PROPERTY DESCRIPTION

Conveniently located just a short drive outside of Norton city limits, this scenic dryland farm overlooking the Keith Sebelius Reservoir offers the perfect locations for a future homesite or land investment opportunity. Selling in two tracts, these fully tillable parcels feature 136.88+/- acres of prime tillable soil and a gentle landscape across most of the farm. Known as one of the best fishing lakes in the state of Kansas, Keith Sebelius is only minutes away, with quick access to the Prairie Dog State Park from both tracts. Whether you are looking to add to your farm portfolio or develop into a place to call home, do not miss out on this once in a lifetime sale!

Tract 1 consists of 62.40+/- tillable acres. This farm is located on the north side of the railroad and is accessed through an easement from US Hwy 36. Consisting of premium Holdrege silt loam soils across a majority of the farm and a near level landscape, we do not see many farms of this caliber come onto the market. This property is currently wheat stubble.

Tract 2 is located south of the railroad and has 74.48+/- acres currently drilled to milo. This property consists of a majority Holdrege silt loam soils and very little slope, with small breaks in the southeast corner of the farm. Like Tract 1, this property has great potential to be developed into a future homesite(s). While still able to enjoy everything Norton has to offer, you are only steps away from Keith Sebelius Reservoir and the Prairie Dog State Park.
