

MAYTAG MOUNTAIN RANCH 500 TWO CREEKS

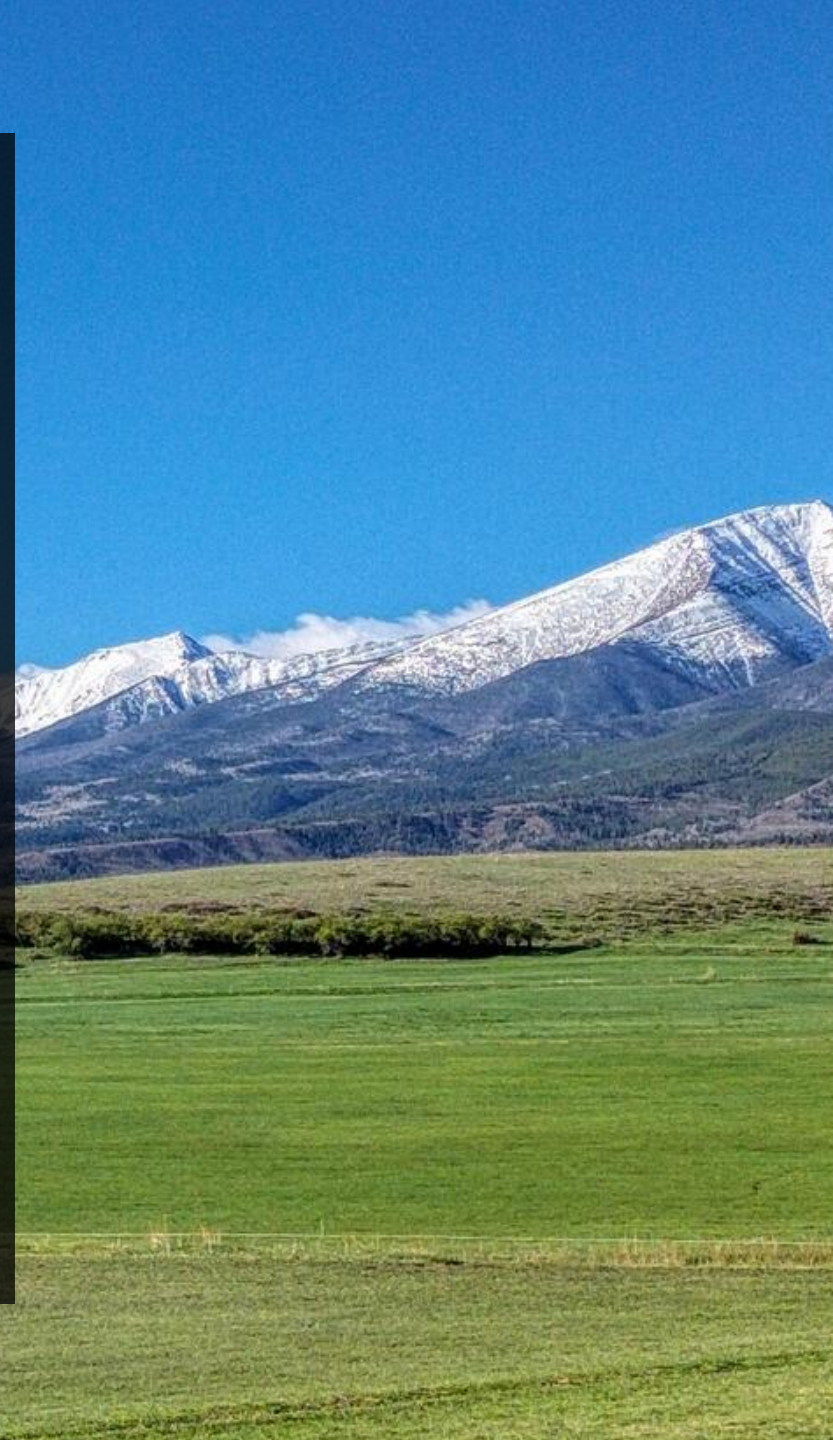

Legacy Properties of Colorado

REAL MOUNTAIN RANCH. REAL WILDLIFE. REAL COLORADO

Gaze over lush hay meadows and aspen groves at the Majestic Sangre de Cristo Mountains and towering Collegiate Peaks from this exceptional 101-acre ranch property. As part of Maytag Mountain Ranch, the regions finest shared ranch community, this spectacular homestead is one of only 29 on close to 3,000 acres! Owners enjoy nearly 2,900 acres of open space, two stocked ponds, approximately one mile of private access to the Arkansas River, two well-appointed owner cabins, cookhouse/lodge, full equestrian facilities and full-time staff on site. Spend your days on horseback, fishing, or hiking the 12+ miles of trails on the ranch. The recreational opportunities are limited only by your imagination. Looking for the perfect mountain ranch with none of the associated headaches?

This is it!
