upon which multiple living units have been constructed, whether duplexes, quadraplexes, townhomes or separate freestanding single-family residences, and whether owned in fee simple or submitted to a declaration of condominium, each unit intended to house a single family shall constitute a Dwelling Unit. For example, a duplex shall constitute two Dwelling Units, a quadraplex shall constitute four Dwelling Units, and a townhouse complex consisting of eight townhomes shall constitute eight Dwelling Units. In the case of any dispute as to the number of Dwelling Units on any of the Multi-Use Tracts, the determination of the ARB shall be controlling and final.

**Section 2.14 "Front Yard"** -- shall mean the portion of each Lot described by drawing a line through the centerpoint of any Dwelling Unit constructed on the Lot, which line runs parallel to the road or road right of way adjacent to the Lot. The Front Yard shall be the portion of the Lot on the side of the line so drawn lying nearest the road or road right-of-way. The Front Yard of Lots situated on the corner of multiple roads or road right-of-ways shall be all portions of the yard not included within the definition of Rear Yard. In the case of any dispute as to the location of the Front Yard as defined herein the determination of the ARB shall be controlling and final. Without limiting the foregoing, the ARB shall determine, without regard to the description of Front Yard set forth herein, the location of the Front Yard for any Multi-Use Tract and for any Lot served by a "Flag", and may determine that such Multi-Use Tract or Lot has no Front Yard.

**Section 2.15 "Lot"** -- shall mean and refer to any plot of land shown upon the plat of Estates at Cotton Plant and designated as a numbered Lot (and not a Tract), and shall exclude any Common Areas owned in fee simple by the Association. In addition to the foregoing, Tracts "E" and "G" shall each be considered a single Lot unless and until a Dwelling Unit is constructed thereon. Thereafter, each such Dwelling Unit shall be deemed a Lot for purposes of determining membership in the Association and the obligation to pay Assessments.

**Section 2.16 "Member"** -- shall mean and refer to the Declarant and any Owner.

**Section 2.17 "Multi-Use Tracts"** -- shall mean and refer to Tracts "E" and "G" as depicted on the Plat, and each of them shall be a "Multi-Use Tract".

**Section 2.18 "Owner"** -- shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any "Lot" which is a part of or situated upon the Property; however, notwithstanding any applicable theory of the law of mortgages, "Owner" shall not mean or refer to a Mortgagee unless and until such Mortgagee has acquired title pursuant to foreclosure or any deed or proceeding in lieu of foreclosure. With regard to the Multi-Use Tracts the owner of each shall be deemed an Owner for each separate Dwelling Unit constructed thereon. For example, should a quadraplex be constructed on one of the Multi-Use Tracts the owner thereof shall be deemed the Owner of four Lots. To the extent a Multi-Use Tract is subdivided, whether by platting of the Multi-Use Tract into multiple Lots, or submitting the Multi-Use Tract to a condominium form of ownership, the owner of each separate Dwelling Unit shall be an Owner. By way of example, should one of the Multi-Use Tracts be submitted to a condominium form of ownership with six (6) condominium units thereon, each condominium unit consisting of a townhome or other single family Dwelling Unit, the owner of each condominium unit shall be an Owner hereunder.

**Section 2.19 "Permitted Users"** -- shall mean and refer to the (i) permitted tenants, subtenants, concessionaires or Owners of any Lot, or any properly subdivided portion of a Lot; and, (ii) employees, licensees, customers, visitors, and invitees of the tenants, subtenants, concessionaires or Owners of any Lot, or any properly subdivided portion of a Lot.

**Section 2.21 "Property"** -- shall mean and refer to the property platted as Estates at Cotton Plant, as per plat thereof recorded in Plat Book 8, at Pages 23 through 27, public records of Marion County, Florida, as well as any other real property subjected to the Declaration pursuant to Article 5 hereof.

**Section 2.22 "Rear Yard"** -- shall mean the portion of each Lot described by drawing a line through the centerpoint of any Dwelling Unit constructed on the Lot, which line runs parallel to the road or road right of way adjacent to the Lot. The Rear Yard shall be the portion of the Lot on the side of the line so drawn lying furthest from the road or road right of way. The Rear Yard of Lots situated on the corner of multiple roads or road right of ways shall be the portion of the Lot lying behind both of the two lines drawn as set forth herein. In the case of any dispute as to the location of the Rear Yard as defined herein the determination of the ARB shall be controlling and final. Without limiting the foregoing, the ARB shall determine, with regard to the description of Rear Yard set forth herein, the location of the Rear Yard for any Multi-Use Tract and for any Lot served by a "Flag" and may determine that such Multi-Use Tract or Lot has no Rear Yard.

**Section 2.23 "Side Yard"** -- shall mean the portions of each Lot described by drawing a line through the point of the Dwelling Unit which extends the furthest into the Front Yard, which line runs parallel to the road or road right-of-way adjacent to the Lot, and by drawing a line through the point of the Dwelling Unit that extends the furthest into the Rear Yard, which lines runs parallel to the line previously described. The Side Yard or Side Yards shall be all portions of the Lot, exclusive of the Dwelling Unit, lying between the two lines so described. In the case of any dispute as to the location of the Side Yard or Side Yards as defined herein, the determination of the ARB shall be controlling and final. Without limiting the foregoing, the ARB shall determine, with regard to the description of Side Yard set forth herein, the location of the Side Yard for any Multi-Use Tract and for any Lot served by a "Flag", and may determine that such Multi-Use Tract or Lot has no Side Yard.

**Section 2.24 "Surface Water or Storm Water Management System"** -- shall mean and refer to a system, temporary or permanent, which is designated and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, over drainage, environmental degradation, and water pollution, or otherwise affect the quantity and quality of discharges from the system, as permitted pursuant to the provisions of the Florida Statutes and Chapters 40C-4, 40C-40, or 40C-42 of the Florida Administrative Code. The Surface Water or Storm Water Management System shall include, but is not limited to, all inlets, ditches, swales, culverts, water control structures, retention and detention areas, ponds, lakes, floodplain compensation areas, wetlands and any associated buffer areas and wetland mitigation areas.

**Section 2.25 "Wooded Lots"** -- shall mean and refer to Lots 7, 8, 11, 12, 13, 14, 15, 16, 19, 20, 21, 22, and 23 as depicted on the Plat.

**ARTICLE 3.  
USE RESTRICTIONS**

**Section 3.1 Use Restrictions.** The use restrictions contained in this Article shall apply uniformly to all Lots and Dwelling Units on the Property, except for the Multi-Use Tracts for which different restrictions may apply as specifically set forth herein.

