Fax: 906-323-6229

Spurr Township is a little part of Baraga County, rich in beauty for its many lakes, forests, and trout rivers. After discovery of iron ore in the 1870's, mining became the main industry. At one time, nine mines were working in the area: the Beaufort, Catherine, Imperial, Ohio, Portland, Sheldon, Spurr, Stewart and Webster. Now resorts, which provide excellent swimming and boating, and forestry are the main livelihoods.
