PROVISIONS

A suitable measuring device approved by the Department of Ecology shall be maintained in accordance with WAC 508-64-020 through WAC 508-64-040.

The amount of water granted under this certificate is a maximum limit that shall not be exceeded, and the certificate holder shall be entitled only to that amount of water within the specified limit that is beneficially used and required for the actual crop grown on the number of acres and place of use specified in the certificate.

Issuance of this certificate shall not be construed as excusing the holder thereof from compliance with any applicable federal, state, or local statutes, ordinances, or regulations including those administered by local agencies under the Shoreline Management Act of 1971.

This authorization to make use of public waters of the state is subject to existing rights, including any existing rights held by the United States for the benefit of Indians under treaty or otherwise.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.020.

This certificate of water right is specifically subject to relinquishment for nonuse of water as provided in RCW 90.14.180.

Given under my hand and the seal of this office at Olympia, Washington, this 30th day of January 19 75
