OWN THE GATEWAY TO INDIANTOWN, FLORIDA

The Indiantown Marina Development Site represents a premier and rarely available four-parcel assemblage totaling approximately 53.41± acres. This exceptional development opportunity is strategically positioned at the primary gateway entrance to Indiantown, Florida — where ownership spans both sides of Warfield Boulevard as you cross the bridge into town.

This commanding location allows you to create the defining, signature mixed-use destination at Indiantown's entrance — a property that welcomes residents and visitors alike while fostering new business, residential, and economic growth within the community.

Situated within a designated Opportunity Zone, the property offers federal tax incentives that encourage investment and long-term appreciation. Its scale, visibility, and accessibility make it ideal for a wide variety of potential uses, including:

- Residential and multifamily communities
- Commercial and retail components
- Waterfront Restaurant and Tiki Bar
- Marina and marine-related development
- Hospitality, hotel, and restaurant concepts
- Industrial or mixed-use projects

As an incorporated municipality with its own pro-growth local government, Indiantown is the newest municipality in Martin County — uniquely positioned for smart, sustainable expansion. The town lies 12 miles east of Port Mayaca on Lake Okeechobee, 22 miles southwest of Stuart, 22 miles west of Jupiter, and 36 miles northwest of West Palm Beach, offering convenient access to major population centers while maintaining its authentic rural-waterfront character.

COMPLETE HIGHLIGHTS

PROPERTY HIGHLIGHTS

This trophy-caliber site offers unmatched potential due to its size, visibility, and location, accommodating a wide range of mixed-use or large-scale development concepts. Potential uses include:

- Multifamily rental apartments or townhomes on the water and retail uses along Warfield Blvd
- A marina with waterfront restaurant and tiki bar
- Complementary retail or service commercial uses
- Other destination-oriented or recreational development opportunities

MASTER-PLANNED RESIDENTIAL COMMUNITY

Up to ±700 rental apartment units planned across multiple phases, allowing for flexible, staged absorption and construction. A thoughtfully designed layout integrates multiple clubhouses, resort-style pools, ponds, parks, and expansive green space to promote a sense of community and wellness. The community vision emphasizes walkability, open space, and connectivity between residential, recreational, and commercial components.

WATERFRONT MARINA & LIFESTYLE AMENITIES

A premier marina component serves as the recreational and social hub of the project. Features include a Tiki bar, waterfront Tiki huts, marina office, and boater amenities designed to activate the waterfront and attract both residents and visitors. Ideal for integrating boat slips, kayak launches, and casual dining experiences along the shoreline.

COMMERCIAL RETAIL & EMPLOYMENT USES

Complementary retail and commercial parcels fronting Warfield Blvd create a vibrant, service-oriented environment for residents and the broader community. Potential commercial uses include:

- Gas station / convenience store (e.g., Wawa or similar)
- Neighborhood grocery store
- Professional and medical offices
- Self-storage facility
- Mixed-use retail and service businesses

These uses support both on-site residents and the growing Indiantown population while driving recurring revenue and local employee.

COMPLETE HIGHLIGHTS (CON'T)

MARINE RELATED INDUSTRIAL PARK

1. Waterfront & Vessel Support

- Boat & yacht repair yards (haul-out facilities, dry docks, shipyards)
- Marinas (slips, dry storage, fueling stations)
- Boat lift and crane operations
- Dock construction and marine contractors
- Commercial fishing facilities (docks, ice plants, net mending areas)

2. Manufacturing & Industrial Production

- Boatbuilding & shipbuilding (fiberglass, aluminum, steel hull)
- Marine equipment manufacturing (engines, outboards, lifts, navigation)
- Mooring, dock, and piling fabrication
- Fuel storage/distribution tied to marine fueling

3. Storage & Logistics

- Industrial boat storage warehouses (rack storage, dry-stack)
- Freight & shipping terminals (import/export, container storage)
- Marine distribution centers (parts, supplies, marine engines)
- Cold storage for seafood and marine products

