Property Description

A great commercial parcel located on a major traffic corridor in the City of Laurens! This parcel has been the site of a radio station since 1948, currently WLBG 860AM & 104.1FM. Zoned for commercial use, it would be an excellent location for a restaurant site, office, service business or retail development. The current ± 2500 sqft building currently houses the offices, studios and equipment for the radio station. There would be plenty of room for a fenced laydown yard. Reedy Fork Creek forms the southern boundary on the back of the property.
