DISCLAIMER NOTICE

The Broker and their affiliated licensees (hereinafter collectively "Licensees") are engaged in bringing together buyers and sellers in real estate transactions. Licensees expressly deny any expertise with respect to advice or informed opinions regarding any of the following matters. This Disclaimer Notice is an express warning to all sellers and buyers that they should not rely on any statement, comment or opinion expressed by any Licensee when making decisions about any of the following matters, including the selection of any professional to provide services on behalf of buyers or sellers. Any professional selected by buyers or sellers should be an "independent, qualified professional", who complies with all applicable state/local requirements, which may include licensing, insurance, and bonding requirements. It is strongly recommended that buyers include contingency clauses in their offers to purchase with respect to these or any other matters of concern and that buyers, in writing the offer, allow enough time to get an evaluation of the following matters from an independent, qualified professional. The matters listed below are not an exclusive list of actions or circumstances which are not the responsibility of the Licensees with whom you work. These items are examples and are provided only for your guidance and information.

1. **THE STRUCTURAL OR OTHER CONDITIONS OF THE PROPERTY.** Consult with professional engineers or other independent, qualified professionals to ascertain the existence of structural issues, the condition of synthetic stucco (E.I.F.S.) and/or the overall condition of the property.
2. **THE CONDITION OF ROOFING.** Consult with a bonded roofing company for any concerns about the condition of the roof.
3. **HOME INSPECTION.** We strongly recommend that you have a home inspection, which is a useful tool for determining the overall condition of a home including, but not limited to, electrical, heating, air conditioning, plumbing, water-heating systems, fireplaces, windows, doors and appliances. Contact several sources (like the Tennessee Department of Commerce & Insurance (<http://tn.gov/commerce/>), the American Society of Home Inspectors (www.ashi.com), the National Association of Certified Home Inspectors (www.nahi.org), and Home Inspectors of Tennessee Association (www.hita.us) and independently investigate the competency of an inspector, including whether he has complied with State and/or local licensing and registration requirements in your area. The home inspector may, in turn, recommend further examination by a specialist (heating-air-plumbing, etc.). Failure to inspect typically means that you are accepting the property "as is".
4. **WOOD DESTROYING ORGANISMS, PESTS AND INFESTATIONS.** It is strongly recommended that you use the services of a licensed, professional pest control company to determine the presence of wood destroying organisms (termites, fungus, etc.) or other pests or infestations and to examine the property for any potential damage from such.
5. **ENVIRONMENTAL HAZARDS.** Environmental hazards, such as, but not limited to: radon gas, mold, asbestos, lead-based paint, hazardous wastes, landfills, byproducts of methamphetamine production, high-voltage electricity, noise levels, etc., require advanced techniques by environmental specialists to evaluate, remediate and/or repair. It is strongly recommended that you secure the services of knowledgeable professionals and inspectors in all areas of environmental concern.
6. **SQUARE FOOTAGE.** There are multiple sources from which square footage of a property may be obtained. Information is sometimes gathered from tax or real estate records on the property. Square footage provided by builders, real estate licensees, or tax records is only an estimate with which to make comparisons, but it is not guaranteed. It is advised that you have a licensed appraiser determine actual square footage.
7. **CURRENT VALUE, INVESTMENT POTENTIAL, OR RESALE VALUE OF THE PROPERTY.** A true estimate of the value can only be obtained through the services of a licensed appraiser. No one, not even a professional appraiser, can know the future value of a property. Unexpected and unforeseeable things happen.

Unauthorized use of the form may result in legal sanctions being brought against the user and should be reported to Tennessee REALTORS® at 615-321-1477.

NOTE: A real estate licensee's Comparative Market Analysis (CMA) or Broker's Price Opinion (BPO), etc., while sometimes used to set an asking price or an offer price, is **not** an appraisal.

