ABOUT JAKE

Faith, Family, and Land (in that order)!

Jake Meyer is a land enthusiast at heart. Whether it's the various wildlife species that call it home or the diverse ecosystems that make each property uniquely what they are, Jake has a passion for all things land (and water). He was an avid hunter as a little kid, and that obsession grew with him as he evolved into a competitive archer and well-rounded hunter.

Jake focused his education and professional background on sales and marketing. He has represented and worked for some of the most popular outdoor brands in the world and was recognized by his peers in the outdoor industry as a "Top 40 Under 40"!

His extensive marketing background will serve land sellers in giving their property the justice it deserves through applicable storytelling. Jake's passion for relationship management serves his buyer clients through his ability to fully understand what's important to them and go to work to find the type of property tailored to their unique wants/needs, helping them turn their land dreams into reality.

Throughout his life, Jake has contributed to the enhancement of farms in Missouri and Mississippi, comprising about 1,700 acres between family farms and land he owns. Jake has been mentored by and worked alongside some of the brightest land optimization and wildlife habitat minds across multiple regions of the country. Jake's desire to connect with his clients, his mission to fully understand his client's desires, and his extensive marketing background make him an excellent real estate agent for anyone looking to buy or sell their property.

TESTIMONIAL QUOTES

WHAT MY CLIENTS ARE SAYING

Jake was incredible. I have never had a realtor that was as detailed as Jake. He was always prepared when something unexpectedly happened. He worked both sides of my sale and worked through a couple of major obstacles like a true professional. I would definitely recommend and really appreciate the help.

John C

Jake did an incredible job providing detailed tract information, arranged a walk of the property, and represented both the seller and myself as a buyer with professionalism and attention to detail. Thank you, Jake Meyer and Whitetail Properties Real Estate!

Chad S

Jake helped make my dream come true! He went above and beyond in every way he could to make this purchase happen. No matter the obstacles that arose, he worked with me and FOR me. I am a first-time home buyer and I would have never imagined meeting with a realtor to view a home would turn into meeting someone that genuinely cared for what I wanted. Thank you, Jake! I'm forever grateful.

Brittany C

Jake is a true professional, with in depth knowledge of land and development. We had a great experience and hope to do more business in the future.

Malcolm S

Jake was wonderful to work with. Jake listened and understood my vision and worked to help me find the right piece. The seller backed out of the deal on the first piece we offered over some title issues. Jake hung in there with me, and we found another piece that another realty company had, which we ultimately bought. Jake is a great guy, and I would certainly call him again.

Michael T

Jake was a pleasure to work with from the initial listing all the way through closing. He delivered on his promises throughout the process with a high degree of professionalism, while maintaining a personal touch that's not often found today. I wouldn't hesitate to recommend his services to anyone in need of a realtor.
