### Mineral Rights

All mineral rights owned by the Seller, if any, will be transferred to the Buyer(s).

### Land Description

Topography is level to gently rolling.

### Drainage

Drainage is natural.

### Buildings/Improvements

This acreage features a one-story ranch home with a brick exterior, built in 1984. The home offers 2,936 finished square feet of living space. The main level includes a spacious eat-in kitchen with oak cabinets and an island, a large living room, two bedrooms, a full bathroom with a jacuzzi tub, and a laundry room with a half bath. The lower level offers a large family room with a wood-burning

stove, a non-conforming bedroom, and a three-quarter bathroom. Additional features of the home include a central vacuum system, a newer furnace and air conditioning, and all-electric utilities. There are stairs leading from the utility room to the garage for added convenience. The home has a durable steel roof. The attached two-stall garage is finished with OSB interior walls. There are three additional buildings on this acreage: a 60' x 100' machine shed with a partial concrete floor, which includes four horse stalls and an office area; a 20' x 40' storage shed; and a grain drying bin.

### Water & Well Information

The well is located south of the house.

### Septic System

The septic system is north of the house.

### Comments

This well-maintained Delaware County acreage offers a spacious, comfortable home and multiple outbuildings, all situated on a scenic and functional lot—perfect for rural living.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