- Section 3.2**    **Approved Builder.** No builder or contractor who is not an Approved Builder may construct a Dwelling Unit within the Property and the ARB shall not approve any Plans or Specifications submitted to it which do not provide for construction to be instituted and completed by an Approved Builder. Each Owner, by acceptance of the Deed conveying its Lot, acknowledges the requirement that an Approved Builder be used.
- Section 3.3**    **Use.** No Lot, except for a Multi-Use Tract, shall be used for any purpose except for residential. The term "*residential*" is intended to prohibit any commercial or institutional use, including professional office use of any portion of any Lot or Dwelling Unit. No building shall be erected, altered, placed or permitted to remain on any Lot other than Dwelling Units designated for residential use, with attached private garages, or detached private garages, guest houses, barns, stables, or storage facilities which have been approved by the ARB and are consistent with the primary residential use of the Property and, in the case of the Multi-Use Tracts, those buildings or structures consistent with use of the Multi-Use Tracts for Limited Commercial Purposes, as defined herein. The foregoing shall not prohibit the Declarant, or contractors approved by Declarant, from using Dwelling Units as models or offices. No mobile homes shall be permitted on the Property. The Multi-Use Tracts may be used for multiple Dwelling Units, as permitted by applicable ordinances, or for Limited Commercial Purposes as defined herein. "*Limited Commercial Purposes*" shall mean the use of any Multi-Use Tract for any and all equine related activities, whether carried on a commercial basis or otherwise, including, but not limited to, riding academies, stables for hire, boarding and training facilities, veterinary facilities, breeding operations, and show rings.
- Section 3.4**    **Minimum and Maximum Square Footage.** The ground floor of any single story Dwelling Unit erected on a Lot, or any freestanding non-attached Dwelling Unit erected on a Multi-Use Tract, shall not be less than 2,800 square feet of living area. A two-story Dwelling Unit erected on a Lot, or a freestanding non-attached two story Dwelling Unit erected on a Multi-Use Tract, shall have a minimum first floor living area of 1,800 square feet. No Dwelling Unit shall exceed 10,500 square feet of living area. Attached Dwelling Units erected on Multi-Use Tracts (duplexes, quadraplexes, apartments, or townhomes) shall be not less than 1,800 square feet of living area. Living area must be heated and cooled and excludes garages, open porches, decks, and atriums, whether or not heated and cooled. The minimum and maximum roof pitch and fascia width shall be determined by the ARB. Each Dwelling Unit, with the exception of a Dwelling Unit on a Multi-Use Tract shall contain a garage providing space for at least two (2) automobiles. Each Dwelling Unit on a Multi-Use Tract shall have provided for it, whether attached or detached, a garage providing space for at least one (1) automobile.
- Section 3.5**    **Subdivision - Multi Units.** With the exception of the Multi-Use Tracts, only one Dwelling Unit may be erected on each Lot, although an additional garage apartment or detached guest house may be permitted by the ARB. No Lot, with the exception of Multi-Use Lots, may be subdivided, except to increase the size of an Owner's property upon which a single Dwelling Unit is constructed. Multi-Use Tracts may be subdivided, by replatting, submission to condominium ownership, or as otherwise permitted by local ordinances, without the consent of any Owner except for the Owner of the Multi-Use Tract being so subdivided, except that the Multi-Use Tracts may not be so subdivided as to result in more than a total of eight Lots. By the acceptance of a Deed conveying a Lot subject to this Declaration, each Owner acknowledges Declarant's right to subdivide the Multi-Use Tracts, and consents to any request or application of Declarant consistent therewith. An Owner may, by recording an instrument to that effect in the Public Records of Marion County, Florida, combine two or more Lots for a single home site, whereupon the combined property will be deemed a single Lot for all purposes. Declarant shall have the right to modify the Plat to make adjustments to Lot boundary lines if the Owners of the affected Lots consent. Declarant may make other adjustments to the Plat if Owners are not materially affected or if all Owners who would be

**DECLARATION OF COVENANTS AND RESTRICTIONS  
FOR  
ESTATES AT COTTON PLANT**

---

materially affected consent to the modification. Owners shall not unreasonably withhold their consent to an adjustment, and consent shall be deemed given if an Owner does not object in writing to a request for the Owner's consent. Declarant may also replat a Lot or Lots and convert all or a portion of the same to Common Areas, or to other legal purposes, without the consent of the other Owners, whereupon such platted Lot or Lots shall no longer be deemed a "Lot".

**Section 3.6    No Temporary or Accessory Structures.** No portable, storage, temporary or accessory buildings, sheds or structures, or tents, shall be erected, constructed or located upon any Lot for storage or otherwise, without the prior written consent of the ARB; provided, however that this prohibition shall not apply to shelters used by the Declarant or a licensed contractor during the construction of any Dwelling Unit.

**Section 3.7    Livestock and Animal Restrictions.** No animal shall be kept or maintained on any Lot except conventional household pets (dogs, cats, birds or fish) and only in such number as not to constitute a hazard, nuisance or annoyance to the Owners of adjoining Lots, and horses and cattle only in such numbers that do not exceed one animal to each acre of improved pasture on the Lot, and does not result in overgrazing of all or any portion of the Lot. Goats, pigs, sheep and other livestock are prohibited. The ARB shall have the exclusive authority to determine whether the number and manner of keeping conventional household pets constitutes a hazard, nuisance, or annoyance to the Owner of adjacent Lots and to determine whether the number and manner of keeping horses and cattle has resulted in overgrazing of a Lot. Such permitted animals shall be kept on the Owner's Lot and shall not be allowed off the premises of the Owner's Lot except under restraint and in the company of the Owner, a member of the Owner's family or servant. No permitted pet shall be allowed to make noise in a manner or of such volume as to annoy or disturb other Owners. For purposes of this Section a mare and foal, or cow and calf, shall be deemed one animal until the foal or calf is weaned.

**Section 3.8    Restriction on Activity.** No noxious or offensive activity shall be conducted or permitted to exist upon any Lot or in any Dwelling Unit, nor shall anything be done or permitted to exist on any Lot or in any Dwelling Unit that may be or may become an annoyance or private or public nuisance. No Lot, driveway, or Common Area shall be used for purposes of vehicle repair or maintenance. This restriction shall not apply to activities conducted by the Declarant in the construction, sale or maintenance of improvements upon the Property.

**Section 3.9    Restrictions on Walls, Fences or Hedges.** No wall, fence or hedge shall be erected, placed, altered, maintained, or permitted to remain on any Lot unless and until the height, type, location, and surrounding landscaping have been approved by the ARB in accordance with Article 9 hereof. The foregoing shall not preclude the use of the Multi-Use Tracts for Limited Commercial Purposes, and the presence thereon of animals in excess of one (1) animal to each acre of improved pasture on the Multi-Use Tract, so long as said numbers do not exceed those reasonable in light of the Limited Commercial Purposes. The determination of the Declarant as to what is reasonable hereunder shall be conclusive. No wall or fence may be painted or altered in appearance from the appearance approved by the ARB without subsequent ARB approval. No chainlink, barb wire, hog wire, chicken wire, or similar fencing will be permitted, except that the ARB may permit vinyl fencing in the Rear Yard of a Lot adjacent to the Dwelling Unit, and may permit otherwise approved fencing to be backed with field wire. No fence shall be allowed to exceed the height of five (5') feet on any Lot. All boundary fencing is to be four (4) board black (creosote or pressure treated) fencing, painted with black fence paint to provide uniformity in color and appearance. All fences shall be setback 10 feet from the Lot line except where adjacent Common Areas exist. All fences will be set back at least 1 foot from Lot lines adjacent to Common Areas. Yard or interior cross or paddock fencing shall be four (4) board black (creosote or pressure

treated fencing) painted black. All hedges must be neatly trimmed.

