- NOTES:
- This plat is subject to all easements, agreements, and rights-of-way of record prior to the date of the plat.
 - All distances shown on this plat are horizontal ground distances, unless otherwise designated.
 - The coordinate method was used to compute the area(s) shown on this plat.
 - To the best of my knowledge there is not a state grid station within 2000 feet of subject property.
 - That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of subdivision.
