

LAND FOR SALE

Adair County

FARM DESCRIPTION

PRICE: \$750,000

Here is your chance to purchase a manageable farm with ROI and hunting possibilities all in one shot. Consisting of 120 +/- acres of which 93.18 acres are considered FSA cropland. The cropland carries a CSR2 average of 51.4. Currently, the farm is in a corn-bean rotation. The nice part about this farm is it sits in the middle of the section and offers hunting opportunities on three sides of the tract. Located in vast open country, leave some standing grain and I think you'd be amazed on what the area could produce for trophy bucks. The farm offers enough timber for a few bowhunting locations as well, allowing you to hunt the farm year-round. For more information about this open country farm contract Land Broker Luke Skinner 515-468-3610 or Land Broker Matt Skinner 515-443-5004 today to set up a private showing.
