South Texas Environmental shall test and report on the following for this system as required by rule:

1. An Inspection/Service Call every 4 Months, which includes inspection of the mechanical and electrical component parts as necessary to ensure proper function is being attained.
2. An effluent quality inspection every 4 Months, consisting of a visual check for color, turbidity, scum overflow and an examination for odors.
3. If required, a sample shall be pulled from the aeration tank every 4 Months, to determine if there is an excess of solids in the treatment plant. If the test results determine a need for solids removal, the user will bear the cost and responsibility for doing so.
4. If any improper operation is observed at the time of the inspection, the user shall be notified immediately in writing of the condition(s) and the estimated cost to bring the system into compliance and good working order.
5. If required, a chlorine residual test will be taken at each visit.

South Texas Environmental can offer you the following Inspection Renewal Contract options:

**Option #1:**

An Inspection Contract to be effective from: 09/06/2024 for a period of 12 Months. Inspections are to be performed every 4 Months. Under the terms of this Inspection Contract Renewal Agreement option the owner is responsible for keeping chlorine (calcium Hypochlorite properly labeled for wastewater disinfection) in the chlorinator as well as the cost of the chlorine. The cost for this Inspection Contract will be \$220.00.

**Option #2:**

An Inspection Contract to be effective from: 09/06/2024 for a period of 12 Months. Inspections are to be performed every 4 Months. Under the terms of this Inspection Contract option South Texas Environmental will be responsible for adding any needed chlorine (calcium Hypochlorite properly labeled for wastewater disinfection) to the chlorinator while on-site during each inspection only. Adding additional required chlorine at any other time other than during a scheduled inspection is the responsibility of the owner. The owner is also responsible for the cost of any additional chlorine. The cost for this Inspection Contract will be \$285.00.

Please initial the option of your choice above.

**Additional service**, as ordered including replacement of components, laboratory test work, and pumping of unit or pre-tank will be done upon authority from the customer and at an additional Service call charge of \$105.00 plus Parts and Labor. There will be a service call charge in addition to the contract charge for any additional visits. Timmy Domino - MP# 91, has been certified by the manufacturer of your system and will be responsible for fulfilling the requirements of this Inspection Contract, as well as responding to any complaints and/or addressing any concerns by the owner of the system. Concerns and/or complaints will be addressed within 48 Hours of the initial contact. Upon expiration of this inspection contract, our firm will offer a renewal of your inspection contract as mandated by State regulations.

**VIOLATIONS OF WARRANTY** include shutting off the electric current to the system for more than 24 hours, disconnecting the alarm system, restricting ventilation to the aerator, overloading the system above its rated capacity, or introducing excessive amounts of harmful matter into the system, or any other form of unusual abuse.

**This Policy Does Not Include Pumping Sludge From Unit If Necessary.**