**Section 3.10 Wastewater Restrictions.** No mobile home storage tank or other similar container shall be permitted to exist on any Lot. The location of all septic tanks and drainfields and the incorporation of the same into the landscaping, must be approved by the ARB.

**Section 3.11 Garages.** Each Dwelling Unit, except those located on a Multi-Use Tract, shall have an attached or detached garage designed for storage of at least two (2) automobiles. Each Dwelling Unit on a Multi-Use Tract shall have an attached or detached garage designed for storage of at least one (1) automobile. Garages must be maintained operational for the storage of automobiles, boats, or other motor vehicles. In order to maintain a harmonious appearance, no garage doors on any Dwelling Unit may face an adjacent public or private right-of-way. The garage doors of a detached garage may face a public or private right-of way only if the detached garage is located in the Rear Yard and is approved by the ARB. Garage doors shall be opaque and shall remain closed except when in actual use to allow ingress and egress into the garage.

**Section 3.12 Swale Maintenance.** The Declarant has constructed a Surface Water or Storm Water Management System, including a drainage swale, upon certain Lots for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot from time to time. Each Owner of the Lot upon which a portion of the Surface Water or Storm Water Management System is located shall be responsible for maintenance, operation, and repair of any drainage swales on their Lot. Maintenance, operation, and repair shall be the exercise of practices such as mowing and erosion control, which allows the swales to provide drainage, water storage, conveyance or other storm water management capabilities as permitted by the water management district. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales, including by accumulation of grass clippings or other debris, is prohibited. No alteration of the drainage swales shall be authorized and any damage to any swale, whether caused by natural or human induced phenomena, shall be repaired, and the drainage swale returned to its former condition as soon as possible by the Owner of the Lot upon which the drainage swale is located. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; construct or alter any water control structure; or any other construction to modify the Surface Water Management System Facilities. If the Property includes a wetland mitigation area, as defined by the Southwest Water Management District, or wet detention pond, no vegetation in those areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the Southwest Water Management District. Construction and maintenance activities which are consistent with the design and permit conditions approved by the Southwest Water Management District and any Environmental Resource Permit may be conducted without specific written approval from the Southwest Water Management District.

**Section 3.13 Insect and Fire Control and Trash Removal.** In order to implement effective insect, reptile, rodent, and fire control, the Association and its agents shall have the right, but not the duty, to enter upon any Lot, such entry to be made by personnel with tractors or other suitable devices for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, grass or other unsightly growth, which in the opinion of the Association detracts from the overall beauty, setting and safety of the Property. Such entrance for the purpose of mowing, cutting, clearing, or pruning shall not be deemed a trespass but shall be deemed a license coupled with an interest. The Association and its agents may likewise enter upon such land to remove any trash which has collected on such Lot or Dwelling Unit without such entrance and removal being deemed a trespass. The provisions in this section shall not be construed as an obligation on the part of the Association to mow, clear, cut or prune any Lot nor to provide garbage or trash removal services. The costs incurred by the Association in

FOR  
ESTATES AT COTTON PLANT**

exercising its right under this Section shall constitute a Special Assessment against the Owner of the Lot or Dwelling Unit and shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other assessment by the Association. No such entry shall be made without prior written notice mailed to the last known address of the Owner advising him that unless corrective action is taken with ten (10) days the Association will exercise its right to enter the Property pursuant to this Section.

**Section 3.14 Clothes Lines.** No exterior clothes lines or drying areas shall be permitted except removable clothes lines or drying areas which shall be erected only during daylight hours, and only in the Rear Yard of any Lot.

**Section 3.15 Exterior Antennas, etc.** No exterior antennas, satellite dishes or similar equipment shall be permitted on any Residential Lot or Dwelling Unit thereon, except that satellite dishes of less than eighteen (18) inches in diameter may be installed on Dwelling Units if approved, including as to location, by the ARB.

**Section 3.16 Exterior Paint.** No paint may be used on the exterior of any Dwelling Unit in a color other than the color of exterior paint used in the original construction of the Dwelling Unit, without the prior written consent of the ARB.

**Section 3.17 Signs.** With the exception of the Multi-Use Tracts, no commercial sign or other sign shall be erected or maintained on any Lot or Dwelling Unit within public view except as may be required by legal proceedings. Such prohibition shall apply to commercial real estate signs advertising a particular Lot or Dwelling Unit for sale or for rent, except for a single commercial real estate sign not exceeding 18" x 30" may be displayed on any Lot without the prior permission of the ARB. Property identification and like signs exceeding a combined total of more than one (1) square foot may not be erected (or affixed to a Dwelling Unit) without the written permission of the ARB. Campaign or political signs are permitted so long as the same do not exceed 18 inches by 30 inches. No homesite may display, however, more than one sign for any individual political candidate and campaign or political signs may not be displayed more than three weeks prior to the election to which the signs are related and must be removed within one week after said election. These restrictions shall not apply to restrict the Declarant from erecting such signs as the Declarant deems in its sole discretion to be necessary to assist the Declarant in selling any Lot or Dwelling Unit. Notwithstanding the foregoing, Multi-Use Tracts used for Limited Commercial Purposes may have a single sign, approved as to color and design by the ARB, and be located as approved by the ARB.

**Section 3.18 Exterior Maintenance.** Each individual Owner shall have the responsibility to maintain the exterior of their respective Dwelling Unit. Failure to maintain the exterior of the Dwelling Unit in reasonable condition, as determined by the ARB shall constitute a Non-Monetary Default pursuant to Section 8.2 entitling the Association to levy a fine. In addition to the foregoing, the Association shall have the right, but not the duty, to provide maintenance to any exterior areas visible from the roads or adjacent Lots, including repairs to walls and roofs, painting, landscaping and lawn maintenance. The Association shall have the right to make reasonable repairs and perform reasonable maintenance in its sole discretion, after ten (10) days written notice to an Owner of a Dwelling Unit to perform maintenance and failure by the Owner to perform said maintenance. Any and all costs incurred by the Association in performing repairs and maintenance under this Section shall be paid out by the Owner. If the Owner fails to pay, then the Association shall have the right to impose a Special Assessment against said Owner to pay for the cost of repairs and replacements. Such Assessment shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other Assessments by the Association. The Association shall have the right to enter upon any Lot or upon the exterior of any Dwelling Unit for the purpose of providing repairs and maintenance as

provided in this Section, and any such entry by the Association or its agent shall not be deemed a trespass. No such entry shall be made without prior written notice mailed to the last known address of the Owner advising him that unless corrective action is taken within ten (10) days the Association will exercise its right to enter the Property pursuant to this Section.

