Welcome to 68798 Loop Drive in Hines, Oregon—a truly one-of-a-kind custom-built log home with stunning views and a peaceful country feel. This beautiful home features a thoughtfully designed main floor with a kitchen that opens seamlessly into the dining and living areas. The kitchen showcases quartz countertops, an induction cooktop, double ovens, and elegant tile flooring that flows into the dining space. Soaring knotty pine vaulted ceilings create a warm, rustic charm in the kitchen and living room. The main floor also offers one bedroom and an additional versatile room ideal for a library or home office. Above, a loft—accessed by a ladder—provides a flexible space perfect for storage, reading, or creativity. The bathroom on this level includes tile surround and flooring.

Downstairs, the daylight basement hosts a spacious primary suite with a luxurious bathroom featuring a separate walk-in shower, a soaking tub, and an oversized walk-in closet. A generously sized third bedroom and a family room with French doors leading to the patio complete the lower level, along with a combination laundry room/third bathroom equipped with a walk-in shower. Practicality meets comfort with a dedicated furnace/storage room housing the water heater.

The exterior is just as impressive, boasting a beautifully landscaped yard, a cozy firepit area, abundant parking, and a storage/wood/garden shed. The 2018-built insulated shop is a dream, offering two large garage doors, concrete flooring, 220 wiring, and an additional large open storage area perfect for RV parking. Whether you envision relaxing on the wrap-around deck soaking in the views, tending to a garden, tinkering in the shop, or even keeping a horse, this property offers endless possibilities. Lovingly maintained by its current owners, this rare and unique home is ready for the next chapter—will it be yours?
