2.2 Use of Common Area. The Common Area shall be preserved as open space and used for recreational purposes and other purposes incidental and ancillary to the use of Lots. Such use shall be limited to the private use for aesthetic and recreational purposes by the Members, their Tenants, families, and guests, subject to the provisions of the Governing Documents. No improvement, excavation, or work which in any way alters any Common Area or Common Facility from its natural or existing state on the date such Common Area or Common Facility was completed shall be made or done except by the Association and then only in strict compliance with the provisions of this Declaration.

2.3 Owners Non-Exclusive Easements of Enjoyment. Every Owner shall have a non-exclusive easement of use of and enjoyment in, to, and throughout the Common Area, including ingress and egress to and from their Lot. Each such non-exclusive easement shall be appurtenant to and pass with the title to every Lot, subject to the following rights and restrictions:

The right shall be immediate in case of an emergency originating in or threatening such Residence or Lot and the obligation can be performed whether or not the Owner is present.

2.3.8 The right of the Association to establish, construct, maintain, repair, and replace facilities upon the Common Area including without limitation recreation facilities, storage facilities, and workshops, which may be necessary or convenient in the discharge of the Association's duties and the exercise of its rights under the Governing Documents.

2.3.9 The right of the Association to grant exclusive use of a portion of the Common Area to an Owner, if approved by an Absolute Majority of the Members, except as provided by law.

2.4 Assignment of Rights of Use. Any Owner may assign their rights of use and enjoyment, including easements, in the Development to members of their household, Tenants, Contract Purchasers, guests, and invitees, subject to the terms of the Governing Documents. Upon the leasing of a Lot, or upon occupancy of a Lot by a Contract Purchaser, the Owner shall be deemed to have assigned all such rights exclusively to the Tenants or Contract Purchasers of such Lot except that such Owner shall continue to have an easement for ingress and egress to such Owner's Lot to the extent necessary to discharge the Owner's obligations and rights as a landlord. Each Owner shall notify the Secretary of the Association of the names of any Tenants or any such Contract Purchasers of such Owner's Lot. Each Owner, Tenant, or Contract Purchaser shall also notify the Secretary of the Association of the names of all members of their household to whom such Owner, Tenant, or Contract Purchaser has assigned any rights of enjoyment in the Development as provided herein and the relationship which each such person bears to such Owner, Tenant, or Contract Purchaser. Any rights of enjoyment assigned pursuant to this Section are subject to suspension to the same extent that rights of Owners are subject to suspension as provided in the Governing Documents. It is the express purpose and intent of the provisions of this Section to limit the right of use and enjoyment of the Common Area to Residents and their guests.

2.5 Damage to Common Area or Association Property. An Owner is responsible for the cost to repair any damage caused to any Common Area, including Exclusive Use Common Area, which is caused by the negligence, gross negligence, or willful misconduct by the Owner or the Owner's Tenants, residents, or invitees. In the event that the Association elects to submit a claim to its insurance provider for the cost to repair said damage, the Association may charge the cost of the deductible and any increased premiums to the Owner as a Reimbursement Assessment.

2.6 Common Area Construction. Except as may be authorized by the Board, no person or entity other than the Association or its duly-authorized agents: (a) shall construct, reconstruct, refinish, alter, or maintain any Improvement upon the Common Area; (b) shall make or create any excavation or fill upon the Common Area; (c) shall change the natural or existing drainage of the Common Area; or (d) shall plant, remove, or destroy any seed, plant material, tree, shrub, or other vegetation upon the Common Area.

2.7 Utilities Rights and Duties. Whenever sanitary sewer, water, electric, gas, television receiving, telephone lines or other utility connections, or drainage systems are located or installed within the Development, the Owner of each Lot served by said connections shall be entitled to the use and enjoyment of such portions of said connections that serve their Lot. Every Owner shall maintain all utility installations located in or upon their Lot except for those installations specifically arranged to be maintained by the Association or utility companies, whether public or private. Utility companies shall have the right, at

reasonable times and after reasonable notice, to enter upon the Development to discharge any duty to maintain Development utilities.

2.8 Mechanic's Liens. In the event there shall be filed against the Common Area a Notice of Mechanic's Lien for, or purporting to be for, labor or materials alleged to have been furnished or delivered for any Owner or their Lot, such Owner shall immediately cause such lien to be discharged by payment, bond, or otherwise. If the Owner fails to cause the lien to be discharged, the Board may send written notice to the Owner specifying that unless the Owner causes the lien to be discharged within five (5) days from the date of such notice, the Board may cause the lien to be discharged. Within such five (5) day period, the Owner shall be granted a hearing before the Board regarding the validity of such lien and any offsets or defenses thereto. At that time, the Board shall determine whether the lien adversely and improperly affects and encumbers the rights and interests of the Association or the other Owners. If the Board determines that the lien does adversely and improperly affect and encumber such rights and interests and that adequate protection of such rights and interests has not been provided, the Board may cause the lien to be discharged by payment, bond, or otherwise. The Board shall have the right to levy a Reimbursement Assessment against the Owner responsible for causing the lien to be discharged in an amount equal to all amounts paid by the Association together with interest thereon at the legal rate and all costs and expenses paid or incurred in connection therewith, including reasonable attorneys' fees.

ARTICLE 3 EASEMENTS

3.1 Utility and Maintenance Easement. Easements over and under the Development for the installation, repair, and maintenance of electric, telephone, water, gas and sanitary sewer lines, heating facilities, cable or master television antenna lines, drainage facilities, walkways, and landscaping as shown on the Subdivision Map, and as may be hereafter required or needed to service the Development, are hereby reserved by the Association, together with the right to grant and transfer the same.

3.2 Encroachment Easements. Each Lot within the Development is hereby declared to have an easement over all adjoining Lots and the Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be valid easements for the maintenance of said encroachments as long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot agree that minor encroachments over adjoining Lots or Common Area shall be permitted and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist.

3.3 Entry for Repairs. The Board may authorize its agents and employees to enter upon a Lot when necessary in connection with any maintenance, landscaping, or construction for which the Association is responsible or to effect emergency repairs, or to effect necessary repairs which the Lot Owner has failed to perform as required by this Declaration, in which case such entry shall be made with as little inconvenience to the Owner as practicable and any damage caused thereby shall be repaired by the Board at the expense of the Association. In the case of repairs the Owner has failed to perform, except in case of an emergency, twenty-four (24) hour advance notice shall be given to the Owner or occupant.