**Section 3.19 Allowable Trim and Decoration.** No Owner or tenant of an Owner shall install shutters, awnings, or other decorative exterior trim, except small exterior decorations such as address plates and name plates, which shall not exceed the sign limitations set forth in Section 3.17 above, without the prior written consent of the ARB. All other outside decorations and ornaments, whether affixed to the Dwelling Unit or placed elsewhere on the Lot, are prohibited, unless approved by the ARB. This restriction shall not apply to seasonal decorations from two weeks prior to the holiday to which the decorations are related until one week after said holiday, and to a single flag pole which may not, however, extend higher than the roof of the Dwelling Unit.

**Section 3.20 Window Tinting.** No reflective foil or other material, or tinted glass shall be permitted on any windows except for tinted glass approved by the ARB.

**Section 3.21 Unit Air Conditioners.** No air conditioning units may be mounted to windows or walls unless the location, method of installation and appearance has been approved in writing by the ARB. All other air conditioning units shall be located in the Rear Yard or Side Yard and shall be effectively screened by plant matter or opaque fencing approved by the ARB.

**Section 3.22 Interior Maintenance.** Each individual Owner shall have the responsibility to maintain the interior of their respective Dwelling Unit. In the event the interior of said Dwelling Unit is damaged in such fashion so as to create a health or safety hazard to adjoining Dwelling Units or to create a nuisance and such damage is not repaired within thirty (30) days from the occurrence of the damage, then in such an event, the Association shall have the right to make reasonable repairs, after at least ten (10) days written notice to the Owner of the extent of the repairs and when they will be made, to the interior of such Dwelling Unit or take steps to secure the Dwelling Unit to remove or correct the health or safety hazard and shall be entitled to make a Special Assessment against the Owner of the Dwelling Unit for the costs of such repairs. Such Assessment shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other Assessment by the Association.

**Section 3.23 Tree Removal Restrictions.** No living tree larger than eight inches (8") in diameter at Diameter Breast Height (DBH) (4.5 feet above ground level) shall be cut down, destroyed or removed from the Property without the prior approval of the ARB. All requests for approval of tree removal shall be submitted to the ARB along with the plans showing generally the location of such tree(s). This restriction shall not apply to the Declarant in the course of construction, sales or maintenance of improvements upon the Property. Anyone violating the provisions of this Section will be required to replace such tree(s) with tree(s) of like kind, size and condition within thirty (30) days after demand by the Association. If the Owner fails or refuses to replace the tree(s) as demanded, the Association will cause suitable replacements to be planted and the cost thereof shall be a lien against the Lot of the Owner. The Owner grants the Association, its agents and employees, an easement for ingress and egress over and across said Lot to enable it to comply with this Section. Notwithstanding the foregoing, each Owner of a Wooded Lot by acceptance of a Deed thereto acknowledges the intention of the Declarant, and the ARB, to preserve the wooded nature of each one of the Wooded Lots. The Declarant and the ARB shall permit removal of trees from Wooded Lots only as reasonably necessary to clear a site for construction of a Dwelling Unit and approved

**Section 3.24 Driveways.** All driveways which connect to the street of Estates at Cotton Plant, said street being maintained by the Association, must be constructed in the following manner:

**3.24.1** That portion of any driveway which is constructed in the road right-of-way must be constructed and paved in accordance with Marion County Land Development Code Appendix B, LDC Detail 19.

**3.24.2** No driveway may be less than twelve feet (12') nor more than twenty feet (20') wide except for parking areas.

**3.24.3** The connection of all driveways to the street must be made so that the surface of the driveway is lower than the street and the connection of the driveway to the street must be constructed in a fashion to assure that the driveway slopes away from the street at a rate sufficient to provide that the driveway is at least six inches (6") lower than the street at a point midway between the edge of the street and the boundary line of the Lot served by the driveway.

**3.24.4** All construction of driveways set forth above, must be in accordance with accepted building and engineering standards. All driveways must be constructed of asphalt, concrete, pavers or other surface approved by the ARB. Each Owner shall be responsible for the maintenance of the driveways serving his or her Lot in good condition so that they do not become unsightly or cause damage to the street, swales, ditches, or Common Areas of Estates at Cotton Plant.

**3.24.5** The location of driveways servicing Lots 1 through 12, and 18 through 23, shall require the approval of both the ARB and the Marion County Engineering Department.

**Section 3.25 Vehicles.** All automobiles and vans constructed as private passenger vehicles with permanent rear seats and side windows, and other vehicles manufactured and used as private passenger vehicles, shall be parked within the Property overnight within an enclosed garage unless all spaces for private passenger vehicles within the enclosed garage are occupied by a private passenger vehicle, commercial vehicle, recreational vehicle, camper, trailer, travel trailer, mobile home or boat. No motorcycle, boat, trailer, camper, travel trailer, recreational vehicle, mobile home, or other powered or non-powered vehicle, other than a private passenger vehicle, may be parked or maintained on any Lot, or within the Common Areas, other than on a Multi-Use Tract, except within an enclosure or screened in a fashion approved by the ARB. The restrictions set forth herein shall not apply to any Multi-Use Tract to the extent the same is used for Limited Commercial Purposes, or to the extent the same has constructed thereupon in excess of one Dwelling Unit. The foregoing restrictions shall not be deemed to prohibit the temporary parking of commercial vehicles while providing services to the Property. All vehicles parked on the Property must be in good condition, and no vehicle which is unlicensed or cannot operate under its own power shall remain on the Property for more than twenty-four (24) hours, and no major repair of any vehicle shall be made on the Property.

