

Dear Gary

I want to thank you for contacting Flynn Drilling Co., Inc. in regard to an estimate on your new water system. Flynn Drilling Co., Inc. is a family owned company, doing business in the area since 1954.

Flynn Drilling Co., Inc. is committed to provide our clients with unsurpassed knowledge, experience, service and dependability. Flynn Drilling Co., Inc. provides a wide range of professional services to the industry. A company built on its reputation for providing experienced personnel with modern equipment to ensure its clients the dependable and quality service they expect.

Every well installed by Flynn Drilling Co., Inc. shall be covered with a full extended warranty that will assure you of a quality well now, and in the future. The final cost of your well shall be determined by the geological conditions. The geological conditions shall determine the final drilling and casing depths of the well construction. All wells drilled by Flynn Drilling Co., Inc. shall be certified with Missouri Department of Natural Resources and shall meet or exceed all state requirements.

If given the opportunity to provide you with our services I will make sure that you are satisfied with every aspect of our services. I will make sure you receive a quality well at a reasonable price. If you have any questions regarding this information, please feel free to call me at any time. I appreciate the opportunity to work with you on your well. Thank you for your time and consideration.

Sincerely,
Kurt Johnley