3.4 Easements Granted by Board. The Declarant or the Board shall have the power to grant and convey to any person or entity easements and rights of way, in, on, over, or under the Common Area for the purpose of:(a) constructing, erecting, operating, or maintaining thereon, therein, or thereunder overhead or underground lines, cables, wires, conduits, or other devices for electricity, cable television, power, telephone,

public sewers, storm drains and pipes, water systems, sprinkling systems, water, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities; and (b) for any other purposes deemed by the Board to be appropriate and not inconsistent with the purposes and interests of the Association. Each purchaser, in accepting a deed to a Lot, expressly consents to such easements and rights of way. No such easements may be granted if they would materially interfere with the use, occupancy, or enjoyment by an Owner or Resident of their Lot without the consent of the affected Owner of the Lot.

3.5 Future Construction and Assignment of Declarant's Rights.

3.5.1 Nothing in the provisions of the Governing Documents shall limit the right of the Declarant to complete the construction of Improvements that are located in the Common Area as well as to any Lots that are owned by the Declarant, to alter such improvements and/or Lots or to construct any additional Improvements that the Declarant might deem advisable, before completion and sale of the entire Development.

4.24 Variances. The Board shall be authorized to grant reasonable variances from the provisions of Article 4 upon written application from any Owner provided that the Board determines, in its sole discretion, that the specific application of the restriction to such Owner will: (a) cause substantial undue hardship to the Owner; or (b) fail to further or accomplish the common plan for the Development as contemplated by this Declaration. The Board shall have the power to limit any variance granted in scope or duration or otherwise impose such specific requirements as the Board may, in its complete discretion, see fit to require. The Board shall follow the following procedures when acting on any request for a variance:

4.24.1 The Board, in its sole discretion, shall make an initial determination of whether or not the variance request, on its face, meets the requirements set forth in this Section. If the Board determines that the variance request does not meet the requirements set forth in this Section, the variance request shall be denied and the Board shall notify the applicant within thirty (30) days of the Board's decision. If the Board

No decision regarding the request for variance shall be made until the conclusion of the hearing.

4.24.3 After the conclusion of the hearing, the Board shall, in its sole discretion, grant or deny the request for variance in accordance with the standards set forth in this Section. 5.12 Mergers and Consolidations. The Association may: (a) participate in mergers and consolidations with other nonprofit corporations organized for the same purposes as the Association; or (b) annex additional property to the Development, provided that the approval of an Absolute Majority is obtained.

5.13 Dissolution. So long as there is any Lot, parcel, or area for which the Association is obligated to provide management, maintenance, preservation, or control, the consent of all Members must be obtained for the Association to: (a) transfer all or substantially all of its assets, or (b) file a certificate of dissolution.

5.14 Limitation of Liability. Neither the Association nor its Directors, officers, employees, agents or committee members (collectively and individually referred to as the "Released Party") shall be personally liable for damages or in equity to any of the Members, or to any other person, for any error or omission in the discharge of their duties and responsibilities or for their failure to provide any service required hereunder or pursuant to the Bylaws, even if such Released Party is negligent, provided that such Released Party has not acted in bad faith. ARTICLE 6 ASSESSMENTS AND LIENS

6.1 Covenant of Owner. Each Owner of a Lot within the Development, by acceptance of a deed or other conveyance thereof, whether or not it shall be so expressed in such deed or conveyance, shall be deemed to have covenanted and agreed to pay to the Association: (a) Annual Assessments; (b) Special Assessments; (c) Reimbursement Assessments; and (d) Enforcement Assessments levied by the Association as hereinafter provided, together with all Additional Charges.

6.1.1 Collections. Such deed or conveyance shall be deemed to vest in the Association the right and power to initiate all actions and procedures as the Board shall deem necessary or appropriate for the collection of such Assessments and Additional Charges and for the enforcement of the liens hereinafter provided for.

6.1.2. Personal Debt. Each Assessment levied by the Association under this Article, together with all Additional Charges, shall be a separate, distinct, and personal debt and obligation of the Owner against whom it is assessed, and shall bind their heirs, devisees, personal representatives, successors, and assigns. Such obligation to pay Assessments and Additional Charges and the right and power of the Association to initiate all actions and procedures for collection shall run with the land, so that each successive Owner of Record of any Lot shall, in turn, become liable to pay all such Assessments and Additional Charges assessed during the time they are Record Owner of such Lot. After an Owner transfers Record any Lot they own, they shall not be liable for any Assessments levied thereafter with respect to such Lot. Such Owner shall remain personally liable for all unpaid amounts due and owing at the time of transfer, together with Additional Charges accruing until time of collection. A Contract Seller of any Lot shall continue to be liable for all Assessments and Additional Charges until a conveyance by deed of such Lot is Recorded.

6.1.3 Accessory Dwelling Unit. California Civil Code §4751, effective January 1, 2020, provides that an accessory dwelling unit or junior accessory dwelling unit may be constructed in a planned development on a lot zoned for single family residential use. To the extent permitted by California Law, the Association may assess the accessory dwelling unit an additional assessment to offset additional expenses that may be incurred by the Association due to such unit and its occupants use of roads and amenities.

6.2 Creation of Lien. Each Assessment levied by the Association pursuant to this Declaration, together with all Additional Charges, shall be a charge upon the land and upon levy shall be secured by a continuing lien upon the property against which such Assessment is levied. The Association shall have a separate lien and a separate lien is hereby created upon each Lot to secure the payment of any such Assessments and Additional Charges as may be levied under this Declaration. The lien provided for herein shall continue to secure all Assessments and Additional Charges levied upon any Lot notwithstanding the transfer of Record title to such Lot, and any such transfer shall be subject to the Association's lien, provided that, prior to such transfer, a Notice of Delinquent Assessment has been Recorded as provided in this Declaration and by law. The priority of all such liens on each Lot shall be in inverse order so that upon the foreclosure of the lien for any particular charge on any Lot, any sale of such Lot pursuant to foreclosure of the lien will be made subject to all liens securing the respective monthly Assessments and Additional Charges on such Lot for succeeding months.

6.3 Purpose of Assessments. The Assessments levied by the Board shall be used exclusively for: (a) managing and operating the Development; (b) conducting the business and affairs of the Association; (c) promoting the recreation, health, safety, welfare, benefit, and interests of the Owners in relationship to the Development; (d) improving and maintaining the Common Area and, to the extent provided for in the Governing Documents or by law, the Lots situated within the Development;(e) enforcing the Governing Documents; and/or (f) otherwise benefitting the Owners.