- 8. BOUNDARY LINES, EASEMENTS, ENCROACHMENTS, ROAD MAINTENANCE, AND ACREAGE.** A survey can provide helpful information, including whether the road to the home is a public or private road. It is strongly advised that you secure the services of a licensed surveyor for a full-stake boundary survey with all boundary lines, easements, encroachments, flood zones, road information, total acreage, etc., clearly identified. It is also advised that you **not** rely on mortgage loan inspection surveys, previous surveys, plat data, or Multiple Listing Service (MLS) data for this information, even if acceptable to your lender.
- 9. ZONING, CODES, COVENANTS, RESTRICTIONS, AND RELATED ISSUES.** Zoning, codes, covenants, restrictions, home owner association by-laws, special assessments, city ordinances, governmental repair requirements and related issues need to be verified by the appropriate sources in writing. If your projected use requires a zoning or other change, it is recommended that you either wait until the change is **in effect** before committing to a property or provide for this contingency in your Purchase and Sale Agreement.
- 10. UTILITY CONNECTIONS, SEPTIC SYSTEM CAPABILITY, AND RELATED SERVICES.** The availability, adequacy, connection and/or condition of waste disposal (sewer, septic system, etc.), water supply, electric, gas, cable, internet, telephone, or other utilities and related services to the property need to be verified by the appropriate sources in writing (including but not limited to fire protection). You should have a professional check access and/or connection to public sewer and/or public water source and/or the condition of any septic system(s) and/or wells. To confirm that any septic systems are properly permitted for the actual number of bedrooms, it is recommended that sellers and/or buyers request a copy of the information contained in the file for the property maintained by the appropriate governmental permitting authority. If the file for this property cannot be located or you do not **understand** the information contained in the file, you should seek professional advice regarding this matter. For unimproved land, septic system capability can only be determined by using the services of a professional soil scientist and verifying with the appropriate governmental authorities that a septic system of the desired type, size, location, and cost can be permitted and installed to accommodate the size home that you wish to build.
- 11. FLOODING, DRAINAGE, FLOOD INSURANCE, AND RELATED ITEMS.** It is recommended that you have a civil or geotechnical engineer or other independent expert **determine** the risks of flooding, drainage or run-off problems, erosion, land shifting, unstable colluvial soil, sinkholes and landfills. The risk of flooding may increase and drainage or storm run-off pathways may change. Be sure to consult with the proper governmental authorities, elevation surveyors, and flood insurance professionals regarding flood and elevation certificates, flood zones, and flood insurance requirements, recommendations and costs.
- 12. CONDEMNATION.** It is recommended that you investigate whether there are any pending or proposed condemnation proceedings or similar matters concerning any portion of the **property** with the State, County and city/town governments in which the property is located. Condemnation proceedings could result in all or a portion of the property being taken by the **government** with compensation being paid to the landowner.
- 13. SCHOOL DISTRICTS AND OTHER SCHOOL INFORMATION.** It is advised that you independently **confirm** school zoning with the appropriate school authorities, as school districts are subject to change. Other school information (**rankings, curriculums, student-teacher ratios, etc.**) should be confirmed by appropriate sources in writing.
- 14. INFORMATION ABOUT CRIMES, METHAMPHETAMINE PROPERTIES, OR SEX OFFENDERS.** You should consult with local, state and federal law enforcement agencies for information or **statistics** regarding criminal activity at or near the property, the presence of methamphetamine manufacturing, or for the location of sex offenders in a given area.
- 15. LEGAL AND TAX ADVICE.** You should seek the advice of an attorney and/or certified tax specialist on any legal or tax questions concerning any offers, **contracts**, issues relating to title or ownership of the **property**, or any other matters of concern, including **those itemized** in this Disclaimer Notice. Real estate licensees are **not** legal or tax experts, and therefore cannot advise you in these areas.

91 **16. TITLE INSURANCE EXPENSES.** As the Buyer of real property, you have the right to obtain an Owner's
92 Title Insurance Policy to protect your ownership. Once purchased, an Owner's Title Insurance Policy protects
93 you for as long as you own the property (and potentially longer). There are two main types of title insurance
94 policies available to the Buyer: (a) a Standard policy (which covers many claims affecting the land) or (b) a
95 "Homeowner's" policy. The Homeowner's policy covers all the claims of a Standard policy – but it is also an
96 expanded policy providing multiple additional coverages not included in the Standard policy, e.g. post policy
97 issues such as an attempted fraudulent deed conveyance. Unlike other title protection alternatives (e.g. attorney
98 title opinion letters) both the Standard and the Homeowner's policy are regulated products provided by
99 insurance companies licensed under Tennessee law. It is the Buyer's responsibility to seek independent advice
100 or counsel prior to Closing from Buyer's Closing Agency regarding the availability and coverage provided
101 under an American Land Title Association Standard Owner's Insurance policy and, if available, a Homeowner's
102 Title Insurance Policy. For more information, please visit these helpful links: [https://www.alta.org/news-](https://www.alta.org/news-and-publications/)
103 [and-publications/](https://www.alta.org/news-and-publications/) **ALTA - Unregulated Title Insurance Alternatives**