**Section 3.26 Construction on Lots.** All exterior construction and landscaping of any Dwelling Unit shall be completed before any person may occupy the same. All construction on any Dwelling Unit shall be completed within twelve (12) months from the issuance of the building permit for that Dwelling Unit. This area must be sodded with grass approved by the ARB, and shall be serviced by an inground irrigation system approved by the ARB simultaneously with the landscaping plan. The lawn shall be comprised of grass only and shall be cut and edged next to all concrete, asphalt and other non-lawn surfaces. All areas of a Lot that are not sodded, landscaped, or left natural as approved by the ARB must be grassed. All grass shall be of a type approved by the ARB. Grassed areas will be regularly mowed, and will be appropriately watered, fertilized, and treated for grass destroying pests, including insects, fungus, weeds, and disease in a manner designed to insure healthy growth, color and appearance. Decorative rock yards, paved yards, or yards in which the principal ground cover is other than grass are specifically prohibited. No artificial shrubbery, trees, or other artificial vegetation or landscaping, or potted shrubbery, trees, or vegetation shall be permitted outside the Dwelling Unit, except that live shrubbery, trees, or other vegetation in uniformly designed and attractive pots may be displayed on porches, patios, or at the entrance areas of a Dwelling Unit. All shrubbery shall be regularly trimmed, fertilized, watered, and treated for pests as needed to assure the health and attractive condition of the shrubbery. All non-lawn areas shall be kept free from excessive weeds or unsightly undergrowth or brush. The Owner's maintenance and care obligations as set forth herein shall apply to all portions of the Lot including any easements located on or adjacent thereto, including front, side, and rear road and utility easements. Each Owner shall maintain the portions of his Lot lying between the Owner's Lot and the pavement of any adjacent paved street, including culverts.

Any and all costs incurred by the Association in performing maintenance under this Section shall be paid by the Owner.

The Board of Directors of the Association may, if it deems it advisable, include the cost of garbage collection and removal within the Common Assessment. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the Assessment fell due.

**Section 7.2**    **Purpose of Assessments.** The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property, and for the improvement and maintenance of the Common Areas including, but not limited to, the Surface Water and Storm Water Management System and for enforcement of the Declaration.

**Section 7.3**    **Maintenance.** The Association shall maintain the Common Areas and shall assume all of Declarant's responsibility to the County, its governmental and quasi-governmental subdivisions and similar entities of any kind with respect to the Common Areas or the Property including, but not limited to, roads and water distribution systems, or any Surface Water or Storm Water Management System, and shall indemnify and hold Declarant harmless with respect thereto. Nothing contained herein shall obligate the Association, or otherwise make it responsible for, initial construction of improvements required by the County.

**Section 7.4**    **Fixing Common Assessment.** The Board of Directors of the Association shall be authorized to assess the Members in such amount as they shall determine necessary:

7.4.1    to maintain, repair, improve, reconstruct and replace the Common Areas and any temporary Surface Water or Storm Water Management System, operate the Association, perform other maintenance, repairs, or services authorized or permitted by the Declaration; and

7.4.2    to provide for the maintenance of improvements, including, but not limited to, irrigation systems and landscaping lying within public or private rights-of-way; and

7.4.3    to install such safety devices and signs as the Board of Directors shall approve along any streets or walkways; and

7.4.4    to provide for the installation, maintenance, repair, improvement and replacement of all improvements located within the easements granted to the Association in Article 5; and

7.4.5    to provide for garbage collection and removal; and

7.4.6    to otherwise achieve those purposes set forth in Section 7.2 above, as determined to be necessary or advisable by the Board of Directors, and to provide funds necessary to pay all Common Expenses.

The Common Assessment shall be allocated among the Owners, including the Declarant,

on the basis of Lots held by each Owner as a portion of the total of Lots held by all Owners. Notwithstanding the foregoing, for so long as Declarant is a Class B Member, the Declarant shall have the option, in its sole discretion, to (i) pay Assessments on the Lots owned by it, or (ii) not to pay Assessments on any Lots and in lieu thereof to fund any resulting deficit in the Association's operating expenses not produced by Assessments receivable from Owners other than the Declarant. The deficit to be paid under option (ii), above, shall be the difference between (i) actual operating expenses of the Association (exclusive of capital improvement costs, reserves and management fees) and (ii) the sum of all monies receivable by the Association (including, without limitation, Assessments, interest, late charges, fines, rent and incidental income) and any surplus carried forward from the preceding year(s). The Declarant may from time to time change the option stated above under which the Declarant is making payments to the Association by written notice to such effect to the Association. When all Lots within the Property are sold and conveyed to purchasers, other than the Declarant, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments, deficits or contributions.

The Common Assessment, determined and allocated as set forth above, shall be fixed at such times, and shall be payable in such installments, as the Board may approve.

**Section 7.5     Assessments for Capital Improvements.** In addition to the Common Assessment authorized above, the Association may levy, in any assessment year, an Assessment applicable to that year for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, or within the easements granted to the Association in Article 5, including fixtures and personal property related thereto. Any such Assessment shall have the assent of a majority of the votes of the membership who are voting in person or by proxy at a meeting duly called for this purpose. Notwithstanding the foregoing, the levy of any Assessment pursuant to this provision which would exceed, for each Owner, the total amount of the prior year's Common Assessment, will require a majority vote of all Non-Declarant Owners.

**Section 7.6     Notice and Quorum for any Action Authorized under Sections 7.4 and 7.5.** Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.4 and 7.5 shall be sent to all Members not less than fourteen (14) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast thirty percent (30 %) of the votes of the membership shall constitute a quorum. If the required quorum is not present another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be twenty-five (25%) of the votes of the membership. The Association may call as many such subsequent meetings as necessary to obtain an authorized quorum. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting, without written notice.

**Section 7.7     Uniform Rate of Assessment.** The Common Assessment, and any Reconstruction Assessment and Capital Improvement Assessment, must be fixed at a uniform rate for all Lots, except as to undeveloped Lots owned by the Declarant pursuant to Section 7.4 above, and may be collected on a monthly, semi-annual, quarterly or annual basis as determined by the Board of Directors. It is the intention hereof that the Owner of a Multi-Use Tract may pay multiple Assessments. If, for example, the Multi-Use Tract is unimproved, or has a single Dwelling Unit on it, the Owner shall pay Assessments as the Owner of a single Lot. If, for example, the Multi-Use Tract has a quadraplex on it, the Owner thereof shall be assessed as if the Owner owned four Lots.

**Section 7.8     Date of Commencement of Assessments; Due Dates.** The Assessments provided for in

this Article shall commence as to all Lots on the first day of the month next following the conveyance of the Common Area or the conveyance of the first Lot to an Owner other than Declarant, whichever shall occur first. The First Common Assessment shall be adjusted according to the number of months remaining in the calendar year. Written notice of the Common Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as to third parties as of the date of its issuance.