6.4 Authority of the Board. The Board shall have the power and duty to levy Annual and Special Assessments sufficient to meet the Association's obligations under the Governing Documents and law.

6.5 Annual Assessment.

6.5.1 Calculation of Estimated Required Funds. Not less than thirty (30) days nor more than ninety (90) days prior to the beginning of each fiscal year, the Board shall complete and distribute to all

Owners an estimate of the funds required by the Association for such fiscal year to: (a) manage, administer, operate, and maintain the Development; (b) to conduct the affairs of the Association; and (c) to perform all of the Association's duties in accordance with this Declaration. Such estimate shall include a reasonable amount allocated to contingencies and to a reserve fund for the restoration, repair, and/or replacement of those components for which the Association is responsible, and which shall be repaired or replaced on a periodic basis.

6.5.2 Allocation of Annual Assessment. The Board shall allocate and assess the amount of estimated required funds equally among the Lots by dividing the amount by the number of Lots.

6.5.3 Payment of Annual Assessments. Unless the Board designate otherwise, Annual Assessments shall be levied on an annual basis and shall be due and payable on the first day of the month after it is assessed.

6.5.4 Increases in Annual Assessment. Pursuant to Civil Code sections 5605 and 5610, except as otherwise provided by law, the Board shall not increase the Annual Assessment for any fiscal year above the amount of the Annual Assessment for the preceding fiscal year by more than the maximum amount permitted by law, except upon the affirmative vote or written consent of a majority of Members voting on any such increase in the Annual Assessment, provided that a quorum is established. For purposes of the preceding sentence, a quorum shall mean more than fifty percent (50%) of the Members, notwithstanding any lower quorum requirement which may be set forth in the Bylaws.

6.6 Special Assessments.

6.6.1 Purpose of Special Assessments. If at any time during any fiscal year the Annual Assessment proves inadequate for any reason, including nonpayment of any Owner's share thereof or the unexpected repair, replacement, or reconstruction of Improvements located in the Development, or if funds are otherwise required for any authorized activity of the Association, the Board may levy a Special Assessment in the amount of such actual or estimated inadequacy or cost. The Board may also levy a Special Assessment for capital improvements within the Common Area. The Special Assessment power conferred hereunder is not intended to diminish the Board's obligation to plan and budget for routine maintenance, repair, and replacement of Common Facilities through Annual Assessments.

6.6.2 Allocation of Special Assessments. Special Assessments shall be allocated and assessed equally among all Lots in the Development, except any Assessment against an Owner as a result of a deficiency in insurance proceeds or condemnation awards as provided in Article 7.

6.6.3 Approval of Special Assessments. Except in the case of an emergency situation, as defined in Civil Code sections 5600-5650, in any fiscal year the Board may not levy Special Assessments which, in the aggregate, exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year, except upon the affirmative vote or written consent of a majority of the Members voting on any such Special Assessment, provided that a quorum is established. For the purposes of the preceding sentence, a quorum shall mean more than fifty percent (50%) of the Members of the Association, notwithstanding any lower quorum requirement which may be set forth in the Bylaws.

6.7 Reimbursement Assessments. The Association shall levy a Reimbursement Assessment against any Owner and their Lot if a failure by such Owner, or any person, pet, or entity for whom the Owner is responsible, to comply with any provision of the Governing Documents has necessitated or resulted in an expenditure of funds by the Association to deal with such lack of compliance or to bring such Owner or their Lot into compliance or to reimburse the Association for damage caused to the Common Area or Improvements

thereon by any Owner or their household, guest, or Tenant. The Association shall also levy a Reimbursement Assessment in the event that the Association has expended funds performing emergency repairs as authorized by this Declaration or for any other reasons specifically authorized by the provisions of this Declaration. A Reimbursement Assessment shall include any costs, including attorneys' fees, incurred by the Association, including costs of collecting from an Owner any amount which the Owner is obligated to pay to the Association. A Reimbursement Assessment shall be due and payable to the Association when levied.

6.8 Enforcement Assessments. The Board may levy an Enforcement Assessment for violation of any of the provisions of the Governing Documents. Any Enforcement Assessment shall be due and payable to the Association when levied. Any "fine" imposed by the Board in accordance with the provisions of the Governing Documents shall be deemed to be such an Enforcement Assessment.

6.9 Failure to Fix Assessments. The failure or omission by the Board to fix or levy any Annual Assessment provided for by the terms of this Declaration before the expiration of any fiscal year, for that fiscal year or the next fiscal year, shall not be deemed either a waiver or a modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay Assessments or any installment thereof for that or any subsequent year, but the amount of the Annual Assessment fixed for the preceding fiscal year shall be the amount of the Annual Assessment for the ensuing fiscal year until a new Annual Assessment is levied.

6.10 Offsets. All Assessments levied by the Board shall be payable in the full amount specified, including any Additional Charges imposed as provided by the terms of this Declaration, and no offsets against any such amounts shall be permitted for any reason whatsoever, including without limitation a claim that the Association has failed to properly exercise its duties of maintenance or enforcement.

6.11 Payment Under Protest. If a dispute exists between an Owner and the Association regarding any disputed charge or sum levied by the Association, including, but not limited to an Assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and the amount in dispute does not exceed the jurisdictional limits set forth in the Code of Civil Procedure sections 116.220 and 116.221 or comparable successor statute, the Owner may, in addition to pursuing dispute resolution, pay under protest the disputed amount and all other amounts levied, including any fees and reasonable costs of collection, reasonable attorneys' fees, late charges, and interest, if any, pursuant to Civil Code section 5650(b), and commence an action in small claims court. Nothing in this Section shall impair the Association's ability to collect delinquent assessments as provided by California law.

6.12 Delinquent Assessments. Any installment or other portion of an Assessment not paid within fifteen (15) days after its due date shall be delinquent and shall be subject to interest and late charges not to exceed the maximum rate permitted by law, as well as all other Additional Charges. The Board, on behalf of the Association, may enforce the payment of any delinquent Assessment, plus Additional Charges by bringing an action at law against any Owner personally obligated to pay the same, or by foreclosing the lien against the Owner's Lot by judicial or non-judicial foreclosure, except as prohibited by law. Except as prohibited by law, upon any delinquency in payment, the Association may, at its option, declare the entire balance of all sums then due or to become due from the Owner, immediately due and payable, which total sum may then be included in any suit, action, or other procedure initiated to collect such sums, including all Additional Charges. The Board may commence any procedure for the collection of delinquent Assessments upon its own decision. The remedies provided in this Declaration for collection of delinquent Assessments shall be cumulative and not exclusive.

