Department of Revenue, you must file a complaint in the Magistrate Division of the Oregon Tax Court.

If you disagree with a **PENALTY** assessed for late filing of a real, personal, or combined property return, you may ask the county BOPTA to waive all or a portion of the penalty. See www.oregon.gov/dor/programs/property/pages/property-appeals.aspx.

When and where to appeal to BOPTA

File your petition by **December 31** with the **county clerk** in the county where the property is located. You can get petition forms and information from your **county clerk**, or at www.oregon.gov/dor/forms.

What to pay if you appeal

Follow the payment schedule to avoid interest charges and to receive applicable discounts. If your tax is reduced after appeal, any overpayment of property tax will be refunded.

Tax statement information is available in alternate formats, in compliance with the Americans with Disabilities Act (ADA). Contact your county tax collector.

RE: SOIL EVALUATION CC-124-93
T14, R17, Section 19
Lot #2 MEADOW RIDGE SUBDIVISION
C.O. Ranches

Dear Ms. Overall:

An evaluation for on-site sewage disposal has been completed for a site on the above-referenced tax lot in Crook County. The test pits on the site revealed a surface soil of loamy sand.

The site is suitable for the installation of a standard on-site sewage disposal system with a serial distribution with drop boxes. A total of 450 lineal feet of disposal trenches and a 1,000 gallon septic tank are required.

Special Note: Please cover top of drainfield gravel with filter fabric. Stay east of test hole #1.

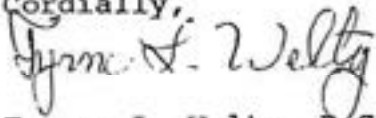

Enclosed is a septic permit packet which explains the procedure in obtaining your septic construction permit.

Please note that prior to applying for your septic permit it is necessary to have land use clearance. Please provide a completed Land Use Compatibility Statement signed by the Crook County Planning Department. (Form is included in the septic permit packet.)

After you have received land use clearance, please submit signed form along with your completed application and plot plan showing the system layout and a section of the approved area (to be reserved for system replacement) to the Crook County Environmental Health Department. The current permit fee is \$155.

If you have any questions, please call the Crook County Environmental Health Department at 447-8155.

Amendment to the Covenants, Conditions and Restrictions
Meadow Ridge Subdivision, dated August 6, 1993.

ROAD MAINTENANCE AGREEMENT

The undersigned owners of Parcels 3 through 11 (Lots 1-10) on Meadow Ridge Road Prineville, Oregon, which properties have a non-exclusive right of way easement dedicated on Crook County microfilm number 12-1-1993-110386 of Crook County records for ingress-egress on that roadway known as Meadow Ridge Road, in Crook County, Oregon enters into this Road Maintenance Agreement. See attached Exhibit A for list of parcel owners and addresses and Exhibit B for map of Meadow Ridge Subdivision.

Recitals:

- A. It is essential to the value of the parcels and for the safety of persons living thereon, and each of their guests and invitees, that the above-described roadway be properly maintained, in good condition for ease of ingress/egress.
- B. The undersigned have agreed to share in the cost of maintaining the roadway serving the parcels according to the terms and conditions set forth herein.

Agreement:

The undersigned agrees to the following:

- A. Area of shared responsibility: Approximately 2 miles of Meadow Ridge Road, from intersection with Johnson Creek Road east to dead end at private gate to parcels 5 and 6 (Lots 4 and 5).
 - 1. Routine maintenance of the roadway will require a road grader to blade the right of way a minimum (2) two times per year, preferably Spring and Fall, followed by a compacting roller. Routine maintenance to be performed under this agreement may include but not be limited to the following: Grading, filling holes or washouts, re-graveling. Capital improvements may be undertaken only on the affirmative vote of all (100%) of the property owners participating in this agreement and affected by the Capitol Improvement, e.g. oiling for dust control or chip sealing.
 - 2. If the grading cannot coincide with precipitation it is agreed that imported water will be used for maximum benefit of the compacting activities.
 - 3. Additional 3/4" minus road base will be added as needed and recommended by selected Roadway Contractor once approval has been obtained from a Meadow Ridge Rd. HOA representative (To be appointed.)
 - 4. Snow removal and weed abatement are part of a balanced maintenance program. Mother Nature will dictate the number of times a blade is called upon to remove snow from the right of way. Removal may be conducted by any landowners at their own expense. Removal operations limited to roadway surface width only. Any damage caused to right-of-way, drainage, fencing, etc. will be repaired immediately by the person conducting removal at their own expense,

unless otherwise agreed by all affected parties. Removal operations will take into consideration and make accommodation for snow melt runoff as practical.

5. Weed abatement on shoulders of roadway targeting 6' to 8' on either side. If spray application chemicals are used, no restricted label herbicides or livestock grazing restricted chemicals may be used. Application will be done annually in the spring of the calendar year, by a professional engaged in the business of weed control. Noxious weed control can be undertaken or directed only by parcel owners at their own expense subject to the above conditions and if dug out must be disposed of on that parcel owners property.

6. It is understood that unforeseen events and/or events in Mother Nature may cause additional work and/or grading to be needed in any particular calendar year. In the event this occurs the repairs will only be undertaken upon an affirmative vote of a majority of all property owners participating in this agreement.

7. Following adoption of this Road Maintenance Agreement each participant agrees to an annual assessment of \$1,000.00 to create a fund to pay for maintenance and repairs and to pay their equal share of any shortfalls which may be caused by events described in Paragraphs 4, 5 and 6. Two parcel owners will be voted on and appointed as caretakers and signatories of the maintenance account. The annual assessment will be subject to review, before the first spring grading, during a meeting of the parcel owners. (Accounting method to be determined.)

