"IOWA IS OUR FACTORY, LAND MARKETING IS OUR CRAFT, FARMLAND TRANSACTIONS ARE OUR PRODUCT, AND THE PEOPLE ARE WHAT MAKE UP OUR BUSINESS"

-Iowa Land Company

Nick and Luke are your local Land Brokers for Iowa Land Company, a family owned business which they Co-Founded with their two brothers Matt and Cody Skinner. Our goal is to be a trusted source in the Iowa farmland market while connecting buyers and sellers of Iowa land. Over the past six years we have represented clients in over 400 land real estate transactions selling 18,000 + acres of Iowa Land. We look forward to the opportunity to work for you and your family.

*"Nick Skinner, of Iowa Land Company, recently sold my farm. At first, I thought it would be easy to generate a clear title, but there were several complications buried in the paperwork as we went through the process of updating the abstracts. Most of the issues dated back many years to transactions that had nothing to do with me. Nick worked through the process like a pro and took the property all the way to closing with no issues. Every property is different, I am sure, but this one had a lot of moving parts and Nick handled it like he had done this a few times – and I am sure that he has. You want someone like that when selling your land. You never know what will come up during the process. You need someone with patience and experience to get both buyer and seller through to the closing." **Bill Winke***