6.13 Power of Sale. Each Owner does hereby appoint the Association as trustee to enforce and to foreclose any lien which is established pursuant to the terms of this Declaration, by private power of sale, as

provided in Division III, Part 4, Title 14, Chapter 2, Article 1 of the Civil Code, and does further grant to the Board, on behalf of the Association, the authority and power to sell the Lot of such Owner in the event of any default in payment of any Assessments or Additional Charges levied against such Lot, for lawful money of the United States, to the highest bidder, to satisfy such lien, except as prohibited by law. The Association or any Owner may purchase the Lot at the sale.

6.14 Certificate of Satisfaction and Release of Lien. Upon payment in full of a delinquent Assessment, including any Additional Charges, or the satisfaction thereof, the Board shall Record, in the same manner as the Notice of Delinquent Assessment, a further certificate stating the satisfaction thereof and the release of the lien.

6.15 Priority. Except as otherwise expressly provided by law, the lien securing each of the Assessments provided for under this Article shall have priority as of the date of Recording of the original declaration applicable to the Development over all other liens and encumbrances applicable to the Lots. Notwithstanding the preceding, a lien for Assessments which have become due and payable prior to the sale of a Lot pursuant to a decree of foreclosure of a First Mortgage, or pursuant to a power of sale contained in any such First Mortgage, shall be subordinate to the lien of any First Mortgage Recorded against the Lot. Such a foreclosure sale shall not relieve the Lot from liability for any Assessments and Additional Charges thereafter becoming due, nor from the lien of any subsequent Assessment.

6.16 Association Funds. All Association accounts shall be maintained in one (1) or more banks or other depositories selected by the Board, which accounts shall be clearly designated as belonging to the Association. The Assessments collected by the Association shall be properly deposited into such accounts. The Assessments collected by the Association shall be used for the purposes set forth in Section 6.3.

6.17 Waiver of Exemptions. Each Owner, to the extent permitted by law, waives, to the extent of any liens created pursuant to this Article, the benefit of any homestead or exemption laws of the State of California in effect at the time any Assessment or installment thereof becomes delinquent, or any lien is imposed pursuant to the terms of this Article.

6.18 Property Exempt from Assessments. The following property subject to this Declaration shall be exempt from the Assessments, Additional Charges, and liens created herein:

6.18.1 All property dedicated to and accepted by the County or other local public authority and devoted to public use.

6.18.2 Any Lot which is owned by the Association as a result of the Association having acquired such Lot through foreclosure. Such exemption shall be applicable only during the period in which the Association is Record Owner of such Lot.

6.18.3 All Common Areas whether owned by the Association as an easement, or in fee.

6.19 Owner Assignment of Rents. Each Owner hereby presently assigns to the Association, absolutely and regardless of possession of the Lot, all rents and other monies now due or which may hereafter become due under any lease, agreement or otherwise for the use or occupation of any or all parts of any Lot owned by the Owner, now existing or hereafter made, for the purpose of collecting all Assessments due the Association pursuant to this Declaration which are in default. The Association hereby confers on each Owner the authority to collect and retain the rents and other monies derived from any such lease or agreement as they become due and payable, provided that the Association at its sole discretion, may revoke such authority at any time, upon written notice to the Owner of a default in the payment of any Assessment due hereunder.

Upon revocation of such authority the Association may, pursuant to court order or by court-appointed receiver, collect and retain such monies, whether past due and unpaid or current.

ARTICLE 7 DAMAGE OR DESTRUCTION; CONDEMNATION

7.1 Damage or Destruction of Common Area. In the event of damage or destruction to the Common Area, any insurance proceeds or awards shall be payable to the Association, provided that any insurance proceeds or awards to the Association for damage to or destruction of the Common Area shall be allocated for the repair or restoration of the Common Area.

7.1.1 If there is a total or partial destruction of any of the Common Area, the Common Area shall be promptly rebuilt, unless, as soon as possible following the date of such destruction. The Owners holding at least seventy-five percent (75%) of the total voting power, at a duly noticed and held meeting of the Members, may determine that repair or reconstruction shall not take place. If such a meeting is called, the Board shall solicit and obtain bids from at least two (2) licensed contractors for the cost of repairing and/or reconstructing such Common Area in accordance with the original construction and shall present this information to the Owners at said meeting.

7.1.2 If the Common Area is to be rebuilt, all of the Owners shall be obligated to contribute their proportionate share of any funds that are required over and above the available insurance proceeds, to cover the cost of such repair or reconstruction.

7.1.2.1 Said proportionate share shall be determined by dividing the full amount of any additional funds that are required by the total number of Lots in the Development.

7.1.2.2 If any Owner fails to pay their proportionate share, the Board may levy a Special Assessment against the Lot of such Owner, which may be enforced under the lien provisions contained in Section 6.2 of the Declaration, entitled, "Creation of Lien," or in any other manner provided for in the provisions of the Governing Documents or by law.

7.2 Damage or Destruction of a Residence. If all or any portion of any Residence is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of the Lot on which such Residence is located to rebuild, repair, or reconstruct such Residence in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

7.2.1 Any Owner who has suffered such damage shall apply to the Board of Directors approval of plans for the reconstructing, rebuilding, or repairing of their Residence.

7.2.1.1 Application for such approval shall be made in writing to the Board of Directors together with full and complete plans, specifications, working drawings, and elevations showing the proposed reconstruction and the end result thereof.

7.2.1.2 The Board of Directors shall grant such approval only if the design proposed by the Owner would result in a finished Residence that will be in harmony with the exterior design of other Residences within the Property.

7.2.2 The Owner of any damaged Residence(s) and the Board of Directors shall be obligated to proceed with all due diligence hereunder to discharge their respective obligations.

7.2.3 Unless a waiver or modification of these requirements is obtained from the Board of

Directors in accordance with the provisions of Section 9.18 of the Declaration, titled, "Variances," the Owner(s) shall commence reconstruction or removal of the damaged or destroyed structure within six (6) months after the damage occurs and complete reconstruction within Twenty-Four (24) months after such damage occurs.

