About & Experience

Charles marks the seventh generation of his family to live in Hernando County. From having grown up right here in Brooksville, he credits his first real estate interests stemming from the time spent with his father, Robert Buckner, hunting and picking oranges on the local land from a young age. Charles went on to earn his real estate degree from the University of Central Florida and his Master's in Real Estate from the University of Florida. He has since moved back to Brooksville and utilized much of what he learned to spearhead the brokerage's new look and features that are seen in use today.
