PROPERTY DESCRIPTION

PRICE: \$1,570,800

This 9.5 +/- acres located just 3 miles south of Ottumwa's City Limits off paved road. This hard-to-find acreage has Located In southern Davis County on the Iowa/Missouri border sits a beautiful 264+/- acre farm with an opportunity to invest, live, and hunt in big buck country of southern Iowa. The farm has a mixture of hardwood timber, income, crops on the high ground, crops on the bottom with bedding between and the North Fabius River bordering the entire west side of the farm. The trail system is throughout the farm allowing easy access to all areas making this farm a hunter's dream. There is ample room for adding strategically placed food plots for winter food. The topography of this farm sits well, allowing hunters several options to hunt depending on wind direction. The bottom ground would be a fantastic place for late season muzzleloader and offers many pinch points and funnels for hunting the rut. As I toured the farm I saw plenty of signs of deer including old rubs, scrapes and bedding areas that have been used recently. Turkeys are plentiful on this farm! There are 171.84 FSA cropland acres. 83.68 (NHEL) FSA certified cropland acres and currently 100+/- acres being farmed per contract. The CSR2 is 67.5 with an annual income of \$21,000. The farm is leased until March 1, 2026. For more information on this property call Land Agent Jim Davis at 641-777-5484.