7.3 Condemnation. If an action for condemnation of all or any portion of the Common Area is proposed or threatened by any governmental agency having the right of eminent domain, then, after approval by the vote or written consent of at least fifty-one percent (51%) of all of the Owners who are eligible to vote, the Common Area, or any portion of it, may be sold and conveyed to the condemning authority by the Board or its designees who is/are acting as the attorney-in-fact of all of the Owners under an irrevocable power of attorney, which each Owner by accepting a deed to a Lot, grants to the Board and which shall be coupled with the interest of all of the other Owners, at a price that is deemed fair and equitable by the Board.

7.3.1 On any sale occurring under the provisions of Subsection 7.1.1, above, the proceeds of such sale shall be distributed equally to each Owner and their Mortgagees as their respective interests may appear. If the Common Area, or any portion thereof, is not sold but is instead taken under a judgment by a court of competent jurisdiction, the award for such a taking shall be apportioned among the Owners and their respective Mortgagees, by the terms of the judgment of condemnation and if not so apportioned, then any such award shall be distributed in equal shares to each Owner.

ARTICLE 8 MAINTENANCE OF PROPERTY

8.1 Association Responsibilities. The Association shall be solely responsible for all maintenance, repair, and replacement within the Common Area. The Association shall be specifically responsible for maintaining the following improvements and easements if located-within the Common Area: (1) all roads and drainage improvements, (2) parks and all its facilities, (3) any monuments that have been installed in the Development, (4) the lighting, (5) trails, any emergency access easements, and (6) all other Improvements and easements only to the extent that such Improvements and easements are located in the Common Area.

No person other than the Association or its duly authorized agents shall construct, reconstruct, refinish, alter, or maintain any improvement upon, or shall create any excavation, fill, or change the natural or existing drainage of any portion of the Common Area. In addition, no person shall remove any tree, shrub, or other vegetation from, or plant any tree, shrub, or other vegetation upon the Common Area without express approval of the Association.

8.2 Owner Responsibilities. Each Owner shall be responsible for the maintenance and repair of their Residence and Lot, including, without limitation: the roofs; siding; painting; glass surfaces; glass doors; windows; screens and screen doors; exterior doors; window fixtures; any hardware; concrete surfaces; Residence interior; and the plumbing, electrical, heating and air conditioning systems servicing the Residence. The Owner shall also be responsible for the maintenance of all exterior landscaping, and all utility, sewer, telephone, and water lines located on their Lot or exclusively serving their Lot. Each Owner shall clear debris from their Lot to ensure fire safety and resistance.

8.3 Owner Failure to Maintain. The Board has the absolute discretion to determine whether any maintenance, repair, or replacement which is the responsibility of an Owner, is necessary to preserve the appearance, value, or safety of the property comprising the Development, or any portion thereof, and may notify an Owner of the work the Board deems necessary. Subject to the authority of the Board to authorize immediate emergency repairs, in the event an Owner fails to perform such work within thirty (30) days after notification by the Board to the Owner, the Board may, after written notice to the Owner and the right of a hearing before the Board, cause such work to be done and charge the cost thereof to the Owner as a

Reimbursement Assessment.

8.4 Owner Liability. In the event the need for any maintenance, repair, or replacement by the Association is necessitated by the willful or negligent act or omission of an Owner; members of any Owner's household; or an Owner's Tenants, Contract Purchaser, guests, invitees, or animals, the cost of such maintenance, repair, or replacement, including the cost of materials, labor, supplies, and services shall be charged to and paid by such Owner in the form of a Reimbursement Assessment.

8.5 Association Liability. Except as specifically provided in Section 8.1, the Association shall not be responsible or liable for any maintenance, repair, or replacement of a Lot or any Improvement thereon, except to the extent that the need for such maintenance, repair, or replacement results from the gross negligence of the Association, its employees, contractors, or agents.

8.6 Board Discretion. The Board shall have the discretion to determine the manner, method, extent, and timing of the performance of any and all maintenance, repair, and replacement obligations imposed upon the Association by this Article.

8.7 Cooperative Maintenance Obligations. To the extent necessary or desirable to accomplish the Association's maintenance and repair obligations hereunder, individual Owners shall cooperate with the Association and its agents in the prosecution of its work.

ARTICLE 9 ARCHITECTURAL CONTROL

9.1 Submission of Plans and Specifications. Except for Improvements made or constructed by or on behalf of the Association, no Improvements, including, without limitation, Residences, buildings, walls, solar panels, fences, awnings, walls, landscaping, screens, doors, patio covers, or other structures of any kind which is visible from the Common Area, streets, or other Lot within the Development, may be commenced, located, erected, painted, or maintained within the Development, nor may any exterior addition to, or change, or alteration therein or alteration to the finished grade elevation, be made until the plans and specifications showing the nature, kind, shape, color, height, size, materials, and location of the same shall have been submitted to and approved in writing by the Board of Directors as to: (a) quality of workmanship and design; (b) harmony of external design in relation to the nature and character of the Development and the Improvements thereon; (c) location in relation to surrounding structures, topography, finished grade elevation; and (d) compliance with the provisions of the Declaration.

9.2 Establishment of Architectural Review Committee.

9.2.1 Except as provided in Sections 9.2.2 and 9.2.3, the Board may appoint an Architectural Review Committee (ARC) that shall consist of at least three (3) Members to be selected by the Board, who serve at the pleasure of the Board. The Board shall have the power, in its complete discretion and either with or without cause, to remove any member of the ARC. In the event of death, resignation, or removal of any member of the ARC, the Board shall have the full authority to designate a successor.

9.2.2 The Board may, in its discretion, elect to act as the ARC without appointing the separate committee provided for in Section 9.2.1.

9.2.3 If a duly-constituted ARC is not in existence or if the Board elects to act as the ARC, the Board shall act as the ARC in accordance with the terms of this Article.

9.3 Duties. It shall be the duty of the Architectural Review Committee to consider and act upon

proposals or plans submitted to it, to perform other duties delegated to it by the Board, and to carry out all other duties imposed upon it by this Declaration.

9.4 Meetings. The Architectural Review Committee may meet as necessary to properly perform its duties hereunder. Every act done or decision made by a majority of the members of the ARC shall be the act or decision of the ARC. The ARC shall keep and maintain a record of all actions taken by it at any meetings or otherwise.

