With a little work, the fencing on the property could easily be suited for livestock or gardening. The property includes a 40x60 shop with concrete floors, drive-through doors, and a homemade wood-burning stove, plus an attached 40x60 lean-to for additional storage or workspace. An old home foundation remains on-site, and while a well is present, its functionality will need to be tested.

Surrounded by nature, this property is just half a mile from CORP land, providing excellent access to hunting, hiking, and outdoor exploration. Whether you're looking for a rural retreat, a place to build your dream home, or a recreational getaway, this location delivers. Conveniently situated 50 minutes from Springfield and only 25 minutes from Bolivar, you'll enjoy both privacy and accessibility. Plus, with Pomme De Terre Lake nearby, you'll have some of Missouri's best walleye and crappie fishing right outside your back door.
