For purposes of this restriction the term "living area" shall mean that area of a dwelling which is heated and cooled, exclusive of porches, breezeways, carports, garages or basements. A barndominium shall be permitted, but the living space must comply with the minimum living area as set forth in this Paragraph 2.03, and the exterior of the living space of any barndominium must comply with all other requirements set forth herein. Additionally, a principal dwelling on a Lot may be used as a short-term rental, but in no event may the principal dwelling be occupied as a short-term rental for more than 182 non-consecutive days per year. A guest house is allowed to be built before the primary home, but if a guest house is constructed first, the primary home must be completed within 24 months of beginning construction on the guest home.

2.05 The exterior of any building shall be completed not later than eighteen (18) months after the commencement of construction.

2.06 All dwellings shall be newly constructed and erected on site. Mobile/pre-manufactured homes shall not be used as a dwelling, nor stored on any Lot. Modular, off-site manufactured homes are permitted but must have a concrete foundation poured on site. The term dwelling house (for purposes set out in this paragraph) shall include guest houses. 2.14 Abandoned or inoperative equipment, vehicles or junk shall not be permitted, placed or stored on any Lot.

2.15 Swine shall not be kept on any Lot. Other livestock, pets and poultry shall be permitted provided said livestock is kept within the boundaries of said Lot at all times, and provided they are not offensive to adjacent landowners by smell, sight, sound or otherwise and do not result in overgrazing. There shall not be any commercial feeding operations or commercial breeding of animals conducted on a Lot. Agricultural animals used for grazing said property while simultaneously raising young (i.e. cow/calf operation) shall not be considered commercial breeding of animals. The maximum number of animals allowed will be ½ animal unit per acre. For example, on a 10 acre tract, you could have 5 cows, 4 horses, or 31 spanish goats. Numbers will be rounded. Animal unit equivalents will be determined by the current NRCS chart for Texas.

Any use of firearms whatsoever shall only be by the owners of Lots and their immediate family. Personal safety of owners and owners of neighboring Lots shall be of prime consideration. Subleasing for hunting is specifically forbidden, and there shall be no commercial hunting on the Property. All hunting shall be for recreational purposes only. Hunting with center-fire rifles is allowed on all lots except numbers 6, 7, 8, 9, 10 & 12. Archery hunting and turkey and migratory bird hunting with shotguns shall be permitted on all lots. All hunting must be done in compliance with the rules and regulations of Texas Parks and Wildlife Department. 2.19 Mineral exploration of any type which will damage the surface shall not be permitted on any Lot.

2.20 The undersigned reserves unto itself and/or its assigns, an easement for utility purposes, fifteen (15) feet wide on each side of all Lot lines and public roadways and thirty (30) feet along the entire perimeter (boundary) of the herein described property for the installation and maintenance of electric, telephone and other utility lines and easements for anchor guy combinations wherever necessary, and reserves the right to trim trees which at any time interfere or threaten to interfere with the maintenance of such lines, with the right of ingress to and egress from and across said premises for employees of utility companies owning said lines. Permission for electric line guy wires may not be withheld.

2.21 No cellular tower, wind turbine or other type of commercial tower or antennae shall be erected or placed upon the Property without the prior consent of the Declarant. Residential towers to provide internet and phone service shall be permitted on Lots, but in no event shall a tower be greater than thirty-five feet (35') in height. Any solar panels located on a Lot must be installed on the roof of any improvements, and panels must maintain the pitch of the existing roof.

2.22 All Lots and Owners shall be subject to a wildlife management plan ("Wildlife Plan") for the Property that meets the requirements of Texas Parks and Wildlife Department, the Kimble County Tax Assessor and the Kimble County Appraisal District such that the Property may be appraised as qualified open space land under the Texas Tax Code, Chapter 23, Subchapter D. The Wildlife Plan shall require that all Lots and Owners follow and are subject to the wildlife use requirements set forth therein, and each Owner shall be subject to a written agreement that legally obligates said Owner of each Lot to perform the management practices and activities necessary for each Lot to qualify for an appraisal based on wildlife management use. The Wildlife Plan will also require that each Lot must also independently meet all the qualifications for agricultural appraisal based on wildlife management use, including the implementation on each tract three or more specific wildlife management practices listed in Texas Tax Code §23.51(7)(A) (habitat control, erosion control, predator control, providing supplemental water, providing supplemental food, providing shelters, or conducting census counts), with the exception that the minimum acreage requirements, if applicable, are slightly lower for land in a wildlife management plan.

III. GENERAL PROVISIONS

3.01 ENFORCEMENT. Declarant, its successors or assigns, or any Owner, shall have the right to enforce, by proceedings at law or in equity, the terms, provisions, covenants, conditions, and restrictions of this Declaration. Failure of Declarant or any Owner to take any action upon any breach or default shall not be deemed a waiver of their right to take action upon any subsequent breach or default. Declarant, for itself, its successors or assigns, reserve the right to enforce this Declaration, though it may have previously sold and conveyed all Lots controlled hereby. The reservation by Declarant of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and Declarant shall not be subjected to any claim, demand, or cause of action from any Owner by virtue of not enforcing any term, provision, covenant, conditions or restrictions herein contained.

3.02. PARTIAL INVALIDITY. Invalidation of any one of the covenants or restrictions, contained herein, by judgment or court order shall in no way affect any other provision, and all other provisions shall remain in full force and effect.

3.03. TERM. The covenants, conditions and restrictions of this instrument shall run with and bind the land and shall inure to the benefit of, and be enforceable by or the Owner of any Lot subject to this instrument, and their respective legal representatives, heirs, successors and assigns, and shall be effective until December 31, 2050, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years, unless amended as provided herein. The covenants, conditions and restrictions contained in this instrument may be amended at any time after December 31,

2030, by an instrument signed by not less than the Owners of seventy-five percent (75%) of the acreage contained with the above described Property. No amendment shall be effective until duly recorded in the Real Property Records of Kimble County, Texas, nor until the approval of any governmental regulatory body, which may be then required, shall have been obtained. The covenants, conditions and restrictions may be amended any time by an instrument signed by the owners of not less than one hundred percent (100%) of the above described Property.

3.04 AMENDMENT. 3.05 WAIVER AND LACHES. The obligation to abide by the provisions contained in this Declaration shall be deemed to be of a continuing and continual basis. Each and every day an Owner allows a condition to exist on such Owner's Lot which is not in compliance with the requirements contained herein shall constitute a separate and individual violation hereof, and shall give rise to a new cause of action for such breach. The intended effect and express purpose of this provision shall be that every Owner, by accepting title to a Lot, hereby waives the affirmative defenses of the statute of limitations, waiver and laches with respect to covenant violations. Failure of Declarant, or of any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

3.06 INDEMNIFICATION. By acceptance of each warranty deed, Owners agree to indemnify and hold harmless Declarant, its successors and/or assigns, for any liability, loss or damage they may suffer as a result of claims, demands, costs or judgments against them arising out of the activities to be carried out pursuant to the obligations of these Covenants, Conditions and Restrictions.

As additional consideration for purchasing a Lot and/or owning a portion of the Property, Owners hereby RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE Declarant from any and all liability, claims, demands, action and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by Owner, or to any Lot, whether caused by Declarant, or otherwise. Declarant hereby makes no representations or warranties regarding any taxing authorities, valuations or exemptions that may be in place as of the date of filing. Furthermore, Declarant shall have no liability to maintain any exemptions from appraised property values used in determine local property taxes.