9.5 Architectural Rules. The Architectural Review Committee or the Board of Directors may, from time to time and subject to the Board's approval, adopt, amend, and repeal rules and regulations to be known as Architectural Rules. The Architectural Rules shall interpret and implement the provisions of this Article by setting forth the standards and procedures for ARC review and guidelines for architectural design, placement of Residences and other structures, color schemes, exterior finishes and materials, and similar features which are recommended for use in the Development; provided, however, that the Architectural Rules shall not be in derogation of the minimum standards required by this Declaration. The Architectural Rules may also impose limits on the days and hours of construction and impose any other restrictions and regulations which the Board deems appropriate to limit the impact of construction activities on the Residents. In its discretion, and subject to the Board review and Section 9.18, the ARC may grant variances from specific Architectural Rules subject to such terms and conditions as it deems appropriate.

9.6 Application. Any Owner proposing to perform any work of any kind whatever, which requires prior approval pursuant to this Article, shall apply for approval by notifying the Association, in writing, of the nature of the proposed work and furnishing such information and documentation as the Architectural Review Committee or Board may require, including, without limitation, samples of proposed paints and other finish materials in such sizes and formats as the ARC or the Board may deem appropriate. In addition to any other remedies the Association may have, the Board may impose a fine against any Owner who fails to obtain the approval required by this Article prior to proceeding with any Improvement, or any alteration to an existing Improvement, for which approval is required pursuant to this Article.

9.7 Expert Review. If at any time the Architectural Review Committee determines that it would be in the best interest of the community for an Owner-applicant to employ an architect, licensed building designer, or engineer to design or review the structural integrity of any proposed Improvement or component thereof, the ARC shall so advise the Owner in writing of its determination, whereupon all plans and specifications so designated by the ARC must thereafter bear appropriate evidence of such preparation or review.

9.8 Grant of Approval. The Board of Directors shall grant the requested approval only if:

9.8.1 The Owner shall have complied with the provisions of Sections 9.1, 9.6, and 9.7;

9.8.2 The ARC shall find that the plans and specifications conform to: (a) this Declaration and the Architectural Rules in effect at the time such plans were submitted to the ARC, unless a variance is granted from such Architectural Rules pursuant to this Article; (b) will be in harmony with the external design of other structures and/or landscaping within the Development; and (c) will not interfere with the reasonable use and/or enjoyment of any other Lot Owner of their property; and

9.8.3 The ARC shall determine that the proposed Improvements would be consistent with the standards of the Development and the purposes of this Declaration as to quality of workmanship, design and materials, as to harmony of exterior design with the existing structures, and as to location with respect to topography and finished grade elevations.

9.9 Form of Approval. All approvals and denials of requests for approval shall be in writing, except as provided in Section 9.11. The Architectural Review Committee may approve a request for approval subject to the Owner's consent to any modifications made by the ARC. If the Owner does not consent to the modifications, the request for approval shall be deemed denied in its entirety. Any denial of a request for approval shall include: (a) an explanation of why the request for approval was denied, and (b) a description of the procedure for Board review of the denial as set forth in this Article and any applicable Architectural Rules.

9.10 Time for Architectural Review Committee Action. The Architectural Review Committee shall act on a request for approval within sixty (60) days from the date of receipt thereof by the ARC. Any request for approval which has not been acted on by the ARC within the preceding time frame shall be deemed approved. The Owner requesting approval shall have the burden of establishing the date of receipt of the request for approval by the ARC by evidence in the form of either a copy of such request for approval date-stamped by the Association or by certified mail provided by the U.S. Postal Service acknowledging that such request for approval was delivered to the Association.

9.11 Board Review. This Section shall only apply if there is a duly organized Architectural Review Committee and shall not apply if the Board is acting in the capacity of an ARC pursuant to this Article. An Owner-applicant shall have a right to appeal the decision of the ARC to the Board, provided that such request shall be presented to the Board within ten (10) days from the date of the Architectural Review Committee's decision. If a review is conducted: (a) it shall take place during an open meeting of the Board; (b) the Board may affirm, reverse, or modify the decision in its discretion and in accordance with the provisions of the Governing Documents; and (c) the Board shall notify the applicant in writing of the Board's decision within fifteen (15) days following the review.

9.12 Commencement. Upon receipt of approval by the Architectural Review Committee, the Owner shall, as soon as practicable, satisfy all conditions thereof and diligently proceed with the commencement and completion of all installation, construction, reconstruction, refinishing, alterations, and excavations pursuant to such approval, commencement to occur, in all cases, within ninety (90) days from the effective date of such approval or upon such later date as the Board may in its discretion designate. If the Owner shall fail to comply with this Section, any prior approval shall be deemed revoked unless the Board, upon written request of the Owner made prior to the expiration of the time for commencement, extends the time for such commencement. No such extension shall be granted, except upon a finding by the Board that there has been no change in the circumstances upon which the original approval was granted.

9.13 Completion. The Owner shall, in any event, complete the installation, construction, reconstruction, refinishing, or alteration of any Improvement, within one (1) year after approval, except and for as long as such completion is rendered impossible or would result in great hardship to the Owner due to strikes, fires, national emergencies, natural calamities, or other supervening forces beyond the control of the Owner or their agents. If an Owner fails to comply with this Section, the Board shall proceed in accordance with the provisions of Section 9.14, as though the failure to complete the Improvements was a noncompliance with approved plans.

9.14 Inspection. Inspection of work and correction of defects therein shall proceed as follows:

9.14.1 Upon the completion of any installation, construction, reconstruction, alteration, or refinishing of the exterior of any Improvements, or upon the completion of any other work for which approved plans are required under this Article, the Owner shall give written notice thereof to the Architectural Review Committee.

9.14.2 Within sixty (60) days after the receipt of such written notice, the ARC, or its duly authorized representative, may inspect such Improvement to determine whether it was installed, constructed, reconstructed, altered, or refinished to substantial compliance with the approved plans. If the ARC finds that such installation, construction, reconstruction, alteration, or refinishing was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such sixty (60) day period, specifying particulars of noncompliance and shall require the Owner to remedy such noncompliance.

9.14.3 If the Owner shall have failed to remedy such noncompliance upon the expiration of thirty (30) days from the date of such notification, the ARC shall notify the Board in writing of such failure. The Board shall then set a date on which a hearing before the Board shall be held regarding the alleged noncompliance. The hearing shall be noticed and conducted in accordance with Section 8.1.4 of the Bylaws.

9.14.4 At the hearing, the Owner, the ARC, and, in the Board's discretion, any other interested person, may present information relevant to the question of the alleged noncompliance. After considering all relevant information, the Board shall determine whether there is a noncompliance, and, if so, the nature thereof. If a noncompliance exists, the Board shall require the Owner to remedy or remove the same within a period determined in the discretion of the Board. If the Owner does not comply with the Board's ruling within such period or within any extension of such period as the Board, in its discretion, may grant, the Board may: (a) remove the noncomplying Improvement or remedy the noncompliance and all expenses incurred in connection therewith shall be assessed against the Owner as a Reimbursement Assessment, and/or (b) exercise any of the enforcement rights specified in Section 10.5.