8. The parcel owners shall work together to coordinate their repair and maintenance activities to make the repairs and maintenance as economical as possible and to minimize interference with parcel owner's use of the roadway. To the extent reasonably possible, all quotes for repairs, maintenance or capital improvements will be obtained through competitive bidding for cost comparison. Re-graveling quotes will be based on the use of ¾" minus road base at approximately 1 to 2 inches of compacted depth.

9. All property owners participating in this agreement shall share equally the cost of approved maintenance or repair, in advance of work being done according to the shared responsibility set forth herein. If a property owner fails to pay their respective share with thirty (30) days after receipt of a statement, the amount of the statement, together with interest at 9% per annum from the date of the statement, plus any attorney fees and costs, whether or not suit is filed necessary to collection, shall automatically become a continuing lien against the parcel of the defaulting parcel owner. Each parcel owner's obligation to pay his or her share of the cost will be an enforceable personal obligation of the parcel owner.

10. The property owners will exercise reasonable care in their use of the roadway so as not to cause more than normal wear and tear, to include instructing guests, delivery vehicle, etc. regarding speed limits and common courtesy. ATV or UTV use by parcel owners only, or their agents.

This agreement is between parcel owners 3 through 11 (Lots 1-10) and adjacent landowners to Meadow Ridge Road who wish to participate in whole or in part.

1. All parties agree to use the attached "Crook County Standards for Rural Road" (Exhibit C) example D-1 as a reference guideline for roadway driving surface, e.g. width, crown, slope, drainage, depth and type of aggregate used, routine maintenance, etc. Any changes to existing easement roadway must be approved by the parcel owner where the changes are contemplated.

2. This Agreement expresses the intent of the rights and responsibilities of the nine (9) landowners affected. The spirit intended is to maintain reasonable ease of access to the parcels through

cooperation of the parcel owners, to define areas of shared responsibility and to provide an equitable division of costs associated with repair and maintenance of the existing roadway and drainage ditches.

3. The rights and responsibilities set forth in this agreement shall be perpetual and shall run with the land, and shall be binding on and insure to the benefit of, the successors and assigns of the owners of each parcel of land.

4. The provisions of this agreement may only be amended in writing and with the consent of all (100%) of the property owners participating in this agreement.

5. If a parcel or parcels is owned by more than one person, all the owners of a parcel(s) will collectively be referred to as the parcel owner, and will be entitled to only one collective vote.

SURVEY NARRATIVE

THE BOUNDARY SURVEY FOR THIS PROJECT WAS PERFORMED AND RECORDED AS C.S. 1290 ON JUNE 28, 1993. THAT MAP SHOULD BE CONSULTED FOR ANY DETAILS REGARDING BOUNDARY LOCATION. THE PLAT WAS THEN SURVEYED TO BE CONTAINED WITHIN THE BOUNDARY SURVEYED THEREIN. THERE ARE RANGE FENCES ALONG MOST OF THE EXTERIOR LINES OF THIS PLAT. THESE FENCES ARE GENERALLY CLOSE TO DEED BOUNDARY LINES BUT ARE CONSTRUCTED AS FENCES OF CONVENIENCE FOR THE MOST PART UTILIZING TREES FOR SUPPORT AND AVOIDING RIMROCK AND DRAINAGES. THE PLAT WAS EXTENDED TO THE SECTION OR ALIQUOT PART LINE AS INDICATED BY THE PARENT LEGAL DESCRIPTION. THE ALIGNMENT OF MEADOW RIDGE ROAD FROM JOHNSON CREEK ROAD TO THE WEST PLAT BOUNDARY WAS LOCATED AS DESCRIBED AND MAPPED IN PARTITION PLAT NO. 1993-06. THAT ALIGNMENT FOLLOWED AN EXISTING ROAD PARALLEL WITH A POWER LINE, WHICH WAS DESIGNED TO BE CONTAINED WITHIN THIS RIGHT-OF-WAY. AN EXISTING ACCESS ROAD TO AN ADJOINING PROPERTY WAS SURVEYED AND MONUMENTED ACROSS LOTS 1, 2 AND 3. THIS ROAD MAY BE USED BY THE AFFECTED LOT OWNERS BUT WAS NOT DESIGNED AS THEIR PRIMARY ACCESS. THE AS-BUILT POINTS OF INTERSECTION OF THIS ROAD WERE MONUMENTED FOR FUTURE SURVEY REFERENCE. THE LOT LINE CROSSING POINTS ALONG THE NORTH EASEMENT LINE AT 30 FEET FROM THE SURVEYED CENTERLINE WERE MONUMENTED FOR FUTURE REFERENCE. THE REAR LOT CORNERS NOT FALLING AT MONUMENTED SECTION AND 1/4 CORNERS WERE REFERENCED BY TWO BEARING TREES. THIS WAS DONE BECAUSE OF THE DISTANCE BETWEEN POINTS AND THE DIFFICULTY OF REPLACING THEM SHOULD THEY BE DESTROYED.

All exterior colors shall be earth tones so as to be in harmony with the surrounding area. Brightly colored exteriors, other than exterior trim or accent panels, shall not be allowed.

Buildings may have metal roofing provided that the roofing is of a colored earth tone which will be in harmony with the surrounding area. No asphaltic covering shall be used as finished exterior siding.

23. TITLES SUBJECT TO RESTRICTIONS: Nothing contained in this declaration shall impair or defeat the lien of any mortgage or deed of trust made in good faith and for value, but titles to any property subject to this declaration obtained through sale in satisfaction of any such mortgage or deed of trust shall thereafter be held subject to all of the protective restrictions hereof.
