Property Summary

Welcome to 2.79 Acres in a prime location on Spring Lake Hwy! This land is mostly cleared with some scattered oaks, making it ready to build on! No HOA or deed restrictions. Bring your animals to graze or plant your crops on this agriculturally zoned land! This property is already partially fenced. Enjoy the country living on this stunning piece of property, which sits 200 FT +/- above sea level and features a gentle slope and often a gentle breeze. Access to the property is by a shared driveway depicted by the light blue outline; all it needs is a gate! Take full advantage of being just 10 minutes away from essential shopping, banking, and downtown Brooksville. Less than 10 minutes to I-75 and ~15 minutes to the Suncoast Parkway. Some nearby activities include the County Community Center, just a few hundred feet north, which has game nights every Tuesday, and close proximity to Spring Lake for evening walks or bike riding. View the pictures to see a survey, topographic map showing elevations, zoning map, future land use map, and a soils report (fine sand). Make sure to check this one out! Parcel Key #1830745.

Highlights

- Perfect for animals and crops with AG zoned land and rural future land use
- Convenient Country Living in a premier location
- Mostly cleared land ready for building

About & Experience

Charles marks the seventh generation of his family to live in Hernando County. From having grown up right here in Brooksville, he credits his first real estate interests stemming from the time spent with his father, Robert Buckner, hunting and picking oranges on the local land from a young age. Charles went on to earn his real estate degree from the University of Central Florida and his Master's in Real Estate from the University of Florida. He has since moved back to Brooksville and utilized much of what he learned to spearhead the brokerage's new look and features that are seen in use today. Charles is a devoted gym-goer and greatly enjoys the aquarium hobby.

Education

- BSBA in Real Estate, University of Central Florida
- Master of Science in Real Estate, University of Florida