9.14.5 If, for any reason, the ARC fails to notify the Owner of any noncompliance within sixty (60) days after receipt of a notice of completion from the Owner, the Improvement shall be deemed to be in accordance with the approved plans. The Owner shall have the burden of establishing the date of receipt of the notice of completion by the ARC by evidence in the form of either a copy of such notice date-stamped by the Association's office or by a certified mail provided by the U.S. Postal Service acknowledging that such notice was delivered to the Association.

9.15 Non-Waiver. The approval by the Architectural Review Committee of any plans, drawings, or specifications for any work done or proposed, or for any other matter requiring the approval of the ARC under this Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification, or matter subsequently submitted for approval.

9.16 Liability. Neither the Board, the Architectural Review Committee, nor any member or representative thereof shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of: (a) the approval or disapproval of any plans, drawings, and specifications, whether or not defective; (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings, and specifications; (c) the development of any property within the Development; (d) the execution and filing of an estoppel certificate pursuant to Section 9.16, whether or not the facts therein are correct, provided that the ARC, the Board, or any member or representative thereof has acted in good faith on the basis of such information as may be possessed by it or them; or (e) the execution and filing of a notice of noncompliance, whether or not the facts therein are correct, provided that the ARC, the Board, or any member or representative thereof has acted in good faith on the basis of such information as may be possessed by it or them. Without limiting the generality of the foregoing, the ARC, the Board, or any member or representative thereof, may, but is not required to, consult with or hear the views of the Association or any Owner with respect to any plans, drawings, specifications, or any other proposal submitted to the ARC. Every purchaser, by acquiring title to a Lot or portion thereof, agrees not to bring any action or suit against the Board,

the ARC, or their members or representatives seeking to recover any such damages.

9.17 Compliance with Governmental Requirements. The application to the Association, and the review and approval of any proposals, plans, or other submittals, shall not be deemed to be satisfaction of or compliance with any building permit process or any other governmental requirements, the responsibility for which lies solely with the respective Owner, nor shall it constitute the assumption of any responsibility by or impose any liability on the Board, the Architectural Review Committee, or their members as to the accuracy, efficacy, or sufficiency of such proposals, plans, or other submittals.

9.18 Variances. The Architectural Review Committee may, with approval of the Board, grant reasonable variances in any procedures specified in this Article 9 in order to overcome practical difficulties, avoid unnecessary expense or prevent unnecessary hardship, provided the following conditions are met:

9.18.1 The ARC must make a good faith written determination that: (a) the requested variance does not constitute a material deviation from the overall plan and scheme of the Development or from any restriction contained in the Declaration or that the proposal allows the objectives of the violated restriction to be substantially achieved despite noncompliance; (b) that the variance relates to a restriction or requirement that is unnecessary or burdensome under the circumstances; or (c) that the variance, if granted, will not result in a material detriment or create an unreasonable nuisance, with respect to any other Lot, Common Area, or Owner in the Development.

9.18.2 After the conclusion of the hearing, the ARC shall consult with the Board to render a determination to either grant or deny the request for variance in accordance with the standards set forth in this Section.

ARTICLE 10 ENFORCEMENT

10.1 Violations as Nuisance. Every act or omission constituting or resulting in a violation of any of the provisions of the Governing Documents shall be deemed to constitute a nuisance. In addition to any other remedies which may be available, such nuisance may be abated or enjoined by the Association, its Officers, the Board, or by any Owner. The Board shall not be obligated to take action to abate or enjoin a particular violation if, in the exercise of its discretion, the Board determines that acting to abate or enjoin such violation is not likely to foster or protect the interests of the Association and its Members as a whole.

10.2 Violation of Law. Any violation of a state, municipal, or local law, ordinance, or regulation pertaining to the ownership, occupancy, or use of any property within the Development is hereby declared to be a violation of this Declaration and subject to any and all of the enforcement procedures set forth herein.

10.3 Owners' Responsibility for Conduct and Damages. Each Owner shall be fully responsible for informing the members of their household and their Tenants, Contract Purchasers, contractors, and guests of the provisions of the Governing Documents, and shall be fully responsible for the conduct, activities, Governing Document violations, and damage to the Development or the Association resulting from the negligent or intentional conduct of any of them, including, but not limited to, any animals. . If a Lot is jointly owned by two (2) or more persons, the liability of each Owner in connection with the obligations imposed by the Governing Documents shall be joint and several.

10.4 No Avoidance. No Owner may avoid the burdens or obligations imposed by the Governing Documents through non-use of any Common Area facility, if any, or by abandonment of their Lot.

///

10.5 Rights and Remedies of the Association.

10.5.1 Enforcement Rights. The Association, its Directors, Officers, or agents, and any Owner shall have the right to enforce any and all provisions of the Governing Documents by any proceeding at law or in equity, or through the use of such other remedies as are available and deemed appropriate by the Board. Each remedy provided is cumulative and not exclusive. The Board shall not be obligated to take action to enforce a provision of the Governing Documents if, in the exercise of its discretion, the Board determines that acting to enforce the provision is not likely to foster or protect the interests of the Association and its Members as a whole.

10.5.2 Imposition of Sanctions. In the event of a breach or infraction of any provision of the Governing Documents by an Owner, members of an Owner's household, or their Tenants, Contract Purchasers, contractors, guests, or invitees, the Board shall have the power to impose sanctions against the Owner. Such sanctions may include, without limitation, the imposition of fines and/or the suspension of an Owner's rights as a Member, including an Owner's right to use the recreational or community facilities, if any, on the Common Area. Except as provided in Section 10.7, imposition of sanctions shall be effective only after notice and an opportunity for hearing as provided in section 8.1.4 of the Bylaws. The payment of any such fine may be enforced as an Enforcement Assessment as provided in Section 6.8 as well as in any manner permitted by law. Further, each Owner shall be obligated to pay Reimbursement Assessments levied by the Board to reimburse the Association for any costs incurred relating to violation of any provisions of the Governing Documents by the members of such Owner's household and such Owner's Tenants, Contract Purchasers, guests, animals, or other invitees.