4. Marine Services & Infrastructure- Dredging operations and staging areas- Tow and salvage operations- Marine construction staging yards (pilings, barges, heavy equipment)- Navigation/communication equipment facilities

5. Research, Training & Government

- Marine research labs (oceanographic, aquaculture testing)
- Coast Guard & port authority facilities
- Naval/defense marine uses
- Training centers (safety, navigation, diving, engine repair schools)

6. Ancillary Industrial Uses

- Marine recycling & salvage yards (boats, engines, metals)
- Paint & coating facilities (specialty marine paints, anti-fouling coatings)
- Supply & distribution warehouses (marine hardware, rigging, electronics)
- Storm prep facilities (storage & equipment for marine protection)

7. Marina-Related Industrial & Marine Service Park

A portion of the assemblage is ideally suited for marina-related industrial uses, such as boat storage, dry-stack operations, repair and service facilities, marine supply, or boat-manufacturer support operations. This component complements the waterfront and residential elements, providing a functional, income-producing use that leverages Indiantown's boating culture and regional demand for marine-service infrastructure. With its scale, dual-side ownership along Warfield Blvd, deep-water canal frontage, and immediate proximity to the St. Lucie Canal, connecting Lake Okeechobee to the Atlantic Ocean, the site offers a one-of-a-kind platform to develop a regional marine operations hub or multi-phase mixed-use destination. This is an extraordinary opportunity to establish a flagship marine and industrial destination at the gateway to Indiantown, combining the benefits of scale, location, infrastructure, and Opportunity Zone incentives.

Originally established by the Seminole people as a trading post, [Indiantown](#) is a small, quiet town about 15 miles west of Stuart and 8 miles north of the Palm Beach County line. Unique to the rest of Martin County, Indiantown is situated in the heart of Florida's cattle and citrus country. The historic Seminole Inn (UNDER CONTRACT) captures the twilight grandeur of old Florida. Nature lovers can enjoy the great outdoors at Barley Barber Swamp, [Dupuis Management Area](#), [Fox Brown Outfitters](#) or [Allapattah Flats](#). Additional things to do include visiting [Kai-Kai Farm](#), watching the Indiantown Rodeo at [Timer Powers Park](#).

Indiantown is a short drive from the shores of Port Mayaca where you can see a waterfront sunset while still on the East Coast. You can also visit the [Port Mayaca Polo Club](#).

Indiantown is also home to [Payson Park](#), one of the top thoroughbred horse racing facilities in the United States.

The village also includes an airport with a 6,300 foot hard grass runway.

INDIANTOWN FINALIZES NEW PARCEL ZONING FOR INDIANTOWN MARINE CENTER

Council gave the 116-acre Citrus Avenue parcel Commercial Waterfront Land Use and Canal Mixed Use Zoning. The Village Council here gave its final approval May 9, 2025, for the new future land use and companion zoning for a 116-acre parcel next to the [Indiantown Marina Center](#) on Citrus Avenue, paving the way for future waterfront commercial development along the St. Lucie Waterway. For the full article, click [HERE](#).

INDIANTOWN MARINA

[Indiantown Marina](#) is one of South Florida's best boat storage facilities. It is located on the St. Lucie Canal which links Stuart on the East Coast to Fort Myers on the West Coast via Lake Okeechobee and the Calloosahatchee River. Being located inland on the Okeechobee Waterway, they are a well protected hurricane hole.

WILLIS CUSTOM YACHTS

Willis Custom Yachts is conveniently located in Stuart, FL along the protected waters of the St. Lucie Canal, just minutes East of the St. Lucie Locks. Their facility is accessible from the Atlantic Ocean access via the St. Lucie inlet and the Gulf of Mexico via the Okeechobee Waterway. Located between I-95 and the Turnpike, our facility is accessed easily by both water and land.

INDIANTOWN AIRPORT

Indiantown Airport is situated on 600± acres of land, and includes a 6,300 foot hard grass runway.

At one point in time, it was home to skydiving, but today welcomes many different businesses such as Dylan Aviation School of airmanship and aerodynamics.