**ARTICLE 8.  
COLLECTION OF ASSESSMENTS**

**Section 8.1    Monetary Defaults and Collection of Assessments.**

- 8.1.1    Late Fees and Interest.** If any Assessment is not paid within ten (10) days after the due date, the Association shall have the right to charge the defaulting Owner a late fee of ten (10%) percent of the amount of the Assessment, or Ten (\$10.00) Dollars, whichever is greater, plus interest at the highest rate of interest allowable by law from the due date until paid. If there is no due date applicable to any particular Assessment, then the Assessment shall be due ten (10) days after written demand by the Association.
- 8.1.2    Acceleration of Assessments.** If any Owner is in default in the payment of any Assessment owed to the Association for more than thirty (30) days after written demand by the Association, the Association upon written notice to the defaulting Owner shall have the right to accelerate and require such defaulting Owner to pay to the Association Assessments for the next twelve (12) month period, based upon the then existing amount and frequency of assessments. In the event of such acceleration, the defaulting Owner shall continue to be liable for any increases in the Common Assessments, for all Special Assessments, and for all other Assessments payable to the Association.
- 8.1.3    Lien for Assessments.** The Association has a lien on each Lot for unpaid Assessments owed to the Association by the Owner of such Lot, and for late fees and interest, and for reasonable attorneys' fees incurred by the Association incident to the collection of the Assessments or enforcement of the lien, and all sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances in order to preserve and protect the Association's lien. The lien is effective from and after recording a lien in the public records in the County, stating the legal description of the Lot, the name of the record Owner, and the amount due as of the recording of the claim of lien. A recorded claim of lien shall secure all sums set forth in the claim of lien, together with all Assessments or other monies owed to the Association by the Owner until the lien is satisfied. The lien is in effect until all sums secured by it have been fully paid or until the lien is barred by law. The claim of lien must be signed and acknowledged by an officer or agent of the Association. Upon payment in full of all sums secured by the lien, the person making the payment is entitled to a satisfaction of the lien.
- 8.1.4    Collection and Foreclosure.** The Association may bring an action in its name to foreclose a lien for Assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The applicable Owner shall be liable

to the Association for all costs and expenses incurred by the Association in connection with the collection of any unpaid Assessments, and the filing, enforcement, or foreclosure of the Association's lien, including reasonable attorneys' fees and all sums paid by the Association for taxes and on account of any other mortgage, lien, or encumbrance in order to preserve and protect the Association's lien. The Board is authorized to settle and compromise the Association's lien if the Board deems a settlement or compromise to be in the best interest of the Association.

- 8.1.5 Subordination of Lien.** The lien of the Association for Assessments or other monies shall be subordinate and inferior to the lien of any first mortgage of record held by an institutional lender. An institutional lender shall refer to any bank, bank holding company, trust company, or subsidiary thereof, savings and loans association, savings bank, federal national mortgage association, insurance company, union pension fund, mortgage company, an agency of the United States government, or the Declarant. Any person who obtains title to a Lot pursuant to the foreclosure of a first mortgage of record held by an institutional lender, or any Mortgagee who accepts a deed to a Lot in lieu of foreclosure of the first mortgage of record held by an institutional lender shall not be liable for any Assessments or for other monies owed to the Association which are chargeable to the former Owner of the Lot and which became due prior to acquisition of title as a result of the foreclosure or deed in lieu thereof, unless the payment of such funds is secured by a claim of lien recorded prior to the recording of the foreclosed or underlying mortgage. The unpaid Assessments or other monies are Common Expenses collectable from all of the Owners, including such acquirer and his successors and assigns. The new Owner, from and after the time of acquiring such title, shall be liable for payment of all future Assessments as may be assessed to the Owner's Lot. Any person who acquires a Lot, except through foreclosure of a first mortgage of record or acquiring title by sale, gift, devise, operation of law or by purchase at a judicial or tax sale, shall be liable for all unpaid Assessments and other monies due and owing by the former Owner to the Association; provided, however, that this obligation shall not be applicable to loans insured by the Federal Housing Administration or guaranteed by the Veterans Administration, if the applicable statutes, rules or regulations of the FHA or VA prohibit such liability.
- 8.1.6 Unpaid Assessments Certificate.** Within fifteen (15) days after written request by any Owner or any Mortgagee holding or making a mortgage encumbering any Lot, the Association shall provide the Owner or Mortgagee a written certificate as to whether or not the Owner of the Lot is in default with respect to the payment of Assessments or with respect to compliance with the terms and provisions of this Declaration, and any person or entity who relies on such certificate in purchasing or in making a mortgage loan encumbering any Lot shall be protected thereby.
- 8.1.7 Application of Payments.** Any payments made to the Association by any Owner shall first be applied towards any sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances which may have been advanced by the Association in order to preserve and protect its lien; next toward reasonable attorneys' fees incurred by the Association incidental to the collection of Assessments and other monies owed to the Association by the Owner or for the enforcement of its lien; next towards interest on any Assessments or other monies due to the Association, as provided herein; and next towards any unpaid Assessments owed to the Association in the inverse order that such Assessments were due.

**Section 8.2**    **Non-Monetary Defaults.** In the event of a violation by any Owner or any tenant of an Owner, or any person residing with them, or their employees, guests, or invitees, (other than the non-payment of any Assessment or other monies) of any of the provisions of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, the Association shall notify the Owner and any tenant of the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within fourteen (14) days after such written notice, or if the violation is not capable of being cured within such fourteen (14) day period, if the Owner or tenant fails to commence and diligently proceed to cure completely such violation as soon as practicable within fourteen (14) days after written notice by the Association, or if any similar violation is thereafter repeated, the Association may, at its option take any one or all of the following actions:

- 8.2.1    Impose a fine against the Owner or tenant as provided in Section 8.3 of this Article;
- 8.2.2    Commence an action to enforce the performance on the part of the Owner or tenant, or for such equitable relief as may be necessary under the circumstances, including injunctive relief;
- 8.2.3    Commence an action to recover damages;
- 8.2.4    take any and all actions reasonably necessary to correct such failure, which action may include, where applicable, but is not limited to, removing any addition, alteration, improvement or change which has not been approved by the Association, or performing any maintenance required to be performed by this Declaration.

All expenses incurred by the Association in connection with the correction of any failure, plus a service charge of ten (10%) percent of such expenses, and all expenses incurred by the Association in connection with any legal proceedings to enforce this Declaration, including reasonable attorneys' fees, shall be assessed against the applicable Owner as a Special Assessment and shall be due upon written demand by the Association. The Association shall have a lien for any such Special Assessment and any interest, costs or expenses associated therewith, including attorneys' fees incurred in connection with such Special Assessment, and the Association may take such action to collect such Special Assessment or foreclose said lien as in the case and in the manner of any other Assessment as provided above. Any such lien shall only be effective from and after the recording of a claim of lien in the Public Records of the County.