104 **17. RECOMMENDED INSPECTORS, SERVICE PROVIDERS, OR VENDORS.** The furnishing of any
105 inspector, service provider or vendor named by the real estate licensee is done only as a convenience and a
106 courtesy, and does not in any way constitute any warranty, representation, or endorsement. Buyers and sellers
107 have the option to select any inspectors, service providers or vendors of the buyer's or seller's choice. You
108 are advised to contact several sources and independently investigate the competency of any inspector,
109 contractor, or other professional expert, service provider or vendor and to determine compliance with any
110 licensing, registration, insurance and bonding requirements in your area.

111 **18. RELIANCE.** You understand that it is your responsibility to determine whether the size, location and condition
112 of the property are acceptable prior to submitting an Offer on a property. Broker makes no representations as
113 to suitability of a property to your needs. You acknowledge that any images or other marketing materials
114 provided by the seller or brokers involved in the transaction electronically or in print may not display the
115 property's features, flaws, odor(s), or size and that you shall not rely on such images when purchasing a
116 property.

117 **19. MARKETING MATERIALS.** You acknowledge that photographs, marketing materials, and digital media
118 used in the marketing of the property may continue to remain in publication after Closing. You agree that
119 Broker shall not be liable for any uses of photographs, marketing materials or digital media which the Broker
120 is not in control.

121 **The Buyer/Seller acknowledges that they have not relied upon the advice, casual comments, media**
122 **representations or verbal representations of any real estate licensee relative to any of the matters itemized**
123 **above or similar matters. The Buyer/Seller understands that it has been strongly recommended that they**
124 **secure the services of appropriately credentialed experts and professionals of the buyer's or seller's choice**
125 **for the advice and counsel about these and similar concerns.**

WIRE FRAUD WARNING

Criminals use many methods to steal our money, even when we are buying or selling a home – particularly involving wire fund transfers. Scammers typically will send an email that APPEARS to be from your agent, broker, lender, or the closing attorney/closing agency. Be on the lookout for:

- Phony email addresses (e.g., a slight change in the domain name), authentic-looking fake websites, phony fax numbers, texts, calls or social media messages from scammers.
- Any communication requesting information or directing you to a fake website, a criminal's email address or a criminal's bank account.

In preparation for closing, Buyers will often need to wire transfer funds from their personal bank to the closing attorney/closing agency.

NEVER ACCEPT WIRING INSTRUCTIONS FROM YOUR AGENT OR BROKER.

_____ Initials _____ Initials

Rather, you should receive wiring instructions prior to closing from the closing attorney/closing agency or your lender. If the instructions are sent by email they should be in a secured manner. **DO NOT TRANSFER FUNDS UNTIL** you have verified the authenticity of the wiring instructions by at least one other independent means, including but not limited to the following:

- Call the phone number you used on all your prior calls (if the number came from a personally recognized or known source), or
- Call the closing attorney/ closing agency or lender after verifying their phone number from a known third party source, such as the entity's official website and/or public directory assistance (do not take the phone number directly from the wiring instruction form you received), or
- Make a personal visit to their office at the address you previously met with them.

If you send wiring instructions by email or any electronic means to anyone at your bank or other financial institution in preparation for closing, **DO NOT TRANSFER ANY FUNDS** until after you verify that the correct instructions were received by a known representative at your financial institution. Also, it is important to confirm with the financial institution that the **WIRE INSTRUCTIONS ARE NOT TO BE SUBSTITUTED WITHOUT YOUR PRIOR CONSENT.** Any wiring instructions sent should be sent in a secured manner. Be especially aware of any request to change any of the original wiring/money transfer information, change in the person you have been working with on the transaction, or a subtle difference in their behavior, speech, or grammar. These are some signs of a potential scam. Wiring instructions for closing attorneys, title companies and lenders rarely if ever change, so any request to change this information should be handled with caution.

If you suspect you may be a victim of wire fraud or that you may have received suspicious phone calls, emails, text messages, faxes, social media messages, emails from a fake address, a change in contact person at your bank or mortgage company, or changes to wire transfer or financing institutions:

- **IMMEDIATELY** call your bank and/or mortgage company at the phone number you used in all prior calls.
- Then, call your agent at the phone number you used in all prior calls.
