Development Highlights

Total Acreage:

- 75+- Acres

Utilities::

- 2 Wells/Electric

Entitlements/Zoning:

- Zoned Ag

Land Features:

- Developed/Vacant

Property Details:

- 75± Acre Recreation Paradise – Rare Opportunity Near Lake June Minutes to Uptown Lake Placid!
- ONLY \$13,333 Per Acre For Fast Sale!
- Act Now—this one-of-a-kind, beautifully rolling lush property with many turn-key valuable improvements won't last long on the Market!
- Located just minutes from charming shops and eateries in Uptown Lake Placid and the clear waters of Lake June, this former golf course is now a private recreational retreat like no other.
- With long scenic fairways, winding golf cart trails, park-like oak groves, and lush grassy fields, this property offers endless potential.
- Enter through three buildable lots, with the heart of the land featuring two valuable permitted irrigation wells, equipment barns, and an unmatched layout for your dream home, ranch estate, or weekend getaway.
- Build your main residence plus up to two guest cottages, and enjoy the freedom of a peaceful, country lifestyle—while storing all your toys and gear securely in the existing barns.
- Tremendous income potential—convert the fairways into high-demand sod fields capable of generating up to \$1,500–\$3,000+ per acre, or lease it out for passive income while benefiting from all the existing infrastructure.

This is truly a prime investment in a growing area with unbeatable natural beauty and upside. Opportunities like this don't come around often—schedule your private tour today before it's gone!

"Florida continues to out-pace the nation in growth, growing 2.6 times the rate of the rest of the U.S. With its central location, growing population, low operating costs and dedicated workforce, Highlands County is an ideal location to grow your business."

- Highlands County Economic Development

Connectivity

More than 86 percent of Florida's population is located within a two-hour radius of Highlands County (over 18 million people). The County is situated in the middle of Florida's extensive multi-modal infrastructure and surrounded by three interstates, commercial airports, an intermodal logistics center and deep water ports. The County's location is also nearly equidistant (about 1.5 hours) to Orlando, Tampa, Fort Myers and West Palm Beach.

Workforce

Highlands County's population, along with a commuting workforce from the surrounding area, provide a labor pool of more than 125,000 dedicated workers. Highlands County is home to South Florida State College and in close proximity to five other colleges and universities. A talent pipeline of more than 22,000 students is available within a one-hour drive and more than 190,000 students are within a two-hour drive.

Affordability

Highlands County offers an advantageous business climate with leaders committed to streamlined services, support programs and low business costs. A recent analysis conducted by Site Selection Group found that Highlands County offers an overall cost savings of 10 to 15 percent compared to nearby metro areas. Highlands also offers an advantage in low labor costs and competitive real estate options.

Lifestyle & Community

Here, employees and residents enjoy the Sunshine State lifestyle envied all over the world, at a much lower cost than other areas. Highlands County's cost of living is about 15 percent lower than the state average. Located along the rolling hills of the Central Florida ridge and lake country, Avon Park, Sebring and Lake Placid offer a quality lifestyle with all the advantages of a close-knit, friendly community. Highlands County is the quintessential hometown.