10.5.3 Inadequacy of Legal Remedy. Except for the non-payment of any Assessment levied pursuant to the provisions of Article 6, it is hereby declared that a remedy at law to recover damages for a default in the performance of any of the terms and provisions of any of the Governing Documents or for the breach or violation of any such provisions is inadequate and that the failure of any Owner or a member of the household of any Owner or an Owner's Tenants, guests, animals, or any other occupant or user of any of the property within the Development to comply with any provision of the Governing Documents may be enjoined in any judicial proceedings initiated by the Association, its Officers or Board, or by any Owner or by their respective successors in interest.

10.5.4 Limitation on Disciplinary Rights. The Association shall not have the power and authority to cause a forfeiture or abridgment of a Member's right to the full use and occupancy of their Lot as the result of the failure by such Owner, members of such Owner's household, or their Tenants, guests, invitees, or animals to comply with any provision of the Governing Documents, except where such forfeiture or abridgment is the result of the judgment of a court of competent jurisdiction, a decision arising out of an arbitration proceeding, or a foreclosure or sale under private power of sale for failure of such Owner to pay Assessments levied by the Association pursuant to Article 6. The provisions of this subsection shall not affect the Association's right to impose fines or monetary penalties or to suspend an Owner's membership rights, as provided in the Governing Documents.

10.6 Disciplinary Rules. The Board may adopt rules and regulations that further elaborate upon and refine procedures for conducting disciplinary proceedings and otherwise imposing sanctions upon Members for violation of provisions of the Governing Documents. Such rules, when approved and adopted by the Board, shall be deemed to be a part of the Association Rules provided for in, and constituting a part of, the Governing Documents.

///

10.7 Emergency Situations. The following shall constitute emergency situations: (a) an immediate and unreasonable threat to the safety of Residents of the Development; (b) a traffic or fire hazard; or (c) a threat of material damage to or destruction of the Development or any portion thereof. Notwithstanding any other provisions of the Governing Documents, under circumstances involving conduct that constitutes an emergency situation, the Association may undertake immediate corrective or disciplinary action. Hearings with respect to such corrective or disciplinary action shall be in accordance with Section 8.1.4 of the Bylaws.

10.8 Alternative Dispute Resolution. Compliance with Civil Code sections 5925-5965 and Civil Code sections 5900-5920 shall be required with respect to any dispute subject to such sections.

10.9 Non-Waiver. Failure to enforce any provision of the Governing Documents at any time shall not be deemed a waiver of the right to do so thereafter with respect to the same or any other violation of any provision of the Governing Documents.

10.10 Notices. Any notices required or given under this Article shall conform to Section 8.1.4 of the Bylaws.

10.11 Costs and Attorneys' Fees. In the event the Association shall take any action to enforce any of the provisions of the Governing Documents or shall determine that any Member or members of their household or their Tenants, Contract Purchasers, guests, invitees, or animals have violated any provision of the Governing Documents, and whether or not legal or judicial proceedings are initiated, the prevailing party shall be entitled to recover the full amount of all costs incurred, including attorneys' fees, in responding to such a violation and/or in enforcing any Governing Document provision. The remedies of the Association to recover the amount of such costs and attorneys' fees shall include, without limitation, the imposition of a Reimbursement Assessment as provided in Section 6.7.

10.12 Indemnification. Each Owner, by acceptance of their deed, agrees for themselves and for the members of their household, their Contract Purchasers, Tenants, guests, or invitees to: (a) indemnify each and every other Owner for; (b) hold each and every other Owner harmless from; and (c) defend each and every other Owner against, any claim of any person for personal injury or property damage occurring within the Lot of such Owner, except that such Owner's duty to indemnify, hold harmless, and defend may be diminished to the extent that the injury or damage occurred by reason of the negligence of any other Owner or person temporarily visiting in such Lot or is fully covered by the Owner's insurance.

10.13 Waiver of Homestead Benefits. Each Owner to the extent permitted by law, waives, to the extent of any liens created pursuant to the Governing Documents, the benefit of any homestead or exemption laws of California in effect at the time any Assessment becomes due.

ARTICLE 11 INTENTIONALLY LEFT BLANK

ARTICLE 12 AMENDMENT

12.1 Amendments by Members. This Declaration may be amended by the affirmative vote or written consent of an Absolute Majority of the Members. Any amendment of the Declaration shall be signed and acknowledged by the duly authorized officers of the Association and shall be Recorded.

12.2 Amendments by Board. The Board may, without the approval of the Members, amend any part of this Declaration to the limited extent necessary to comply with the lending requirements of any federally chartered lending institution or to comply with a mandatory change in applicable federal, state, or local legislation.

Certain provisions of this Declaration reflect legal requirements prescribed by federal law, California law, and other governmental statutes and regulations. In the event that any such laws, statutes, or regulations are amended, revoked, or supplemented, the Board may, by the affirmative vote of a majority of the Directors present at a meeting at which a quorum has been established, amend the Declaration to reflect the underlying law, statute, or regulation. The purpose of this provision is to provide the Members with notice of current legal requirements which affect their rights and obligations as they pertain to their Lot and Membership within the Association.

12.3 Restatement of the Declaration. The Board may, by the affirmative vote of a majority of the Directors present at a meeting at which a quorum has been established, restate the Declaration when it has been properly amended pursuant to this Article. Any such restatement shall supersede any prior declarations and amendments in their entirety, but shall not affect the priority of any previous declarations or amendments in the chain of title to all Lots within the Development as established by the initial date of recordation of the original declaration for the Development. Such restatement may also:

12.3.1 Add, delete, or rearrange the text of the Declaration to maintain consistency with any amendments including, but not limited to, altering the title and numbering of the restatement;

12.3.2 Delete material that is no longer legally effective;

12.3.3 Add text which indicates that the Board has authorized the restatement and otherwise describes the background of the Development and the restatement process; and

12.3.4 Correct any errors or inaccuracies in the Declaration, including, but not limited to, the legal description of the properties in the Development.

12.4 Annexation of Additional Real Property. The real property described on "Exhibit A" as well as any portion thereof or interest therein, may be annexed to the Development ("Annexed Real Property") and made subject to the provisions of the Governing Documents at the written election of the Declarant, or by its successors in title to such Annexed Real Property.

12.4.1 Such election shall be made by the Recording of an Annexation Supplement.

12.4.2 Any Annexation Supplement Recorded in accordance with the provisions of this Section 12.4 shall be in conformance with any plan of development that has been submitted to and approved by the California Department of Real Estate as well as being conclusive in favor of all persons who relied on such Annexation Supplement in good faith.
