WHY HIRE LEE & ASSOCIATES

1. A Team that has a greater lease and sale transaction history than any other team in the region over the past 30 years.
2. A Team with a commitment to servicing the client with proven results and has the time and energy to implement the marketing plan.
3. A partner with mutual goals.
4. A Team that exclusively represents the interests of Ownership, and not the interests of others.
5. A Team that creates a marketing plan, implements it, and remains accountable at all times.
6. A Team with accurate market and support data for educated decision-making.
7. A Team that has recent experience and success in leasing similar real estate assets.
8. A Team that has the work ethic for which we are known and the willingness to always go the extra mile for our clients.
9. A Team with references in leasing of a similar product type.
10. A Team with a history of past successes in this product type.
11. A Team with the mix of experience, seniority, and youthful enthusiasm for the business.
12. A Team with specializations; exclusive Owner representation.
13. A Team with a good working relationship with other brokers and the highest ethical and moral business practices and professionalism.
14. A Team with a wide breadth of market exposure so that no potential transaction is overlooked.
15. Fun and creative individuals to work with.
16. Finally and most importantly, a Team with whom you would most like to work and can unequivocally trust to get the job completed.

MARKETING STRATEGY

MARKETING MATERIAL

State-of-the-Art marketing material is produced by staff containing all the highlights of the subject property including:

- Property Specifications;
- Photographs (professional photography is utilized occasionally);
- Site Plans (hypothetical plans when applicable);
- Maps & Aerials;
- Area Description;
- Cost of Doing Business Surveys
- Lease VS. Own Analysis (when applicable).

DIRECT CALLS

Lee & Associates has compiled a comprehensive database of tenants, landlords and investors. The first task after being named the exclusive agent for the subject property is to make direct calls to the those that may have an interest in the asset.

THE WEB

E-commerce has become a necessity in today's commercial real estate world. We use several web based real estate sites including AIR, CoStar, LoopNet, Crexi, RCM1, Constant Contact, Property Send and our own Lee & Associates website. Additionally the TEAM have created their own personal websites for additional exposure.

MAILINGS/E-BLASTS

The subject property is sent via email blast on a monthly basis to the brokerage community and select prospects via Constant Contact, Property Send and/or AIRMail. Mailers are also sent on a monthly basis to local business, national investors and occasionally residences.

BROKER COOPERATION

Lee & Associates prides itself on the cooperative spirit that exists throughout our firm. A marketing package containing all the pertinent facts about the asset will be sent out to all the cooperating brokers active in the market.

LEE & ASSOCIATES NETWORK

Lee & Associates, with 60+ offices throughout the nation, has strategically positioned themselves with multiple offices in the North Los Angeles/Ventura County markets in order to keep a constant pulse on the market and assure that all listings receive the highest level of attention. The brokers of our Oxnard, Westlake Village and Sherman Oaks offices meet bi-monthly to discuss our listings, requirements and occurrences that effective our local market.

ADVERTISING

An advantage of Lee & Associates being the largest independent brokerage firm in the nation is that no corporate approvals are required to fund advertising efforts. We use mailings, postcards, local publications and more to expose the property to prospects.

OPEN HOUSE

When appropriate a catered Open House with raffle prizes will be scheduled to showcase the subject property's features. This is a very effective tool when the subject property has undergone recent renovations or not been on the market before.

LEE & ASSOCIATES TOOLS

- Property Management
- Contractors
- Architects
- City Officials
- In-House Services (marketing)
- Promotions
- Lenders (lease vs own)

This is an "as-is" sale and will be sold without representation or warranties/guarantees of any kind. Water: Seller has not made, & hereby disclaims, any & all representations, warranties or assurances to:

- a) quality, adequacy, availability, transferability or cost of surface or well water or water rights, if any, for Real Property;
- b) eligibility of Real Property or Buyer to receive irrigation water ("District Water") from the Water District or any other irrigation/water district;
- c) price at which District Water, if any, may be obtained;
- d) normal, historic, or expected amounts or allocations of District Water to the extent Real Property & Buyer are eligible to receive same;
- e) number of acres of "arable," "irrigable" or "irrigation" land comprising Real Property, or any portion thereof, as those terms are defined in 43 CFR 426.4;
- f) water supply of Irrigation District, or continued ability of such district to deliver any District Water to Real Property;
- g) extent to which Real Property is located within boundaries or service area of Irrigation District or any other irrigation/water district.

Water Disclosure: The Sustainable Groundwater Management Act (SGMA) was passed in 2014, requiring groundwater basins to be sustainable by 2040. SGMA requires a Groundwater Sustainability Plan (GSP) by 2020. SGMA may limit the amount of well water that may be pumped from underground aquifers. Alliance Ag Services, Inc, its brokers and agents make no representations as to the availability of water to the subject property and regulatory restrictions. Buyers and tenants to a real estate transaction should consult with their own water attorney; hydrologist; geologist; civil engineer; or other environmental professional

Additional information is available at:
California Department of Water Resources Sustainable Groundwater
Management Act Portal - <https://sgma.water.ca.gov/portal/>
Telephone Number: (916) 653-5791

Buyer is hereby notified that federal & state water & any heretofore unmanaged or unregulated ground water is subject to major changes, & that such changes could affect amount of any heretofore unmanaged or unregulated ground water available, amount of water available to water districts, eligibility of recipients to obtain such water, & cost at which eligible recipients may receive such water. Buyer is strongly advised to independently investigate every matter regarding water law as it affects Real Property. Buyer relies on any statements, suggestions, or other written or oral expressions by Seller or Broker entirely at Buyer's own risk.

Information contained herein from sources Alliance Ag Services, Inc. (AAS) considers reliable, such as, but not necessarily including or limited to, Seller, CFSA, AFSA and NRCS records and data, and information from other government agencies and offices. However, AAS have not independently verified and do not guarantee the accuracy, completeness or sufficiency of this information. Prospective Buyer is therefore, advised to independently confirm information provided herein, and any reliance upon this data is made at Buyer's own risk. Similarly, past history of property is no guaranty of future performance, which is subject to unpredictable variables such as weather, management and operational skills, market factors and general economic conditions. Accordingly, AAS does not assume, and hereby expressly disclaims, any responsibility for the future operating and investment results of the property.

Alliance Ag Services, Inc. participation in this transaction is solely in the capacity of real estate brokers, and they do not hold themselves out as having expertise or specialized knowledge in the fields of plant pathology, entomology, environmental science, engineering, chemistry, hydrology, meteorology, geology, seismology, health or financial investments. No statement made by AAS relating to this property may be relied upon by the Buyer as reflecting particular expertise in these or any other areas of specialized knowledge. In the course of conducting a due diligence inspection of the property, the prospective Buyer is strongly advised to consult with such brokers, attorney, financial advisors or other professional or expert consultants as may be necessary to fully protect the Buyers' rights and interests.