**Section 8.3**    **Fines.** The amount of any fine shall be determined by the Board, and shall not exceed One Hundred Dollars (\$100.00) per violation. For continuing violations each day the violation is in existence may be considered a separate violation. In such event, the fine may be levied on the basis of each day of the continuing violation, with a single notice and opportunity for hearing, except that no such fine for a continuing violation shall exceed Fifty Dollars (\$50.00) a day (with no cap on the aggregate amount of said fine). Any fine shall be imposed by written notice to the Owner or tenant, signed by an officer of the Association, which shall state the amount of the fine, the violation for which the fine is imposed, and shall specifically state that the Owner or tenant has the right to contest the fine by delivering written notice to the Association within fourteen (14) days after receipt of the notice imposing the fine. If the Owner or tenant timely and properly objects to the fine, the Board shall appoint a committee of at least three (3) Members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or the sister of an officer, director or employee of the Association, to conduct a hearing within thirty (30) days after receipt of the Owner's or tenant's objection, and shall give the Owner or tenant not less than fourteen (14) days' written notice of the hearing date. At the hearing, the committee shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred, and that the fine imposed is

appropriate. The Owner or tenant shall have the right to attend the hearing and to produce evidence on its behalf. The committee shall ratify, reduce or eliminate the fine and shall give the Owner or tenant written notice of its decision. Any fine shall be due and payable within fourteen (14) days after written notice of the imposition of the fine, or if a hearing is timely requested within fourteen (14) days after written notice of the committee's decision. Any fine levied against an Owner shall be deemed a Special Assessment, and if not paid when due all of the provisions of this Declaration relating to the late payment of Assessments shall be applicable. If any fine is levied against a tenant and is not paid within fourteen (14) days after same is due, the Association shall have the right to evict the tenant pursuant to Section 8.6 of this Article.

**Section 8.4     Negligence.** An Owner shall be liable and may be assessed by the Association for the expense of any maintenance, repairs or replacement rendered necessary by his act, neglect or carelessness, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Lot or Dwelling Unit or the Common Areas.

**Section 8.5     Responsibility of an Owner for Occupants, Tenants, Guests and Invitees.** Each Owner shall be responsible for the acts and omissions, whether negligent or willful, of any person residing in his Dwelling Unit, and for all employees, guests, and invitees of the Owner or any such resident, and in the event the acts or omissions of any of the foregoing shall result in any damage to the Common Areas, or any liability to the Association, the Owner shall be assessed for same as in the case of any other Assessment, limited where applicable to the extent that the expense or liability is not met by the proceeds of insurance carried by the Association. Furthermore, any violation of any of the provisions of this Declaration, of the Articles, or the Bylaws, by any resident of any Dwelling Unit, or any guest or invitee of an Owner or of any resident of a Dwelling Unit shall also be deemed a violation by the Owner, and shall subject the Owner to the same liability as if such violation was that of the Owner.

**Section 8.6     Right of Association to Evict Tenants, Occupants, Guests, and Invitees.** With respect to any tenant or any person present in any Dwelling Unit or any portion of the Property, other than an Owner and the members of his immediate family permanently residing with him in the Dwelling Unit, if such person shall materially violate any provision of this Declaration, the Articles or the Bylaws, or shall create a nuisance or an unreasonable and continuous source of annoyance to the residents of the Property, or shall willfully damage or destroy any Common Areas or personal property of the Association, then upon written notice by the Association such person shall be required to immediately leave the Property and if such person does not do so, the Association is authorized to commence an action to evict such tenant or compel the person to leave the Property and, where necessary, to enjoin such person from returning. The expense of any such action, including attorneys' fees, may be assessed against the applicable Owner as a Special Assessment, and the Association may collect such Special Assessment and have a lien for same as elsewhere provided. The foregoing shall be in addition to any other remedy of the Association.

**Section 8.7     No Waiver.** The failure of the Association to enforce any right, provision, covenant or condition which may be granted by this Declaration, the Articles or the Bylaws, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant, or condition in the future.

**Section 8.8     Rights Cumulative.** All rights, remedies and privileges granted to the Association pursuant to any terms, provisions, covenants, or conditions of this Declaration, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association thus

exercising the same from executing such additional remedies, rights or privileges as may be granted or as it might have by law.

**Section 8.9    Enforcement By or Against other Persons.** In addition to the foregoing, this Declaration may be enforced by Declarant or the Association, by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration. In addition to the foregoing, any Owner shall have the right to bring an action to enforce this Declaration against any person violating or attempting to violate any provision herein, to restrain such violation or to require compliance with the provisions contained herein, but no Owner shall be entitled to recover damages or to enforce any lien created herein as a result of a violation or failure to comply with the provisions contained herein by any person, and the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees.

**ARTICLE 9.  
ARCHITECTURAL REVIEW**

**Section 9.1    Composition of Architectural Review Board.** The Declarant, acting in his own name or Declarant's appointed agent, shall constitute the Architectural Review Board (referred to herein as "ARB"). At such time as Declarant in his sole and absolute discretion shall determine, Declarant may, in lieu of continuing to serve as the ARB, transfer the authority to serve in that capacity to the Association. At such time Declarant in his sole and absolute discretion transfers such authority to the Association, the Association shall create a committee which shall thenceforth be and constitute the ARB.

**Section 9.2    Large Homes.** It is the intention of the Developer to require stricter standards for large homes within the development. Owners are hereby placed on notice, therefore, that design standards may be different, and more strenuous, for larger homes, and specific ARB approval will be required for any Dwelling Unit which is located on two (2) or more Lots.

**Section 9.3    Scope of Review.** No buildings, fence, wall, outbuilding, landscaping or other structure or improvement shall be erected, altered, added onto or repaired upon any portion of the Property without the prior written consent of the ARB provided however that improvements erected, altered, added onto or repaired by Declarant shall be exempt from the provisions of this Article 9. Nothing contained herein shall require that the ARB approve improvements of the interior structures which improvements are not visible or apparent from the exterior of the structure. The ARB's approval shall include, but not be limited to, assuring that the improvements comply with individual Lot grading guidelines established by the ARB.

**Section 9.4    Submission of Plans.** Prior to the initiation of construction upon any Lot, the Owner thereof shall first submit to the ARB a complete set of plans and specifications for the proposed improvement, including site plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, approximate ground floor elevation in relation to the existing (natural) grade, specifications of materials and exterior colors, and any other information deemed necessary by the ARB for the performance of its function. In addition the Owner shall submit the identity of the individual or company intended to perform the work and a projected commencement and completion date. As a precondition to review and approval of any plans and specifications or other materials submitted to it, the ARB may assess a reasonable fee, including a fee for review of the plans by a professional architect and inspection of construction by the same for conformance with the approved plans and specifications. Initially the fee for such review and inspection with regard to plans and

specifications for a Dwelling Unit shall be Six Hundred Dollars (\$600.00).

- Section 9.5**    **Plan Review.** Upon receipt by the ARB of all of the information required by this Article 9, including any fee assessed by the ARB for review or inspection, the ARB shall have thirty (30) days in which to review said plans. The proposed improvements will be approved if, in the reasonable opinion of the ARB (i) the improvements will be of an architectural style and material that are compatible with the other structures in the Property; (ii) the improvements will not violate any restrictive covenant or encroach upon any easement or building set back lines; (iii) the improvements will not result in the reduction in property value or use of adjacent property (iv) the individual or company intended to perform the work is acceptable to the ARB; and (v) the improvements will be substantially completed, including all cleanup, within twelve (12) months of issuance of a building permit. The ARB's approval shall include, but not be limited to, assuring that the improvements comply with individual Lot grading guidelines established by the ARB. In the event that the ARB fails to issue its written approval within 30 days of its receipt of the last of the materials or documents required to complete the Owner's submission, the ARB's approval shall be deemed to have been granted without further action.
- Section 9.6**    **Contingent Approval.** In the exercise of its sole discretion the ARB may require the Owner to provide assurances that the improvements will be completed in accordance with the approved plans, including posting of a cash bond.
- Section 9.7**    **Maintenance.** All buildings, fences, walls, outbuildings, landscaping, or other structures or improvements approved by the ARB shall be maintained in accordance with the Plans submitted to the ARB, and in good condition as determined by the ARB. Without limiting the foregoing, all landscaping shall be maintained in a healthy condition. Any failure to maintain any such buildings, fence, wall, outbuilding, landscaping, or other structures or improvements in accordance with the approval obtained from the ARB, and in reasonable condition as determined by the ARB, shall constitute a Non-Monetary Default hereunder pursuant to 8.2, entitling the Association to pursue the remedies set forth therein.
- Section 9.8**    **Non-conforming Structures.** If there shall be a material deviation from the approved plans in the completed improvements, such improvements shall be in violation of this Article 9 to the same extent as if erected without prior approval of the ARB. The Association, ARB or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.
- Section 9.9**    **Immunity of ARB Members.** No individual member of the ARB shall have any personal liability to any Owner or any other person for the acts or omissions of the ARB if such acts or omissions were committed in good faith and without malice. The Association shall defend any action brought against the ARB or any member thereof arising from acts or omissions of the ARB committed in good faith and without malice. Any approval given by the ARB, whether written, spoken, or implied, shall not constitute or imply compliance with this Declaration or any governmental regulations. Without limiting the foregoing, each Owner is hereby informed that any construction of impervious areas on a Lot, including Dwelling Units, (barns, driveways, sidewalks, etc.) In excess of 12,770 square feet shall require separate approvals from the County and the Southwest Florida Water Management District, in addition to standard governmental approvals.
- Section 9.10**   **Address for Notice.** Requests for approval or correspondence with the ARB shall be addressed to the attention of the "*Estates at Cotton Plant ARB*", c/o James T. Mastin, 5700 SW 34<sup>th</sup> Street, Suite 324, Gainesville, FL 32608, and mailed or delivered to the principal office of the Declarant at that address, or such other address as may be designated from

time to time by the ARB and the Declarant. No correspondence or request for approval shall be deemed to have been received until actually received by the ARB in form satisfactory to the same.

**Section 9.11 Variances.** The ARB may authorize variances in compliance with the architectural provisions, and all of the use restrictions, of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Any variance granted for the use restriction set forth in Article 3 must, before becoming effective, be approved by a two-thirds (2/3) vote of the Membership of the Association. Such variances must be evidenced in writing. If such variances are granted in writing and approved in writing by the ARB, no violation of the covenants, conditions, and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms or provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variances, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting its use of the premises including, but not limited to, zoning ordinances and setback requirements and requirements imposed by any governmental or municipal authority.

**Section 9.12 Attorneys Fees and Costs.** For all purposes necessary to enforce or construe this Article the ARB and the Declarant, shall be entitled to collect reasonable attorneys fees, costs and other expenses from the Owner whether or not judicial proceedings are involved. If such fees, costs or expenses are not paid by the Owner to the Declarant within fifteen (15) days of Declarant providing to Owner a written notice thereof, the Declarant may levy a special assessment in the amount of said fees, costs, and expenses against such Owner which special assessment shall constitute a lien on the Owner's Lot pursuant to Section 8.1 and shall be collectible as set forth in this Declaration.

**ARTICLE 10.  
EASEMENT RESERVED TO DECLARANT**

**Section 10.1 Easement over Common Areas.** For so long as Declarant is the Owner of any Lot or any portion of the Multi-Use Tracts, the Declarant hereby reserves unto itself the right to grant easements over, upon, under and across all Common Areas, including, but not limited to, the right to use the said Common Areas to construct, maintain, improve and replace berms, swale, drainage retention areas and other drainage control features serving any portion of the Property, to erect, maintain and use electric and telephone poles, wires, cables, conduits, sewers, water mains, and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, cable television, water or other public conveniences or utilities, drainage and the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action reasonably necessary to provide economical and safe public convenience or utility installation or to provide for drainage and to maintain reasonable standards of health, safety and appearance and the right to locate wells, pumping stations, lift stations and tanks; provided, however, that said reservation and right shall not be considered an obligation of the Declarant to provide or maintain any such utility or service.

**Section 10.2 Establishment of Easements.** All easements, as provided for in this Article, shall be established by one or more of the following methods, to wit:

**10.2.1** by a specific designation of an easement on the recorded Plat of the Property;

**10.2.2** by a reservation of specific statement provided for an easement in the deed of

conveyance of a given Lot or Dwelling Unit; or

10.2.3 by a separate instrument, said instrument to be subsequently recorded by the Declarant.

**ARTICLE 11.  
COVENANTS AGAINST PARTITION AND  
SEPARATE TRANSFER OF MEMBERSHIP RIGHTS**

Recognizing that the full use and enjoyment of any Lot is dependent upon the right to the use and enjoyment of the Common Areas and the improvements made thereto, and that it is in the interest of all of the Owners that the right to the use and enjoyment of the Common Areas be retained by the Owners of Lots, it is therefore declared that the right to the use and enjoyment of any Owner in the Common Areas shall remain undivided, and such Owners shall have no right at law or equity to seek partition or severance of such right to the use and enjoyment of the Common Areas. In addition, there shall exist no right to transfer the right to the use and enjoyment of the Common Areas in any manner other than as an appurtenance to and in the same transaction with, a transfer of title to a Lot. Any conveyance or transfer of a Lot shall include the right to use and enjoyment of the Common Areas appurtenant to such Lot subject to reasonable rules and regulations promulgated by the Association for such use and employment, whether or not such rights shall have been described or referred to in the deed by which said Lot is conveyed. The Declarant shall convey the Declarant's interest in the Common Areas to the Association.

**ARTICLE 12.  
AMENDMENTS TO DECLARATION**

**Section 12.1 General Amendments.** So long as Declarant owns any Lot or any portion of the Multi-Use Tracts Declarant shall have the sole and absolute right, subject only to the limitations of Section 12.2, to amend these Declarations. Thereafter, this Declaration may be amended only by the affirmative vote or written consent of the Members having not less than two-thirds (2/3) of the votes of the Membership. No amendment shall be permitted, however, which changes the rights, privileges and obligations of the Declarant without the prior written consent of the Declarant. Nothing contained herein shall affect the right of the Declarant to make whatever amendments or Supplemental Declarations are otherwise expressly permitted hereby without the consent or approval of any Owner or Mortgagee.
